A Leg to Stand On Timothy McHenry, 2012-10 When Tim McHenry first set eyes on Dixie, he sensed that his life would never be quite the same. Dixie had been hit by a car which resulted in the loss of her left front leg. She was given a second chance thanks to the compassion of a shelter director and the skill of a generous veterinarian. Tim adopted Dixie. Her rehabilitation became Tim's responsibility. Little did he know that he would be the one who would soon need rescuing. Together, Tim and Dixie discovered that their extraordinary love would ultimately lead them on a path to redemption and give them both a leg to stand on.

Soundtrack of Silence Matt Hay, 2024-01-09 An inspiring memoir of a young man who discovered he was going completely deaf just at the moment he'd fallen in love for the first time. As a child, Matt Hay didn't know his hearing wasn't the way everyone else processed sound—because of the workarounds he did to fit in, even the school nurse didn't catch his condition at the annual hearing and vision checks. But by the time he was a prospective college student and couldn't pass the entrance requirements for West Point, Hay's condition, generated by a tumor, was unavoidable: his hearing was going, and fast. A personal soundtrack was Hay's determined compensation for his condition. As a typical Midwestern kid growing up in the 1980s whose life events were pegged to pop music, Hay planned to commit his favorite songs to memory. He prepared a mental playlist of the bands he loved and created a way to tap into his most resonant memories. And the track he needed to cement most clearly? The one he and his new girlfriend, Nora—the love of his life—listened to in the car on their first date. Made vivid with references to instantly recognizable songs—from the Eagles to Elton John, Bob Marley to Bing Crosby, U2 to Peter Frampton—*Soundtrack of Silence* asks readers to run the soundtrack of their own lives through their minds. It's an involving memoir of loss and disability, and, ultimately, a both unique and universal love story.

Ken Jennings's Trivia Almanac Ken Jennings, 2008-01-15 Ken Jennings's *Trivia Almanac* is the ingeniously organized book where, for a change, the all-time Jeopardy! champ gets to ask the questions—and where every day of the year will give you the chance to test your trivia mettle. For example—February 21: In 1912, on this day, Teddy Roosevelt coined the political phrase “hat in the ring,” so Ken Jennings fires off a series of “ring” questions. What two NFL quarterbacks have four Super Bowl rings each?* What rings are divided by the Cassini Division?** Also on this date, in 1981,

the “goth” music scene was born in London, so here’s a quiz on black-clad icons like Darth Vader, Johnny Cash, and Zorro. Do you know the secret identities of Ivanhoe’s Black Knight*** or Men in Black’s Agent M****? In this ultimate book for trivia buffs and other assorted know-it-alls, the 365 entries feature “This Day in History” factoids, trivia quizzes, and questions categorized by Jennings as “Easy,” “Hard,” and “Yeah, Good Luck.” Topics cover every subject under the sun, from paleontology to mixology, sports feats to Bach suites, medieval popes to daytime soaps. This addictive gathering of facts, oddities, devilishly clever quizzes, and other flights of fancy will make each day a fun and intriguing new challenge.

In the Cherry Tree Dan Pope,2013-09-24 With a wholly original voice, this stunning debut novel captures the overwhelming transformation from childhood to adolescence. An ordinary suburban Connecticut summer in the seventies is the stage for the miraculous world of Timmy. Twelve years old and full of boundless curiosity, Timmy lives an ever-expanding life of record collections (of which Elton John is king), neighborhood bullies (of whom Franky DiLorenzo rules), best friends, and the darker, more lasting secrets of family. Over the course of the summer, Timmy will kill a frog, lose his baseball-card collection, alienate a friend, and witness his parents' separation. An intruder will hide in his treehouse; his mother will threaten divorce; his father will move out and back in. Timmy's childhood will end and his adolescence begin. One of the most remarkable child narrators to come along in recent years, Timmy is the achievement of a stunning new voice in American fiction. *In the Cherry Tree* is an addictively clever and appealing novel of our universal coming of age. Pope's dialogue is heartbreaking and real; his characters sympathetic in their gross imperfections. - Booklist
