God over Good Luke Norsworthy, 2018-10-02 It's hard to say that God is good when God isn't always what we expect good to be. A good father wouldn't make it so difficult to get to know him, would he? And if God is all-powerful, wouldn't he ensure that we never suffered? Either our understanding of God is incorrect, or our definition of good is inadequate. In a world that is messy and a church that is imperfect, it's easy to let our faith be lost. But that doesn't mean we have to lose God. It means we must consider the fact that perhaps our idealized expectations are just plain wrong. With transparency about his own struggles with cynicism and doubt, pastor Luke Norsworthy helps frustrated Christians and skeptics trade their confinement of God in an anemic definition of good for confidence in the God who is present in everything, including our suffering.

Domino: Strays Tristan Palmgren,2020-10-06 Sharp-witted, luck-wrangling mercenary Domino takes on both a dangerous cult and her own dark past, in this explosive introduction to the new series of Marvel prose novels The job: infiltrate a Chicago conman's cult to liberate some brainwashed twins. For former X-Force operative Domino, that's a flat "no". Fanatics are bad news. She still suffers from nightmares about Project Armageddon, the Super-Soldier program that wrecked her life and destroyed her family. If only she'd had someone to help her back then, someone... like her. Maybe it is time to finally face those demons. With her mutant powers she can turn even the worst of situations to her advantage.

Domino D. Gillistein,2021-01-07 Wronged and powerless. Abandoned, untrusted, mislabeled, and punished on false pretenses. A life where everything said or done is twisted to seem bad or impure. A life where hard work reaps no benefit and living morally, no virtue. THIS IS INJUSTICE. For big ugly Joe Wrage, this is the only life he has known, and being mistreated and called names is normal. Things only get worse after a misunderstanding results in him having to do time in prison. His future looks bleak, miserable, and void of hope. Then something unbelievable happens. Superheroes appear, proclaiming to bring peace to the world. Upon meeting them, it is clear that these heroes are no different from the general population. They view Joe with the same bias as everyone else. Is society's perception responsible for creating the first supervillain? Let the tale of the world's first supervillain help you decide.
