50 Real Ghost Stories M J Wayland, 2013-02 A real ghost story should never end perfectly. That is my rule of thumb. After investigating ghost experiences for nearly thirty years, I realised that the finely polished stories told by storytellers and ghost walkers were exactly that - polished. In polishing stories we lose the personality of the haunted and indeed the haunter itself, that is why in my books, research papers and articles, I always maintain the original testaments and facts. The stories that I have collected for you now are rough diamonds, totally unpolished and any additions by myself are kept to a minimum and noted clearly. P. [4] of cover.
