Maid Stephanie Land, 2019-01-22 A single mother's personal, unflinching look at America's class divide (Barack Obama), this New York Times bestselling memoir is the inspiration for the Netflix limited series, hailed by Rolling Stone as a great one. At 28, Stephanie Land's dreams of attending a university and becoming a writer quickly dissolved when a summer fling turned into an unplanned pregnancy. Before long, she found herself a single mother, scraping by as a housekeeper to make ends meet. *Maid* is an emotionally raw, masterful account of Stephanie's years spent in service to upper middle class America as a nameless ghost who quietly shared in her clients' triumphs, tragedies, and deepest secrets. Driven to carve out a better life for her family, she cleaned by day and took online classes by night, writing relentlessly as she worked toward earning a college degree. She wrote of the true stories that weren't being told: of living on food stamps and WIC coupons, of government programs that barely provided housing, of aloof government employees who shamed her for receiving what little assistance she did. Above all

else, she wrote about pursuing the myth of the American Dream from the poverty line, all the while slashing through deep-rooted stigmas of the working poor. *Maid* is Stephanie's story, but it's not hers alone. It is an inspiring testament to the courage, determination, and ultimate strength of the human spirit. A single mother's personal, unflinching look at America's class divide, a description of the tightrope many families walk just to get by, and a reminder of the dignity of all work. -PRESIDENT BARACK OBAMA, Obama's Summer Reading List

Maid of Wonder Jennifer McGowan, 2015-09-15 Sophia must master her psychic ability if she is to save the life of Queen Elizabeth and her fellow maids from a dark prophecy, in this third book in the Maids of Honor series. Sophia Dee, the most unusual spy in Queen Elizabeth's Maids of Honor, has run out of time for her psychic skills to fully manifest. A terrible prophecy haunts Windsor Castle, and the Queen demands answers before the next doomed soul dies. Thrust into a dangerous competition to solve the deadly prediction, Sophia finds herself pitted against the most celebrated mystics of Europe: John Dee, her devious uncle and the Queen's personal astrologer, and Nostradamus, the renowned prophet-seer of France. In a court where whispers of witchcraft, poisonous plots, and grim assassins threaten her at every turn, Sophia needs answers fast. But does she dare trust Marcus Quinn, her uncle's striking assistant? Or should she turn to the tortured dark angel of the spirit realm, who whispers to her only of danger and death? As new dangers surface and the prophecy sweeps toward its final victim, the five Maids of Honor prepare to do battle. Only then will the girl who so often sees the future finally discover if she can save the Crown—and herself.
