Very affordable in a size that can go anywhere, it's available as a complete 60-volume series, in Old Testament or New Testament sets, or individually.

Christian Radio Bob Lochte, 2005-12-13 Religious

programming has been on the airwaves since broadcasting began,

but today it is one of the fastest growing categories in radio. This book examines the progression of Christian radio from its beginnings on tiny local stations (like WCAL from St. Olaf's College in Minnesota) to its presence on network and satellite radio of today. The author notes the factors that brought Christian music into the mainstream and discusses how network policies and regulations affected the development of Christian radio. Also considered are the changing demographics that have contributed to the success of Christian broadcasting. Major Christian networks and their evangelical missions are discussed, along with such programs A Money Minute, Life on the Edge and Focus on the Family, which offer practical topical advice for today's Christian. The final chapter considers the future of Christian radio.

Christianity in Crisis Hank Hanegraaff, 2012-06-18 Nearly two decades ago Hank Hanegraaff's award-winning *Christianity in Crisis* alerted the world to the dangers of a cultic movement within Christianity that threatened to undermine the very foundation of biblical faith. But in the 21st century, there are new dangers—new teachers who threaten to do more damage than the last. These are not obscure teachers that Hanegraaff unmasks. We know their names. We have seen their faces, sat in their churches, and heard them shamelessly preach and promote the false pretexts of a give-to-get gospel. They are virtual rock stars who command the attention of presidential candidates and media moguls. Through make-believe miracles, urban legends, counterfeit Christs, and twisted theological reasoning, they peddle an occult brand of metaphysics that continues to shipwreck the faith of millions around the globe: "God cannot do anything in this earthly realm unless we give Him permission." "Keep saying it—'I have equality with God'—talk yourself into it." "Being poor is a sin." "The Jews were not rejecting Jesus as Messiah; it was Jesus who was refusing to be the Messiah to the Jews!" "You create your own world the same way God creates His. He speaks, and things happen; you speak, and they happen." *Christianity in Crisis: 21st Century*

exposes darkness to light, pointing us back to a Christianity centered in Christ. From the Preface: "Having lost the ability to think biblically, postmodern Christians are being transformed from cultural change agents and initiators into cultural conformists and imitators. Pop culture beckons, and postmodern Christians have taken the bait. As a result, the biblical model of faith has given way to an increasingly bizarre array of fads and formulas."

Signs of the End Time 21st Century Fulfilment of the Bible Prophecy Matthew 24 Pastor Amoah Da Costa, 2017-08-09 God has revealed himself to his servant to write this great revelation about the signs of the End Times according to the biblical prophecy and its fulfilment in these last evil days of mass media as predicted by the Lord Jesus Christ there will be wars, famine, earthquakes, and a false Messiah. This book is the result of ten years of studying and meditation of the book of Matthew, chapter 24, as directed by the Holy Spirit to make people aware of the End Times signs and to awaken humanity about the End Times and get people ready for the coming of the Lord Jesus Christ. Signs of the End Times as Predicted by Christ The destruction of the temple foretold. Many shall come in my name, saying, I am Christ. Rumours of wars. Famines and pestilences. Earthquakes in diverse places. False prophets shall rise. False prophets. The Gospel must be preached as a witness. Great tribulation. The fulfilment of the biblical prophecy.

Jesus--to Eternity and Beyond! Kay Arthur, Janna Arndt, 2001-06-01 Kay Arthur's popular Discover 4 Yourself® Bible Studies continue in this delightfully interactive production of Jesus—To Eternity and Beyond! Focusing on John 17-21, kids become directors who must discover the details of Jesus' life to make a great movie. Children will learn how to get the most out of reading their Bibles and ways to incorporate biblical truths into their lives. Through Bible reading and marking, building movie sets, creating scripts, and solving puzzles, kids explore Jesus' last hours, including His prayer in the garden, His betrayal and arrest,

His trial and crucifixion, and the triumph of His resurrection. They'll also uncover Peter's denial of Christ and the disciple's joy when his relationship with Jesus is restored.

The Christian Right & US Foreign Policy in the 21 st Century Mohd Afandi Salleh, 2020-01-07 This book is about the role of the Christian Right in the US foreign policy decision making process. It reveals that the Christian Right has long been fascinated with some international issues in general and US foreign policy in particular. The interest of the movement in international issues increased markedly during the George W. Bush administration (2000–2009). During this period, the movement successfully widened its activism from domestic social conservative issues to foreign policy issues by participating in, articulating and lobbying for its religious version of American foreign policy. In assessing the role of the Christian Right in US foreign policy making, this dissertation examines aspects of US foreign policy, namely Israel, international religious freedom and global humanitarianism. Based on these three aspects, the Christian Right is seen as skilled in framing and defining issues. The Christian Right seems effective in selecting and prioritizing international issues that have a reasonable chance of being picked up on by foreign policy decision makers, especially in Congress. Moreover, the Christian Right has shown its maturity in seeking engagement and cooperation with other organizations, regardless of whether they are secular or religious, to advance its international goals. Finally, in pursuing and conveying its international agenda, the Christian Right has adopted a more moderate and mundane approach. Instead of using its traditional religious rhetoric, the Christian Right has successfully projected its foreign policy preferences into the conventional realist discourse of American foreign policy that was largely based on the objective of national interest and national security.

The Gospel of Climate Skepticism Robin Globus Veldman, 2019-10-22 Why are white evangelicals the most

skeptical major religious group in America regarding climate change? Previous scholarship has pointed to cognitive factors such as conservative politics, anti-science attitudes, aversion to big government, and theology. Drawing on qualitative fieldwork, *The Gospel of Climate Skepticism* reveals the extent to which climate skepticism and anti-environmentalism have in fact become embedded in the social world of many conservative evangelicals. Rejecting the common assumption that evangelicals' skepticism is simply a side effect of political or theological conservatism, the book further shows that between 2006 and 2015, leaders and pundits associated with the Christian Right widely promoted skepticism as the biblical position on climate change. *The Gospel of Climate Skepticism* offers a compelling portrait of how during a critical period of recent history, political and religious interests intersected to prevent evangelicals from offering a unified voice in support of legislative action to address climate change.

The BE Series Bundle: The Gospels Warren W.

Wiersbe, 2015-08-18 Experience internationally known Bible teacher Warren W. Wiersbe's commentaries on the Gospels, now available in one edition. This collection contains: *Be Loyal* (Matthew), *Be Diligent* (Mark), *Be Compassionate* (Luke 1–13), *Be Courageous* (Luke 14–24), *Be Alive* (John 1–12), and *Be Transformed* (John 13–21). *Be Loyal* (Matthew): Gain a better understanding of the King of Kings in this commentary and study of the gospel of Matthew. *Be Diligent* (Mark): The gospel of Mark shares the life, love, and ministry of Christ, who provides the ultimate example for those longing to actively serve others and God. *Be Compassionate* (Luke 1–13): The life of Christ was marked by His compassion for people. This study explores the heartbeat of our Savior, and inspires us to share His compassion with the world around us. Based on the Minor Prophets of the Bible, this dynamic study examines the amazing ways in which God works in the hearts and lives of His people. *Be Courageous* (Luke 14–24): It takes courage to walk out our faith. Based on the courageous life

of Christ, this study encourages us to trust God, stand for what we believe, and embrace fearless living. Be Alive (John 1-12): Grasp the significance behind Jesus' life and ministry in this commentary on the first half of the Gospel of John—and come to know the living Savior like never before. Be Transformed (John 13-21): Stand on the eternal promises of God and understand your role as a believer, both abiding in the Source and obeying Him as Lord, as beloved Bible teacher Dr. Warren Wiersbe leads you verse-by-verse through the second half of the Gospel of John.

PROSPERITY GOSPEL - and its effect on the 21st Century Church - A Historical and Theological perspective on the Prosperity Gospel DR. JEFFERY B. BOWENS, 2012-01-27

The Prosperity Gospel has been one of the most talked about discussions of the 21st century, particularly within the Christian Community. The battle line has been drawn by prominent theologians, influential scholars, pundits, and televangelists alike, who are on different sides of this debate and no one is conceding ground to anyone else. The narrow view simply places emphasis and focus on a more capitalistic view of prosperity, such as exquisite homes, fashionable wardrobes, excessive wealth, expensive cars, material and temporal possessions. Things which are tangible and are seen have come to symbolize for many prosperity and achieving the American dream. On the other hand the broader perspective of prosperity is associated with possessing good health, accomplishing ones goals, experiencing a changed life, having a healthy home life, seeing others become productive members of society, and maintaining a perpetual fellowship with the creator. Wherefore, this material will help the reader to be more distinct and precise in defining the different nuances of prosperity from a historical and theological perspective.

Face2Face: 21st Century Lessons from 21 Bible Heroes Simon Ward Mbe, 2019-10-03 A Study of 21 Old Testament lives

and what they mean to us today From the introduction: Millenia of history may separate us from characters we read about in the Bible, but it doesn't take a PhD in imagination to apply the principles and example of their lives to draw inspiration for our own daily journeys. FACE2FACE looks into 21 Old and New Testament lives. It was birthed through the ongoing grappling in my own life between what I see with my eyes and feel in my emotions, and what I understand in my head and believe with all my heart. The longer I have spent with these heroes, the more I have grown in admiration and love for them. There will be plenty to chew over, as we meet in that great and glorious day when we will see, face to face, our Maker, our Redeemer and our forebears in person. For the time being we must look and see them but partially, as in a mirror. About the Author: Simon Ward MBE is a worship leader at his home church in Surrey, the creator of PsalmSongs, and presents the Sunday morning show, Worship at Home with Premier Christian Radio. His first book, *Riding the Tide*, a collection of reflections on 15 Psalms, was published in 2013. In 2015, he published *In the Footsteps of the King*, a year in Luke's Gospel, and in 2016, *The Character of Fashion - If God was boss where I work, how might He run things?* Until 2016, Simon's day job was as Chief Operating Officer of the British Fashion Council, with responsibility for running London Fashion Week. Simon is married with two adult children, a growing collection of grandchildren and enjoys time with his family, walking the hills, gardening, and taking in tv detectives, films, theatre and music.

Progress and Developments of the Churches in the Samoan Islands: Early 21st Century Fuimaono Fini Aitaoto, 2021-05-25 If you're interested in Church-related events on the American Samoan islands during the early twenty-first century, then you need this book. Following up on his first book on the history of the Assemblies of God Church in American Samoa, author Fuimaono Fini Aitaoto delves deeper into church life on these South Pacific islands. Geared for Bible college students, pastors, and researchers, he answers questions such as: • What role has Christianity played in the lives of most Samoans? • What notable changes have recently occurred within American Samoa's churches? • What is the financial condition of various churches? • What role does politics play in church life? While there is ample literature on the history and developments of churches in American Samoa and the Pacific from the late 1800s to the 1980s, there are not nearly as many resources updating the world on new church developments. This book fills that void.

Jesus Son of God—Son of Man Jesus Is Our Pattern J. Harlow Holmes, 2019-05-10 This is a Commentary like no other today. It reveals the true nature of Jesus as He walked on the earth and fulfilled the very necessary role that was required because of Adam's fall. It fulfills the passage of I Corinthians 15:45—the last Adam. Jesus had to be like us in order to take our place. He was not God in flesh as preached today from most pulpits. He was the

manifestation of God, His Father. Manifestation is the KEY word. He was God manifested in the flesh. When the Apostles saw Jesus in action they saw God the Father, John 14:9-11. We can see God in Jesus. Another important message is that Jesus was our pattern. We, the Church, should be doing the things that He did today. He Said to the disciples: "As the Father sent Me, so send I you." John 20:21. Then He included us in His prayer in John 17:20-21. The Bible has been translated by those who believe in the doctrine of the Trinity. This came from Constantine and the first Nicene Creed in the 300s AD with the penalty of death involving over 200 Bishops if they did not sign it as he commanded. It seems that two were willing to die for the truth. All that was required to emphasize that Jesus was God just involved some prepositions and pronouns. However, the bulk of Jesus' confession indicates otherwise. The Prologue is the foundation of proof that Jesus was a human being just like you and me. The Lord told me that most everyone is a product of someone else's teaching today. However, when I was first filled with the Holy Spirit in my mid-twenties Jesus told me to let Him teach me. I have been faithful to that command for nearly 65 years. This commentary is the result of that command.

Saved by Song Don Cusic, 2012-09-25 *Saved by Song* returns to print with its sweeping overview of the history of gospel music. Powerful and incisive, the book traces contemporary Christianity and Christian music to the sixteenth century and the Protestant Reformation after examining music in the Bible and early church. In America, gospel music has been divided between white and black gospel. Within these divisions are further divisions: southern gospel, contemporary Christian music, spirituals, and hymns. Don Cusic has provided background and insight into the developments of all these rich facets of gospel music. From the psalms of the early Puritans through the hymns of Isaac Watts and the social activism of the Wesleys, to the camp meeting songs of the Kentucky Revival, the spirituals that came from the slave culture, and the hymns from the great revival after the Civil War, gospel

music advanced through the nineteenth century. The twentieth century brought the technologies of recordings and the electronic media to gospel music. *Saved by Song* is ultimately the definitive and complete history of a uniquely American art form. It is a must for anyone interested in the musical and spiritual life of a nation.

United States Foreign Policy and National Identity in the 21st Century Kenneth Christie,2009 Examines the complex relationship between United States foreign policy and American national identity as it has changed from the post-cold war period through the defining moment of 9/11 and into the 21st century. Starting with a discussion of notions of American identity in an historical sense, the contributors go on to examine the most central issues in US foreign policy and their impact on national identity including: the end of the Cold War, the rise of neo-conservatism, ideas of US Empire and the influence of the 'War on Terror'. The book sheds significant new light on the continuities and discontinuities in the relationship of US identity to foreign policy.
