Zander Hollander

Real Football Stephen Harlan Norwood, 2004 Since the 1960s, professional football has been America's most popular sport. This book explores the culture of football from the inside—from the players' perspective—the game the fans never see. Conversations are with eight top athletes, men who played in the National Football League for at least ten years, and with another who coached football for forty-five years. The players analyze the mental, physical, and emotional experience of the game at the high school, college, and professional levels, and at nearly every gridiron position. The author chooses his subjects carefully and finds articulate interpreters of this hard-edged experience. The author and the players discuss in depth a wide range of topics, including masculinity, injury, and pain, big-time college recruiting, college athletes and academics, relations with fathers and coaches, encounters with Jim Crow and desegregation, and strikes and labor relations in the NFL. Yielding full pictures of their lives and careers, these athletes go on to explore aging and their adjustments to retirement.

**Real Football Factories** Dominic Utton, 2009-08-10 These are the crews who think nothing of using tear gas, meat hooks, home-made bombs, and worse to make their point—these gangs of organized hooligans for whom their team is their life can be found globally: in Brazil and Croatia, Argentina and Italy, these soccer fans are everywhere. Meet the fans prepared to go to the furthest extremes to defend their team's honor. Actor Danny Dyer, star of the hit film *The Football Factory*, took a film crew with him to meet all of these gangs, and this is the full story of what happened when he did. Join him on a journey around the hooligan world in 90 days, visiting nine countries in 12 weeks to meet the nastiest, naughtiest European soccer hooligans on the planet. Shot at, stoned, glassed, and tear gassed, they survived gunfire in Brazil, a riot in Poland, and the opportunity to stand shoulder to shoulder with the foreign teams as it all goes off. Full of spine-chilling encounters, extraordinary characters, and brutal clashes, this book shows that soccer hooliganism is alive and kicking—all over the world.

Seasoned Wives Marilynn H. Rison, 2011-11-22 It takes an awful lot of perseverance to be married to a football coach—just ask Mallory Lassiter. She signed up for marriage, but she didn't see the fine print, a pigskin invasion. Managing endless weeks with no weekend, the industry expectations for wives, disruptive family relocations for the next coaching job, and

politics that bite. Mallory has to make a decision. Will she stick it out and be a coach's wife, or will she end the madness? Mallory's path meets with that of several women who walk in similar shoes. Her close friend Shelley opts to stay behind with her extended family support when her coach husband Brian makes the next move, but does the distance between them grow beyond geography? Didi stood by her man while raising their five children, but has she cheated herself by enduring his cheating? Ellen the veteran has played the game well at the cost of hiding serious skeletons in the closet. Tough love vs. tender hearts in this life-like glimpse into these game-changing relationships.

**Just Kick It** Mark St. Amant, 2006-10-17 Nearing 40, standing five feet eight, weighing in at 160 pounds, Mark St. Amant was most definitely not a football player. He had never played a single down of real football in his life and even in the sports he did play, his greatest skill seemed to be choking when the game was on the line. So why on earth did he suddenly become, of all things, a semi-pro football kicker? Fantasy football writer and self-described poster child for suburban-raised white boy Mark St. Amant tells the unlikely story of how he ditched his television and laptop to join an inner-city football squad the mostly African-American Boston Panthers, one of more than 600 semi-pro teams around the country. With warmth, insight, and his trademark offbeat, self-deprecating humor, Mark recounts the strides he made on and off the field and reveals the powerful bonds that developed among teammates young and not-so-young, struggling and successful, black, white, and Hispanic, all clinging tightly to their dreams and playing the game they love. From couch potato to field goal kicker, Mark lived out a real-life football fantasy, discovering true teamwork, staring his lifelong fear of athletic failure in the face, witnessing testosterone-fueled hilarity both on and off the field, and achieving gridiron glory in ways he'd never imagined.

One team is led by a take-no-prisoners head coach; the other by a cerebral, slow-and-steady coach who has been thrust into the spotlight because of a tragedy. A tense showdown is about to unfold before the world's football fans. But along the way to the championship game, something bad happens: the very integrity of the game comes within a yard of ruin! In his thrilling new work of fiction-*Between the Lies*- Hall of Fame Coach and New York Times best-selling author Marv Levy takes us on a journey through the NFL like we've never seen before.
