

Ravel

Peter Kaminsky

Ravel Roger Nichols, 2011-01-01 This new biography of Maurice Ravel (1875–1937), by one of the leading scholars of nineteenth- and twentieth-century French music, is based on a wealth of written and oral evidence, some newly translated and some derived from interviews with the composer's friends and associates. As well as describing the circumstances in which Ravel composed, the book explores new evidence to present radical views of the composer's background and upbringing, his notorious failure in the Prix de Rome, his incisive and often combative character, his sexual preferences, and his long final illness. It also contains the most detailed account so far published of his hugely successful American tour of 1928. The world of Maurice Ravel—including friendships (and some fallings-out) with Debussy, Fauré, Diaghilev, Gershwin, and Toscanini—is deftly uncovered in this sensitive portrait.

Piano Masterpieces of Maurice Ravel Maurice Ravel, 2013-06-10 Handsome, affordable treasury features Pavane pour une infante défunte, Jeux d'eau, Sonatine, Miroirs, Menuet antique, Gaspard de la nuit, more. Influential works belong in the repertoire of every serious pianist.

A Ravel Reader Maurice Ravel, Arbie Orenstein, 2003-01-01 This outstanding compilation of articles by Ravel (who was a brilliant critic) features reviews, interviews, and some 350 letters from Cocteau, Colette, de Falla, Richard Strauss, Stravinsky, and other major figures of the time.

Ravel Arbie Orenstein, 1991-01-01 The standard Ravel biography by the world's foremost authority — brilliantly detailed and documented, filled with quotations from letters, interviews with the composer's friends, an illuminating analysis of each of his works, a study of his musical esthetics and language, a complete catalog of his works, and a discography. Highly recommended — Choice. Includes 48 illustrations.

Ravel Jean Echenoz, 2011-05-10 “A tiny miracle of a biographical novel” inspired by the life of the brilliant French composer (Booklist). Shortlisted for the International IMPAC Dublin Literary Award This beguiling and original evocation of the last ten years in the life of a musical genius opens in 1927 as Maurice Ravel—dandy, eccentric, curmudgeon—crosses the Atlantic aboard the luxury liner the SS France to begin his triumphant grand tour of the United States. With flashes of sly, quirky humor, this novel captures the folly of the era as well as its genius, and the personal and professional life of the sartorially and socially splendid Ravel over the course of a decade. From a winner of the prestigious Prix Goncourt, Ravel is a touching literary portrait of a dignified and lonely man going reluctantly into the night. “A beautifully musical little novel.” —The New York Times Book Review “The most distinctive voice of his generation.” —The Washington Post

Maurice Ravel Stephen Zank, 2013-05-24 This is the first guide to research on the great composer, Maurice Ravel. It includes over 2000 annotated entries of the scholarly literature on Ravel, including catalogues, facsimiles of autographs, music editions, textual criticism, bibliographies, monographs, articles, and dissertations covering his life and music.

Ravel the Decadent Michael J. Puri, 2012-01-23 The music of Maurice Ravel (1875-1937), beloved by musicians and audiences since its debut, has been a difficult topic for scholars. The traditional stylistic categories of impressionism, symbolism, and neoclassicism, while relevant, have offered too little purchase on this fascinating but enigmatic work. In *Ravel the Decadent*, author Michael Puri provides an innovative and productive solution by locating the aesthetic origins of this music in the French Decadence and demonstrating the extension of this influence across the length of his oeuvre. From an array of Decadent topics Puri selects three--memory, sublimation, and desire--and uses them to delineate the content of this music, pinpoint its overlap with contemporary cultural discourse, and link it to its biographical context, as well as to create new methods altogether for the analysis and interpretation of music. *Ravel the Decadent*

opens by defining the main concepts, giving particular attention to memory and decadence. It then stakes out contrasting modes of memory in this music: a nostalgic mode that views the past as forever lost, and a more optimistic one that imagines its resurrection and reanimation. Acknowledging Ravel's lifelong identity as a dandy--a figure that embodies the Decadence and its aspiration toward the sublime--Puri identifies possible moments of musical self-portraiture before stepping back to theorize dandyism in European musical modernism at large. He then addresses the dialectic between desire and its sublimation in the pairing of two genres--the bacchanal and the idyl--and leverages the central trio of concepts to offer provocative readings of Ravel's two waltz sets, the *Valses nobles et sentimentales* and *La valse*. Puri concludes by invoking the same terms to identify a topic of faun music that promises to create new common ground between Ravel and Debussy. Rife with close readings that will satisfy the musicologist, *Ravel the Decadent* also suits a more general reader through its broadly humanistic key concepts, immersion in contemporary art and literature, and clarity of language.

Maurice Ravel Benjamin Ivry, 2000 *Maurice Ravel: A Life* is the first convincing attempt to paint a portrait of the life and work of the hitherto enigmatic composer of *Bolero*, *Piano Concerto for the Left Hand*, and *L'enfant Et Les Sortilèges*. Ivry offers here a convincing solution to the much-discussed mystery of Ravel's sexuality. More than simply outing Ravel as a gay man for the first time among numerous writers on this composer, this book discusses how his secretive sexuality impacted his work. Using unpublished documents, letters, articles and memoirs, many of which were previously unknown even to Arbie Orenstein, universally considered the world's leading scholar of Ravel studies, Ivry presents a more rounded view of Ravel, man and musician. Descriptions of musical works are in non-technical language, friendly to the reader with no specialized knowledge of classical music. Like Ivry's widely acclaimed biography of Poulenc, universally seen as the standard life of this composer in any language, his new *Ravel* is likely to become a classic of contemporary musical biography.

Maurice Ravel Roland-Manuel, 1972

The Operas of Maurice Ravel Emily Kilpatrick, 2015-10-29 *Maurice Ravel's operas L'Heure espagnole* (1907/1911) and *L'Enfant et les sortilèges* (1919–25) are pivotal works in the composer's relatively small œuvre. Emerging from periods shaped by very distinct musical concerns and historical circumstances, these two vastly different works nevertheless share qualities that reveal the heart of Ravel's compositional aesthetic. In this comprehensive study, Emily Kilpatrick unites musical, literary, biographical and cultural perspectives to shed new light on Ravel's operas. In documenting the operas' history, setting them within the cultural canvas of their creation and pursuing diverse strands of analytical and thematic exploration, Kilpatrick reveals crucial aspects of the composer's working life: his approach to creative collaboration, his responsiveness to cultural, aesthetic and musical debate, and the centrality of language and literature in his compositional practice. The first study of its kind, this book is an invaluable resource for students, specialists, opera-goers and devotees of French music.

Valses nobles et sentimentales Maurice Ravel, Maurice Hinson, Composed by Maurice Ravel in 1911, this set of eight waltzes was inspired conceptually by 19th century waltzes by Franz Schubert and Johann Strauss. The work beautifully reflects Ravel's daring early 20th-century style. Its subtle harmonies caused Debussy to comment, It is the product of the finest ear that ever existed. This teaching/performance-oriented edition by Maurice Hinson includes suggested fingerings, performance advice, and discussions about tempo, pedaling and dynamics.

Ravel Norman Demuth, 1947

Unmasking Ravel Peter Kaminsky, 2011 Collection of critical and analytical scholarly essays on the

music of Ravel by prominent scholars. *Unmasking Ravel: New Perspectives on the Music* fills a unique place in Ravel studies by combining critical interpretation and analytical focus. From the premiere of his works up to the present, Ravel has been associated with masks and the related notions of artifice and imposture. This has led scholars to perceive a lack of depth in his music and, consequently, to discourage investigation of his musical language. This volume balances and interweaves these modes of inquiry. Part 1, *Orientations and Influences*, illuminates the sometimes contradictory aesthetic, biographical, and literary strands comprising Ravel's artistry and our understanding of it. Part 2, *Analytical Case Studies*, engages representative works from Ravel's major genres using a variety of methodologies, focusing on structural process and his complex relation to stylistic convention. Part 3, *Interdisciplinary Studies*, integrates musical analysis and art criticism, semiotics, and psychoanalysis in creating novel methodologies. Contributors include prominent scholars of Ravel's and fin-de-siècle music: Elliott Antokoletz, Gurminder Bhogal, Sigrun B. Heinzlmann, Volker Helbing, Steven Huebner, Peter Kaminsky, Barbara Kelly, David Korevaar, Daphne Leong, Michael Puri, and Lauri Suurpää. Peter Kaminsky is Professor of Music at the University of Connecticut, Storrs.

Piano Masterpieces Maurice Ravel, 1986-01-01 Handsome, affordable treasury features *Pavane pour une infante défunte*, *Jeux d'eau*, *Sonatine*, *Miroirs*, *Menuet antique*, *Gaspard de la nuit*, more. Influential works belong in the repertoire of every serious pianist.

Bolero - The Life of Maurice Ravel Madeleine Goss, 2013-01-04 A charming biography of Maurice Ravel, showing the relationships and events that shaped the music of France's most successful composer. Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

Valses Nobles Et Sentimentales by Maurice Ravel for Solo Piano (1911) M.61 Maurice Ravel, 2013-01-11 This wonderful work *Valses nobles et sentimentales* by Maurice Ravel contains a score for the solo piano. It is a fine example of the composer's work and a fantastic addition to any classical musician's repertoire. Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

Ravel Jean Echenoz, 2007-06-01 Los últimos años de la vida de Maurice Ravel transcurren entre 1927 y 1937. Con una escritura a caballo entre el jazz y la narrativa cinematográfica, Jean Echenoz despliega un retrato ficticio del compositor sembrado de verdades biográficas: son reales la epopeya en Verdún al volante de un camión militar durante la cual transcribe el canto de los pájaros, las sesenta camisas y los veinticinco pijamas de la gira americana, los encuentros con Douglas Fairbanks, Charles Chaplin o George Gershwin, o la casa de Montfort-L'Amaury donde vivirá hasta su muerte. Pero lo esencial no está en la vida del hombre sino en la ironía con que es narrada esa vida. Y el real, el verdadero Maurice Ravel, ese personaje público, a la vez que extremadamente misterioso, acaba siendo uno de los más espléndidos personajes del imaginario de Jean Echenoz, uno de los mejores novelistas europeos.

The Cambridge Companion to Ravel Deborah Mawer, 2000-08-24 A comprehensive introduction to the life, music and compositional aesthetic of Maurice Ravel.

Irony and Sound Stephen Zank, 2009 An insightful and exquisitely written reconsideration of Ravel's modernity, his teaching, and his place in twentieth-century music and culture.

Maurice Ravel Victor Seroff, 1953 This biography of Maurice Ravel is the result of several years' penetrating research, not only on the influences and meanings of Ravel's particular genius, but on the

carefully guarded personal life of the great French musician. It is the only study of the modern French master available in English. Although born in the Basque village of Ciboure near the border of Spain, Ravel was raised in the Montmartre district of Paris and became the epitome of the sophisticated, elegant Parisian. He was a fastidious and sartorially resplendent little man (he was but five feet tall) who, aside from his music, delighted in children, in Parisian night life, and in travels to Spain, Africa, England, and the United States. But Ravel the composer studied and worked and developed as though oblivious of the ferment his 'division of the laws of harmony' caused. A mild man, he nevertheless perpetrated violent reactions and caused three famous affaires Ravel. The first was his unfair exclusion from the Prix de Rome contest. The second, the celebrated newspaper controversy of Ravel and Debussy, is available here in book form for the first time. Ravel's third affaire was his sensational refusal of the Légion d'Honneur. Ravel's undeniable gifts as a musical innovator were inspired by his teachers, Fauré and Satie, and developed during one of the most artistically productive and revolutionary periods of the twentieth century. Compared to many composers, Ravel's musical output was small. He was an extremely careful and painstaking worker, but his working habits did not curb his own inventiveness nor affect his infinite versatility. A list of Ravel's compositions is both distinguished and varied, ranging from small pieces for the piano (Pavane pour une Infante défunte, the three pieces that comprise the Gaspard de la Nuit) to piano concertos (one of the two being the miraculous Concerto for the Left Hand Alone); art songs (in the Spanish, Hebraic, Greek, Russian, Italian, Scottish, and Madagascan manners); music for the theater (Daphnis et Chloë, La Valse, Boléro); orchestrations (Schumann's Carnival, Mussorgsky's Pictures at an Exhibition); and chamber music (one trio, one quartet). --Dust jacket.

Whispering the Strategies of Language: An Mental Journey through **Ravel**

In a digitally-driven earth where monitors reign supreme and instant connection drowns out the subtleties of language, the profound secrets and emotional subtleties hidden within words usually move unheard. Yet, set within the pages of **Ravel** a captivating literary prize blinking with raw thoughts, lies an exceptional journey waiting to be undertaken. Written by a skilled wordsmith, this wonderful opus encourages visitors on an introspective journey, lightly unraveling the veiled truths and profound impact resonating within the fabric of each word. Within the emotional depths with this moving review, we can embark upon a heartfelt exploration of the book's key themes, dissect its interesting publishing model, and succumb to the effective resonance it evokes strong within the recesses of readers' hearts.
