Real Estate Investing Secrets Daniel Clark, Jim

Collins, 2019-08-10 Welcome to our Real Estate Investing: The Strategies, Secrets & Mindset book! Hurry up and get YOUR book NOW! Real estate investing may seem like an easy way to make a lot of money. However, without the proper background knowledge, it becomes an easy way to lose lots of money very quickly. This book was created for those who want to invest in real estate, but just don't know how to systematically ANALYZE a property's quality and profitability. How would you evaluate the quality and profitability of an investment property? Would you know how to answer the following questions about any given property? 1. How much will it cost you annually to operate the property? 2. How much money will you profit per month? 3. What is your return on investment? 3. What future repairs or maintenance should you expect? 4. Does the property have any major defects? 5. Are there any physical attributes that can help or hurt the property's value? 6. Is the property well located? 7. Is this property worth your time and money? 8. What is the maximum amount you can afford to invest? 9. How can you be sure that you aren't over paying for the property? Knowing how to evaluate many different properties is the

key to your real estate investing success. You may need to visit and evaluate over 50 properties, before you find yourself a good investment that will make you a lot of money. This is why you need to use the same systematic method each time. If you don't know how to strategically evaluate properties, you may find yourself in financial trouble very quickly. Property evaluation is undoubtedly the most important skill when it comes to real estate investing. I'm going to be teaching a strategy that I have used during my career as a real estate broker to evaluate over 1 BILLION dollars worth of real estate. I'm Jim Collins. I'm a real estate investor. A Dad. And I do some teaching on the side. I've been teaching new real estate investors how to get started now for almost two years. After talking to and working with literally dozens of new folks, I've developed a streamlined and straightforward educational program specifically targeted on helping new real estate investors get their first check. In contrast to the often ridiculously complex (and EXPENSIVE) programs the goo-roos pitch, this book is simple. So - if you're looking to get into real estate investing, and you're tired of the goo-roo hype, then this is the book for you. This book is a comprehensive. Everything you need to get your first check is included. And it starts from scratch, so you don't have to have an

ounce of experience with real estate. Don't delay any more seconds, scroll back up, click the BUY NOW WITH 1-CLICK button NOW and start learning today and become a master in real estate investing TODAY! Every hour you delay is costing you money ... See you inside the book! Money Secrets of the Rich John Burley,2009-08-01 Burley found that the books on money either went one of two ways. They were either too technical that once you were done reading them, you had to do a bunch of research in order to even begin, or they

were very motivational but didn't tell you what to actually do.

Money Secrets Of The Rich strives to be a book that does both.

Real Estate Money Secrets Ola Tux Abitogun,2019-05-02

From the man who brought you... SMART REAL ESTATE WHOLESALING & GET MY MARRIAGE BACK ...comes the ultimate guide to understanding real estate and real estate investing in plain and simple language. After exploring the real estate world for more than a decade and closing more than just a few deals in and out of real estate... Ola Tux Abitogun has come to the conclusion that the best way for an average person to build his or her network, net worth and wealth is via real estate and real estate investing. For many people, there is a difference between real estate and real estate investing. We should acknowledge that. The idea with writing this book is to also bridge those 2 concepts together. REAL ESTATE is just another industry to the mass. But to me, a few smart ones and you, right now, real estate means

money, income, wealth, prosperity, leverage, power, influence, tools, many more and means to so many ends you can think of. That's when you start to think of real estate as real estate investing. You can invest money, credit (the only place banks feel free to lend money indefinitely for the purpose of profit) and as little as time. Therefore, even if you do not have money or good credit, you can start building your network, net worth and wealth with little-to-zero cash involved. That's what real estate money secrets cover in plain English with inspiring stories that Ola Tux Abitogun has acquired over more than a decade as examples to simplify it. In these pages, you will discover...

- * Why your priority is not to buy a home to impress friends but to buy at half the price that others are buying them.
- * Short term strategies to making loads of cash starting immediately.
- * Long term strategies to building wealth and protecting your accumulated money.
- * How to start with nothing and almost nothing to become a behemoth in real estate money skills with simple arithmetics.
- * The secret that 97% of mankind will never know about using real estate without needing to quit a day job that you may love.
- * Real life examples why real estate trumps 401K, stocks, crypto and other investment vehicles in history consistently.
- * And much more. This book is amazing and very

beneficial. Ola is very knowledgeable on the concepts at hand. Definitely a great book to read. - Stacy AReal estate investing is a skill-set that OLA has mastered and there is no one better to learn it from. In fact, just few days before launching this book, he closed a real estate investment deal that produced a net proceed of \$48,917 in less than 60 days.He has done it so many times since 2005 and it's predictable. In fact, it's a system at this point that you too can copy and paste into your financial profile starting with this book. The book is available in paper, kindle and audio. Getting all versions and soaking it in multiple time is highly encouraged.Enjoy it.

Financial Freedom With Real Estate Michael Steven, 2020-08-19 If you want to stop relying on your day job and have the freedom to pursue your dreams, then keep reading... Do you feel stuck in a miserable job, slaving away from 9 to 5 because you don't have any other income and are scared of not having enough to get by? Do you want to have the flexibility and freedom to spend more time with your family, travel the world, or work on your personal projects? Are you looking for a way to increase your income and build your wealth without spending a lot

of money upfront and while still keeping your day job? If you answered yes to any of the above questions, then you may want to consider investing in real estate as a path towards financial freedom. According to Forbes, real estate offers the safest, steadiest, and simplest way to build wealth. In fact, Andrew Carnegie once claimed that 90% of millionaires become so by investing in real estate. Even millennials know that real estate is a key way to build wealth, with the average millennial millionaire already owning 3 properties. I know what you're thinking... I don't have millions of dollars to buy real estate! Well, you don't have to be a millionaire to get started in real estate investing. Many millionaires started with just a small investment and built up their portfolio from there. For example, Arnold Schwarzenegger used his bodybuilding savings to invest in real estate, which eventually made him his first million. Acting didn't make him a millionaire. Real estate did! Think of it this way: By saving and investing just 7% of your paycheck for a down payment, you can already own real estate and start reaping the benefits. Financial Freedom with Real Estate is a straightforward guide to help you understand how wealth creation works through real estate. It provides useful tools and strategies for real estate investing, even without millions of

dollars. In Financial Freedom with Real Estate, you will discover:

- How you can replace your salary with rental income, so you are not dependent on your 9 to 5 job
- Why millionaires like Shark Tank judge Barbara Corcoran say that real estate is the best investment you can make
- A step-by-step guide into getting into your first real estate investment
- 6 essential formulas you need to master to make money
- How to buy your first investment property, even if you don't have money to invest
- The secret to saving money by owning real estate
- The lease arrangement that most real estate investors overlook, that can bring in higher and steadier returns
- 3 simple ways to double, then triple and exponentially increase your investment portfolio and send you on your way to become financially free
- Free bonus: An easy-to-follow checklist towards financial freedom

And much more. It is no longer enough to rely on your job. The COVID-19 pandemic has shown how expendable employees can be in times of crisis. 64% of Americans don't have enough money for retirement and will have to keep working beyond 60. Do you want to be one of these people? Don't get left behind and remain stuck in a thankless job. Start your journey towards financial freedom today.
