Preserving on Paper Kristine Kowalchuk,2017-06-30 Apricot wine and stewed calf's head, melancholy medicine and ointment of roses. Welcome to the cookbook Shakespeare would have recognized. Preserving on Paper is a critical edition of three seventeenth-century receipt books-handwritten manuals that included a combination of culinary recipes, medical remedies, and household tips which documented the work of women at home. Kristine Kowalchuk argues that receipt books served as a form of folk writing, where knowledge was shared and passed between generations. These texts played an important role in the history of women's writing and literacy and contributed greatly to issues of authorship, authority, and book history. Kowalchuk's revelatory interdisciplinary study offers unique insights into early modern women's writings and the original sharing economy.

Miss Leslie's Lady's New Receipt-Book Eliza Leslie,2020-03-09 Miss Leslie's Lady's New Receipt-Book: A Useful Guide For Large Or Small Families, Containing Directions For Cooking, Preserving, Pickling, And Preparing The Following Articles According To The Most New And Approved Receipts This book is a result of an effort made by us towards making a contribution to the preservation and repair of original classic literature. In an attempt to preserve, improve and recreate the original content, we have worked towards: 1. Type-setting & Reformatting: The complete work has been re-designed via professional layout, formatting and type-setting tools to re-create the same edition with rich typography, graphics, high quality images, and table elements, giving our readers the feel of holding a 'fresh and newly' reprinted and/or revised edition, as opposed to other scanned & printed (Optical Character Recognition - OCR) reproductions. 2. Correction of imperfections: As the work was re-created from the scratch, therefore, it was vetted to rectify certain conventional norms with regard to typographical mistakes, hyphenations, punctuations, blurred images, missing content/pages, and/or other related subject matters, upon our consideration. Every attempt was made to rectify the imperfections related to omitted constructs in the original edition via other references. However, a few of such imperfections which could not be rectified due to intentional/unintentional omission of content in the original edition, were inherited and preserved from the original work to maintain the authenticity and construct, relevant to the work. We believe that this work holds historical, cultural and/or intellectual importance in the literary works community, therefore despite the oddities, we accounted the work for print as a part of our continuing effort towards preservation of literary work and our contribution towards the development of the society as a whole, driven by our beliefs. We are grateful to our readers for putting their faith in

us and accepting our imperfections with regard to preservation of the historical content. HAPPY READING!
