The Dynamics of God's Calling and the Prophetic Ministry Ssemugoma Evangelist Francisco,2019-04-11 The greatest controversy in the Church today, is understanding the prophetic office. So many ignorant Christians, have fallen prey of false prophets who have done a great deal of draining their brains to an extent that they do the thinking for them. This is so because of so many Christians who need quick fix or micro wave things. Besides that, there are so many people called into the prophetic office or have the prophetic gift, but are very ignorant of the ways of God and thus they end up becoming false prophets even when they were genuine on the onset.This book is set to explain right from what a call is, how to receive a call from God, what a prophetic ministry is, how to operate in the prophetic ministry, the characteristics of false prophets and false doctrines, among others.

Ride the White Horse Eddie Donnally,2013-06 An electric jockey with a juice machine, Eddie Donnally rode on racing's undercard, lived inside its underbelly and became a part of its underworld. From constant bulimia, broken bones and betrayal of Boston's infamous Winter Hill Gang, he depicts an unseen side of Thoroughbred racing. The five tons of his sweat that disappeared down 'hot box' drains was nothing compared to his struggles with sibling sexual trauma, same-sex promiscuity and an addiction to crack cocaine that in seven months took him from newspaper writing and TV show hosting to 'rubbing horses' on the backstretch. Supernatural redemption came in a jail cell. After 17 years of Christian ministry, he is a hospice and hospital chaplain.--Back cover.

Moving in Glory Realms Joshua Mills,2018-09-04 A Blueprint for Revival! Many believers today yearn for an encounter with the supernatural. They hunger to experience the glory of God they've only read about in the Bible. Joshua Mills believes that all Christians are intended to live, move, and operate within what he calls glory realms. Now Joshua opens up God's glory by explaining the different realms, spheres, and dimensions of the kingdom. He systematically builds a faith framework in which the reader can begin to move into the glory of God with ease. Joshua breaks down our understanding of God's glory into three parts: first, moving in the Spirit, which is about understanding the different dynamics of faith, anointing, and God's glory; second, moving in the supernatural by recalibrating ourselves to heaven's frequency, working with angels, and accessing the highest power of God's glory so that the miraculous dimension begins to manifest; and third, moving in the heavenlies, dealing with spiritual travel and prophetic encounters, manifesting divine abundance, and living in heavenly revelation. Throughout, Joshua shares many unusual and extraordinary testimonies of God's glory working through uncommon signs and wonders, heavenly experiences, angelic appearances, and other manifestations of the miraculous, Through his dynamic teaching and powerful testimonies, Joshua will not only help you understand God's glory, he'll also guide you into experiencing and walking in the glory every day.

Supernatural - The Life of William Branham, Volume III Owen Jorgensen,2019-12-09 BOOK SIX: THE PROPHET AND HIS REVELATION (1960-1965)When the first two stages of William Branham's ministry had been well established, the question persisted: what was the third stage to be? Following the leading of God, William Branham set about in the final five years of his life to deliver a series of sermons that would carry the church into a deeper understanding of the mysteries of the scripture that have been hidden since time began. What do the mysterious symbols in the book of Revelation mean? What is the mystery of God spoken of in the New Testament? These are things that have been probed at, speculated on, and debated in the institutions of Christianity for two thousand years. But what happens when God Himself undertakes to reveal the answers? It has happened, and the wonderful story is here for you to read.

The Order of the Solar Temple Professor James R Lewis,2013-05-28 In October 1994, fifty-three members of the Order of the Solar Temple in Switzerland and Québec were murdered or committed suicide. This incident and two later group suicides in subsequent years played a pivotal role in inflaming the cult controversy in Europe, influencing the public to support harsher actions against non-traditional religions. Despite the importance of the Order of the Solar Temple, there are relatively few studies published in English. This book brings together the best scholarship on the Solar Temple including newly commissioned pieces from leading scholars, a selection of Solar Temple documents, and important previously published articles newly edited for inclusion within this book. This is the first book-length study of the Order of the Solar Temple to be published in English.

Sophia Caitlin Matthews,2013-09-20 Anyone interested in the feminine face of God throughout the ages will find Sophia an illuminating experience. Caitlin Matthews' scholarship connects us to past, present, and future in the very depths of our femininity. ----Marion Woodman, Jungian analyst and author of Bone: Dying into Life. Sophia, or wisdom in Greek, has been revered in many forms throughout history--from the Dark Goddess of ancient Anatolia; to her Egyptian, Greek, Celtic, and Cabalistic manifestations; to her current forms as Mary and the orthodox St. Sophia. In the Gnostic Gospel of Thomas, Sophia sits with God until the creation. Then she falls into matter and becomes manifest in every atom, permeating all things like the sparks that run through charcoal, as Matthews says. While God is out there, the Goddess is in here-- the mother-wit of practical inspiration and compassion at the heart's core. This definitive work comprehensively establishes a realistic Goddess theology for Westerners in the twenty-first century: grounding spirituality in daily life and the natural world; learning to work playfully and play seriously; ending the gender war to enjoy sacred marriage.

Bouncing Back After Dropping the Ball Carla L. Garrett,2015-02 Inspirational author, Carla L. Garrett, presents a personal hands-on companion to her critically acclaimed novel, Bouncing Back After Dropping the Ball, which has become a benchmark for those seeking guidance on how to forgive. This workbook teaches individuals to internalize 18 Life Lessons on the journey to forgiveness, and includes thought-provoking writing exercises designed to help those who have been betrayed to progress from a place of brokenness to liberating wholeness. As Garrett dives deeply into each lesson, she challenges unhealthy thinking-the kind that often leaves individuals feeling stuck in prisons of pain-and encourages readers to replace those beliefs with positive truths-truths aimed at facilitating personal growth and accelerating the healing process. In addition to instilling principles related to forgiveness, Bouncing Back After Dropping the Ball Workbook/Journal serves as an effective, personal, life-changing guide intended to inspire individuals to pursue their hopes, dreams, and desires.
