Rain Rose

A Drop of Rain Heather Smith Callahan,2018-05-31 On a rainy April evening in 1993, a serial killer responding to a Craigslist ad for Heather Callahan's used car attacked her on the street in front of her Denver home and left her for dead. Heather didn't die. She refused to, thinking, as her blood pooled in the rain-soaked street: This is wrong. I am not going to die, not now, not this way. Heather not only survived in the aftermath of this terrible attack, she thrived, her indomitable spirit a testament to her physical, emotional, and psychological recovery. She came to understand this unexpected and powerful blossoming as Post Traumatic Growth. A Drop of Rain, her extraordinaire memoir, demonstrates in no uncertain terms that life doesn't stop when you become a victim. Indeed, she is living proof that the most horrific traumas we face may also, in the long run, be the most significant turning points in our lives.

Rain Drops Rain Rose,2020-11-25 Rain's greatest ambition is to help others heal, Rain Drops is a small measure of her life. A poetic exposé of her childhood fight for survival and the aftermath leading up to her testimony of strength, courage, hope, and healing. Rain Drops is the author's message to those who have struggled as she did to always remember darkness won't last forever because there's a rainbow waiting behind every cloud.

Rain Drop Splash Alvin Tresselt,1990-05-23 Drip drop splash went the rain all day. The rain formed a puddle. . .and became a pond. . .and spilled over into a lake. . .and grew larger and larger until it joined with a river and travelled out to sea. With this classic picture book, young readers can follow the course of a heavy rain as it drenches people and animals and changes the landscape below. With its poetic text and lovely, detailed illustrations, Rain Drop Splash is a delight to read, rain or shine.

Rainy Days Elisabeth D'Aubuisson,2006-12-15 Explains what rain is, how it forms, how it is measured, and why it is important.

Drops of Rain Allen L. Scarbrough,2004-11-01 Drops Of Rain is a book of two line sayings on a variety of subjects.

The Ten Drops of Rain Michelle Beliouz,2020-02-16 The book has got nothing to do with rain. Rain is being used as a metaphor to bring out ten different stories occurred in different cities. A benevolent veterinarian in England spends all his life treating and saving animals, would the animals show their gratitude to him if one day he becomes vulnerable and needs help ? In Paris, a woman prays God to give her a chance to return to the five worst day of her past life, where she has the most ferocious fight with her mother, but would she grant her wish? And how is she going to rectify her mistakes? In Tokyo, a new born baby finds out she is able to remember everything in her previous life, what will she do with this power? The civil war and unrest in the 90s, prompts people in Algeria to find a way to protect their loved ones, at whatever cost, even if it's the end of the entire family. In Quebec city, a little girl is given a puppy, whose descendent would bring a lifetime of joy to her, amidst prosperity or adversity. Two boys in the Russian classical orchestra world are closer than brothers, but fate plays a trick on them, in the end, although they are physically apart, in their hearts, they are always together within each other. An Australian man is bothered by a voice in his head almost all his life, resulting in a few killings, yet the meeting of a Chinese man is about to give him the hope to get rid of that evil voice. There are other stories from China, Italy and Kenya too.

Raindrop, Plop! Wendy Cheyette Lewison,2009 A young girl and her dog find many things to count on a rainy day, both as they play outside and after they come home to a warm, dry house.
