Rainmaker Hughes Norton, George Peper, 2024-03-26
A rollicking tell-all from golf super-agent, Hughes Norton, detailing everything from his life-changing work with Tiger Woods and Greg Norman to his thoughts on golf's current money-grab era. The ultimate read for fans of Alan Shipnuck, Bob Harig, and Michael Bamberger. When twenty-one-year-old Tiger Woods stunned the world by winning The Masters by a mind-blowing twelve strokes, the first thing he did was embrace the three most important people in his life: his father, his mother, and Hughes Norton. At the peak of his career, agent Norton earned a million-dollar salary, flew to all corners of the world in first class, and enjoyed a lifestyle nearly as lavish as his A-list clients. That dizzying success, however, came at a high price. The seventy-hour work weeks, constant travel, and intense pressure—both from his players and their corporate partners—took Norton away from his family and ultimately led to divorce. At the same time, in an effort to protect his players and his career, he found himself making ethical and moral choices he would later regret. Soon, he realized he had made as many enemies as friends. Now, in *Rainmaker*, Norton draws back the curtain on his meteoric rise and abrupt fall. With never-before-told stories and exclusive insights, he discusses what it was like being Tiger's first agent, his time representing the narcissistic Greg Norman, and shining a bright light on his sudden—and

controversial—ouster as the head of IMG's Golf Division—a juggernaut he helped build. This is an engaging and unforgettable memoir that explores golf as never before.

The Rainmaker John Grisham, 2010-03-16 #1 NEW YORK TIMES BEST SELLER • Grisham returns to the courtroom and weaves a riveting tale of legal intrigue and corporate greed. It's summer in Memphis. The sweat is sticking to Rudy Baylor's shirt and creditors are nipping at his heels. Once he had aspirations of breezing through law school and punching his ticket to the good life. Now he doesn't have a job or a prayer ... except for one:

an insurance dispute that leaves a family devastated and opens the door for a lawsuit, if Rudy can find a way to file it. By the time Rudy gets to court, a heavyweight corporate defense team is there to meet him. And suddenly he's in over his head, plunged into a nightmare of lies and legal maneuverings. A case that started small is exploding into a thunderous million-dollar war of nerves, skill and outright violence--a fight that could cost one young lawyer his life, or turn him into the biggest rainmaker in the land.... Don't miss John Grisham's new book, **THE EXCHANGE: AFTER THE FIRM!**

Exit the Rainmaker Jonathan Coleman, 1999-06-01

The Rainmaker Jacques Magliolo, 2019-06-03 This book will help you find faults and then solutions to establish a solid foundation for your company and, when required, quickly fix, coordinate recovery, raise finance, and advise you on how you can run a profitable business. Global statistics proclaim that 80 percent of new businesses fail within the first 18 months—shocking and true, but preventable. Many entrepreneurs use the poor excuse of undercapitalization, but recently over \$1 trillion was invested in new projects. There are more simple and basic reasons for failure. The Rainmaker is thus called on to assist entrepreneurs to succeed past that financial ruin barrier of 18 months by helping them to properly structure and run a company that meets ultimate best practice solutions and systems—which are realistic and competitively better than peers. This book looks at how The Rainmaker is able to bring sunshine to desperate companies, by finding

faults and then matching solutions to establish a solid foundation for your company and, when required, quickly fix, coordinate recovery, raise finance, and advise you on how you can run a profitable business. The Rainmaker is a combination of troubleshooter, advisor, mentor, and financier.

Reinholder to Rainmaker Karen Delchamps, 2014 You have a destiny and it is huge! Every person in your life, past experience, place that you have stepped and thought that you've encompassed has lead you to today. There is a quintessential moment in your life when you must decide if you are to unlock that huge destiny, or simply continue to live in the status quo. For the first time since the origins of Christianity, experience The Bible in a new way; as a seeker with an open mind and nonjudgmental heart. Set aside the notion that you have to become a religious freak, a bible thumper or a Christian nut. This is a spiritual journey that doesn't require conversation regarding Jesus at the water cooler. This is personal and comfortable. Don't wait another day. Today is the day that life becomes simple with a quiet beauty obtained only from having everything that was intended just for you.
