*Rain, Snow, and Hell* Vin Crosby, 2019-01-02 Meteorologist Vin Crosby's thirty year career was with a national telecommunications company ETC, The Weather Channel, Fox, NBC, CBS, and ABC. It was successful and currently he produces a You Tube Channel called The Weather Show with Vin Crosby. The journey was difficult and chaotic as many of the storms he covered leaving him with a feeling of emptiness and loss of hope. That changed when he cried for help and found relief through his faith. He discovered many weather references through the Bible so being a fun weather geek with a desire to encourage others, this book was born! A book like this has never been written tying meteorology, the Bible, and self-help together. You'll find the exclusive recreated weather maps for Paul's shipwreck in Malta based off the winds mentioned in scripture. There are also shares about deep personal struggles and suggestions of hope for anyone dealing with a challenge. And a top thirty list of biblical forecasters!. This book is great for you and old from experienced pastors, to spiritualists, to hardcore atheists. If you like the Bible and weather wrapped in stories and scenery from New England, to the Southeast, and across the Rockies into the West then you'll love reading this book.

### **How to Escape from Jehovah's Witnesses** Lloyd

Evans,2018-04-25 Jehovah's Witnesses number into the millions globally and are well known for their public evangelism about God's kingdom. But beneath the facade of brotherly love and organizational unity lies a captive organization in which doubts are stifled and dissent is ruthlessly crushed. Once a Witness stops believing, they face being ostracized as a loathed mentally diseased apostate. They must navigate a labyrinth of obstacles and dilemmas due to the organization's cruel policy of shunning former members. Lloyd Evans is a well known ex-Witness writer and activist, and in his second book he draws on his firsthand, insider knowledge as a former elder to guide would-be escapees through the minefield that awaits them. How should elders be dealt with? What resources are available for objective research? What should someone do if they are threatened with judicial action? What about coming clean to family members? How does someone go about rebuilding their social circle? What precautions should be taken to maintain privacy when browsing apostate material online? All these questions and more are answered in *How to Escape From Jehovah's Witnesses*, described by Paul Grundy of JWfacts.com as an invaluable tool in helping [former Witnesses] move on as efficiently and painlessly as possible.

Faith's Checkbook (Sea Harp Timeless series) Charles H. Spurgeon,2022-09-20 Throughout Scripture, God promises the impossible to those who believe. For many Christians, the promises of God have lost their power. Deemed as irrelevant or simply misunderstood, God's promises—of triumph, abundance, redemption, and countless blessings—are often ignored, forgotten, and seemingly unfulfilled. However, for Charles H. Spurgeon, God's promises were timeless. In fact, they seemed to grow in power and hope over the course of his life. In Faith's Checkbook, Spurgeon shares his personal experience testing and proving Scripture's promises and his ongoing discovery of a relentlessly good, kind and faithful God. He urges believers to treat God's promises as they would a check—to receive them, endorse them and actively cash them in. Charles Spurgeon (1834-1892), renowned 19th century Baptist preacher, is best known for his 1866 publication Morning and Evening. Over 20 years later, Spurgeon wrote Faith's Checkbook, a yearlong devotional that inspires believers to see and experience God's goodness. Written near the end of his life, in the depths of a season marked by incredible loneliness, spiritual

controversies and health complications, Faith's Checkbook is full of honest, heartfelt and mature hope. Spurgeon's breathtaking sincerity and provoking thoughts will encourage believers to: Study and engage God's promises throughout Scripture Expect these promises to be fulfilled in their daily life Participate by receiving God's promises and praying for their fulfillment Glimpse God's boundless goodness and faithfulness Discover a renewed, child-like trust in Him In Faith's Checkbook, the reader will encounter God's outstretched hand—through promises of provision, wisdom, fruitfulness, presence and much more—and be invited to respond with hopeful anticipation.

**The Reluctant Apostate** Lloyd Evans,2017-01-20 Jehovah's Witnesses, well known for their enthusiastic evangelism, are a global religious movement boasting over 8 million members. Despite being a familiar sight on doorsteps and street corners, little is known about their doctrines and practices. What are their expectations regarding Armageddon, and who do they believe will survive? How do they justify their ban on blood transfusions? What happens to members who decide to leave? In this remarkably candid part-memoir, part-history guide, former Witness Lloyd Evans comprehensively explores the religion of his upbringing, charting the organization's metamorphosis from unassuming 19th Century brethren to global brand in the modern age. The Witness rules on sex are dissected, as are their far-reaching ramifications on the private lives of millions of devotees. Evans also delves into the controversies surrounding child abuse and the prohibition on blood transfusions with the aid of first hand accounts from those

who have been personally impacted. Intertwined with the historical narrative and commentary is the story of the author's journey from devout Witness youth to outspoken ex-Witness activist and atheist. Evans lays bare the circumstances leading to his awakening with startling honesty and reveals how the heartbreaking loss of his mother played a profound role in keeping long-held doubts suppressed. In the final chapters, the author discusses the various means by which Witnesses are controlled by their leadership. Evans analyzes the role of shunning (disfellowshipping) and the stigmatization of apostates in enforcing loyalty among Witnesses, and reflects on the indifference of society in general to human rights violations by high-control groups. The phenomenon of fundamentalist brainwashing, or undue influence, is also scrutinized, and those in search of a new life free from its pervasive effects are given reasons for hope. Rather than being a sensationalist rant by an embittered ex-member, *The Reluctant Apostate* offers a relaxed, good-humored tour of Witness history and teachings supported by extensive references (to be found in the Notes section). Though written predominantly with the non-Witness reader in mind, special boxes are also provided for Jehovah's Witness readers.

Reviews Both memoir and reference book, Lloyd Evans' work is an extensive compilation of Jehovah's Witness history and theology. In his honest and exhaustively researched expose, Evans has written what is sure to be the most important book on the religion in this century. *The Reluctant Apostate* is a must-read for Jehovah's Witnesses and anyone else who has been touched by the faith. -Scott Terry, author of *Cowboys, Armageddon* and *the Truth Insight* only an 'insider' can bring to a subject difficult to understand for those who have never been part of this world, and unthinkable to contemplate for those inside its bubble. Lloyd does a magnificent job of speaking to both audiences and everyone in between. Compassion for the plight of those still held captive bleeds through every page. -Mike Rinder, former senior executive

of the Church of Scientology, as featured on the A&E series Leah Remini: Scientology and the Aftermath A compelling and informative window on the world of the Jehovah's Witnesses that will be a vital and life changing resource for former members and many others too in forming an authentic understanding of this group, its beliefs, methods and effects on individuals and families. -Professor Rod Dubrow-Marshall, Ph.D. Co-Editor International Journal of Cultic Studies and co-founder RETIRN UK Dr. Linda Dubrow-Marshall, Ph.D. Co-founder RETIRN UK
