

Reading For Kids I Like Reading

Diana Aleksandrova

Reading Picture Books with Children Megan Dowd Lambert, 2015-11-03 A new, interactive approach to storytime, *The Whole Book Approach* was developed in conjunction with the Eric Carle Museum of Picture Book Art and expert author Megan Dowd Lambert's graduate work in children's literature at Simmons College, offering a practical guide for reshaping storytime and getting kids to think with their eyes. Traditional storytime often offers a passive experience for kids, but the Whole Book approach asks the youngest of readers to ponder all aspects of a picture book and to use their critical thinking skills. Using classic examples, Megan asks kids to think about why the trim size of Ludwig Bemelman's *Madeline* is so generous, or why the typeset in David Wiesner's *Caldecott* winner, *The Three Pigs*, appears to twist around the page, or why books like Chris Van Allsburg's *The Polar Express* and Eric Carle's *The Very Hungry Caterpillar* are printed landscape instead of portrait. The dynamic discussions that result from this shared reading style range from the profound to the hilarious and will inspire adults to make children's responses to text, art, and design an essential part of storytime.

How I Met My Monster Amanda Noll, 2019-11-03 One night, when Ethan reaches under his bed for a toy truck, he finds this note instead: Monsters! Meet here for final test. Ethan is sure his parents are trying to trick him into staying under the covers, until he sees five colorful sets of eyes blinking at him from beneath the bed. Soon, a colorful parade of quirky, squeaky little monsters compete to become Ethan's monster. But only the little green monster, Gabe, has the perfect blend of stomach-rumbling and snorting needed to get Ethan into bed and keep him there so he falls asleep—which as everyone knows, is the real reason for monsters under beds. With its perfect balance

of giggles and shivers, this silly-spooky prequel to the award-winning *I Need My Monster* and *Hey, That's MY Monster!* will keep young readers entertained.

Be Kind Pat Zietlow Miller, 2018-02-06 When Tanisha spills grape juice all over her new dress, her classmate contemplates how to make her feel better and what it means to be kind. From asking the new girl to play to standing up for someone being bullied, this moving and thoughtful story explores what a child can do to be kind, and how each act, big or small, can make a difference--or at least help a friend. With award-winning author Pat Zietlow Miller's gentle text and Jen Hill's irresistible art, *Be Kind* is an unforgettable story about how two simple words can change the world.

Just Like My Papa Toni Buzzeo, 2015-06-04 Kito wants to be just like his papa, the protector of the pride. Throughout a day and night on the savanna, the cub imitates the way his father

roars, swings his tail, shakes his head, and pounces. Kito may be too little to catch a wildebeest, but he is brave enough to succeed in his own hunt. Someday he will be King, just like Papa. With its rhythmic text, dramatic moments on the African plain, playful times for cub and papa, and word-for-word narration this book will make a perfect read-aloud for family sharing.

The Children Who Loved Books Peter Carnavas, 2018-04-05

How to Give Your Child a Lifelong Love of Reading Alex Johnson, 2020 How do you create an active reader? Why is reading good for creativity? Why is it vital for teaching the next generation resilience and positive mental health? In the digital age of never-ending screen time you could argue that the power of books has diminished. But while screens have changed the act of reading, Alex Johnson believes reading is even more important, and that people value books more than ever. This is visible in the sales of printed special editions, the revival in reading aloud, the increased interest in poetry anthologies and the rescuing of 'lost words' from obscurity. But the problem is: with so many competing distractions, which are the best books for children to read and how can we access them? How do we get children to start reading? And how can we encourage them to be curious? How can we encourage their reading and maintain their interest? In this book of practical advice, Alex Johnson brings his tremendous enthusiasm and informed passion to answer these questions, and many more, to ensure a new generation of bookworms are whisked away to new worlds and essential discoveries. --

Property of the Rebel Librarian Allison Varnes, 2019-09-03 Celebrate the freedom to read with this timely, empowering middle-grade debut about a girl who fights back against banned books in the spirit of *The View from Saturday* or

Frindle. When twelve-year-old June Harper's parents discover what they deem an inappropriate library book, they take strict parenting to a whole new level. And everything June loves about Dogwood Middle School unravels: librarian Ms. Bradshaw is suspended, an author appearance is canceled, the library is gutted, and all books on the premises must have administrative approval. But June can't give up books . . . and she realizes she doesn't have to when she spies a Little Free Library on her walk to school. As the rules become stricter at school and at home, June keeps turning the pages of the banned books that continue to appear in the little library. It's a delicious secret . . . and one she can't keep to herself. June starts a banned book library of her own in an abandoned locker at school. The risks grow alongside her library's popularity, and a movement begins at Dogwood Middle--a movement that, if exposed, could destroy her. But if it's powerful enough, maybe it can save Ms. Bradshaw and all that she represents: the freedom to read. Equal parts fun and empowering, this novel explores censorship, freedom of speech, and activism. For any kid who doesn't believe one person can effect change...and for all the kids who already know they can!

A practical perspective on teaching reading from bestselling author and K-12 education expert Daniel T.

Willingham Research-based, concrete suggestions to aid teachers and parents in promoting reading as a hobby Age-specific tips for developing decoding ability, comprehension, and motivation in kids from birth through adolescence Information on helping kids with dyslexia and encouraging reading in the digital age Debunking the myths about reading education, *Raising Kids Who Read* will empower you to share the joy of reading with kids
