Jacked David Kushner,2012-04-03 Inside the making of a videogame that defined a generation: Grand Theft Auto Grand Theft Auto is one of the biggest and most controversial videogame franchises of all time. Since its first release in 1997, GTA has pioneered the use of everything from 3D graphics to the voices of top Hollywood actors and repeatedly transformed the world of gaming. Despite its incredible innovations in the \$75 billion game industry, it has also been a lightning rod of debate, spawning accusations of ethnic and sexual discrimination, glamorizing violence, and inciting real-life crimes. Jacked tells the turbulent and mostly unknown story of GTA's wildly ambitious creators, Rockstar Games, the invention and evolution of the franchise, and the cultural and political backlash it has provoked. Explains how British prep school brothers Sam and Dan Houser took their dream of fame, fortune, and the glamor of American pop culture and transformed it into a worldwide videogame blockbuster Written by David Kushner, author of Masters of Doom and a top journalist on gaming, and drawn from over ten years of interviews and research, including firsthand knowledge of Grand Theft Auto's creators and detractors Offers inside details on key episodes in the development of the series, including the financial turmoil of Rockstar games, the infamous Hot Coffee sex mini-game incident, and more Whether you love Grand Theft Auto or hate it, or just want to understand the defining entertainment product of a generation, you'll want to read Jacked and get the real story behind this boundary-pushing game.

Twelve Years a Slave Solomon Northup,2024-01-04 Filmatized in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Northup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US, on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.

Love Never Dies Jamie Turndorf, Dr.,2014-08-26 Love Never Dies is guaranteed to give immense hope to those grieving the perceived loss of a loved one. Dr. Jamie Turndorf . . . provides stunning evidence of the continuity of love and life, along with the tools to help anyone connect with those in the unseen world. — Suzanne Giesemann, author of Messages of Hope Famed relationship therapist, author, and media personality Dr. Jamie Turndorf—known worldwide as Dr. Love—shares the amazing true story of her spiritual reconnection with her beloved deceased husband, internationally renowned former Jesuit priest Emile Jean Pin. Discovering for herself that relationships don't end in death, Jamie recounts her remarkable experience where, through the depths of her grief after Jean's sudden passing, her husband made his continued presence—and undying love—known. Drawing on these personal encounters, Jamie has created a groundbreaking new form of grief therapy that combines her acclaimed conflict-resolution techniques with after-death communication. The result: an unprecedented method that enables the bereaved to reconnect, resolve unfinished business, and make peace with the deceased. Filled with dozens of examples of spirit contact and communication, this book eliminates any doubt about life after death and shows that contact is ongoing. Loved ones in spirit don't just linger briefly before going to heaven and disappearing from your life. Rather, heaven is a state, not a place, and your loved ones have eternity to support you and heal any issues left behind when they passed on. Come to recognize the numerous signs from spirit that you may have been missing. Learn to trust yourself and the process that's right for you—not a shortened, artificial grief period prescribed by conventional doctors. Practice techniques for heightening your senses, expanding your awareness, and entering an open state, culminating in Jamie's method for Dialoguing with the Departed. When connection and love live on, fear is banished and relationships can grow and heal as never before. Begin opening your mind and your heart today!

Warhol-isms Andy Warhol,2022-05-10 A unique collection of brilliant quotations from the legendary Pop artist One of the most influential artists of his time and ours, Andy Warhol is nearly as renowned for what he said as for what he did. Indeed, he is so quotable that things he never said are endlessly and plausibly attributed to him, including, fittingly, the most celebrated fake Warhol saying—"In the future, everyone will be world-famous for 15 minutes." Warhol-isms separates legend from fact to present a unique and comprehensive collection of authentic quotations from the Pop artist. Gathered from interviews and other primary sources, these deadpan, droll, ironic, and sincere gems—in which a superficial embrace of superficiality often disguises provocative, unconventional ideas—provide compelling insights into the life and work of an artist who has left an indelible mark on art and popular culture. Select quotations from the book: I think an artist is anybody who does something well.I went to [a psychiatrist] once, and he never called me back.They always say that time changes things, but you actually have to change them yourself.I've never met a person I couldn't call a beauty.New things are always better than old things.I'm still a commercial artist. I was always a commercial artist.
