Complete Relaxation Dvd Glenn Harrold, 2006-04-01
On the DVD Glenn Harrold will guide you into a deeply relaxed state of mental and physical relaxation. In this very receptive relaxed state you are given a number of post hypnotic and direct suggestions to help you overcome stress and cope the pressures of modern day life. The absorbing hypnotic visual imagery combined with the powerful hypnosis audio track create a dynamic state for integrating suggestions and feeling relaxed easily. There are also a number of background echoed affirmations, which pan from left to right across the stereo range. These deeply soothing and potent methods of delivering multiple suggestions simultaneously to the unconscious mind can facilitate positive changes very quickly. The subliminal messages (printed on the back cover) that flash up on the screen every now and again are on screen for 1/25th of a second. You do not need to consciously read them as these phrases bypass your conscious awareness and are absorbed and accepted unconditionally by your unconscious mind. This DVD will guide you into a hypnotic trance state and then bring you back to full waking consciousness at the end. It is important

to watch and listen to the session in its entirety. You need to create a time and space where you can watch the full 40-minute hypnotherapy session from start to finish. This unique hypnotherapy DVD gives you a compelling and effective way to take complete control of your stress levels and remain much more relaxed in your every day life.

Twelve Years a Slave Solomon Northup, 2024-01-04
Filmatized in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Nortup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US, on behalf of the

abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.
