Rapunzel Jacob and Wilhelm Grimm,2017-01-19 The much-loved Grimm's fairy tale that inspired Tangled, going back to its roots

Tangled Disney Book Group,2016-01-05 Rapunzel has spent her life locked in a tower, but that's not her only secret. Her long, golden hair has magical powers--all 70 feet of it! When the kingdom's most-wanted bandit unexpectedly stumbles into Rapunzel's tower, the pair embark on a fantastic journey that will uncover more than they ever expected. This storybook includes beautiful, full color art in the style of the beloved film, Tangled.

Rapunzel and the Lost Lagoon: A Tangled Novel Leila Howland,2017-09-05 Rapunzel is not your typical princess. For one thing, she has returned to her kingdom after eighteen years spent trapped in a tower and she's still getting to know her parents. For another, she has to get used to royal customs, like the proper ways to sit and curtsy, when she'd really rather climb a tree and paint. Plus, she hates wearing shoes. Cassandra is not your typical lady-in-waiting. As the daughter of the captain of the guard, she has grown up fascinated by security and weaponry. It has been her life's goal to become a soldier in the guard, and princess-sitting doesn't really fit into her plan—especially when that princess's aggravating boyfriend is always hanging around. But when Rapunzel and Cassandra stumble upon a secret lagoon said to hold the key to the kingdom's greatest power, it will be up to them to solve the mystery... before someone more sinister does. Follow this tale of adventure and intrigue, love and destiny, and, most important, friendship.

Rapunzel Ceony Fortuna Blaze,2021-09-14 A retelling of the Grimm Brother's Rapunzel, exploring the moral of the true story while looking closer into the environment Rapunzel experienced, her relationship with her forcefully adoptive mother, and what the romantic yet shallow prince left her with.

Free A Fairy Tale Retelling of Rapunzel Kristina J Jordan,2021-06-12 A troubled young Firestarter faces her troublemaker grandmother. Avella's cold, distant mother does not appreciate her gift of fire, and her spiteful sister is desperate to drive the wedge between Avella and her family even deeper, but to Avella's relief, everything changes when Avella's grandmother appears. At first, Avella is delighted her firestarting is considered a gift rather than a curse, until she discovers her grandmother's plans to use Avella's gift in her insatiable quest for revenge. Locked in a tower with no prospect of escape, Avella is forced to depend on the kindness of a handsome stranger for salvation, but when things take a turn for the worse, she knows her only hope of survival is to dig deep and find the strength to control the fire within and the courage to face her evil grandmother.

Falling for Rapunzel Leah Wilcox,2006-01 A prince tries to get Rapunzel to throw down her hair so he can rescue her, but she mishears him and throws down random objects from her room instead. This retelling of the classic fairy tale demonstrates how misunderstandings can lead to things working out 'happily ever after'.

Hidden Kaylin Lee,2017-09-21 Young assassin Rapunzel is the most powerful absorbent mage alive, so strong she can drain the life of a grown man with a single brush of her finger. But the power means little when her every move is controlled by her mistress. For twelve long years, Rapunzel has known nothing beyond a nightmarish life of captivity, murder, and failed escape attempts. She spends her days locked away in a tower, dreaming of a different life, and her nights in the city, forced to use her terrible power for her mistress's political ambitions. Rapunzel knows she's a monster. She shouldn't exist. She doesn't deserve to exist. But her desperate hope for freedom just won't go away. Then a mysterious foreigner climbs into her tower seeking refuge. He should be terrified of Rapunzel, but he wants to help set her free. What kind of madman would ever want to help someone like Rapunzel? And who is Rapunzel, really? A woman, or a killer? -- Hidden: Rapunzel's Story is the second book in the Destined series, a series of overlapping fairy tale retellings all set in the same magical world. Each story is self-contained, with its own protagonist and satisfying happily-ever-after, but they also tell an over-arching story.

Rapunzel and the Prince of Pop Karyn Gorman,2018-01-18 Read Along or Enhanced eBook: In this classic fairy tale, retold with a twist, the Prince of Pop is driving through the forest when he hears a stunning voice singing. It's Rapunzel! The only problem is she is locked in a tower by a witch. Can he free her and make Rapunzel into his next big pop star?

Gender Stereotypes in "Rapunzel" Gabriella Aguilar,2013-04-03 Essay from the year 2013 in the subject Literature - Comparative Literature, Boston University, course: Fairy Tales and Literature, language: English, abstract: In classic fairy tales, the main character is, more often than not, a female figure. She is usually innocent, sweet, and beautiful, and the tale revolves around her. Beneath this surface, however, one can see many different depictions of female figures in fairy tales. Fairy tales evolve over time through different versions told by different authors, and Rapunzel is no exception. One of the very first renditions of the tale appeared as a short story by the Italian writer Giambattista Basile, published in 1637. However, the story did not gain popularity until after 1857, the year it was published by The Brothers Grimm. This later version differed from its predecessor because of its depiction of females as weak and helpless, reflecting society's concrete view of gender roles at the time in which it was written. The story essentially evolved from Basile's neutral standpoint to a misogynistic tale that is the most common version of Rapunzel today. The Grimms' version of Rapunzel was also the first to be targeted to children. Therefore, their rendition continued to gain popularity as it was passed from one generation's children to the next, which contributed to how it became the most well-known version of the story. Attempts at eliminating the gender bias present in the Grimms' version and restoring the original tale through modern retellings of the story have been made, and one of these attempts is the Disney film Tangled. However, these efforts ultimately fail since society is most comfortable with the version they know so well, which includes the use of heroic male characters and weak females. In the version of Rapunzel by The Brothers Grimm, the reader is ultimately taught that women are nothing without men. This is not an accurate or appropriate representation of females, but this version's success suggests that it is a concept that society continues to support today.
