Public Health Crisis Management and Criminal Liability of Governments Michael Bohlander, Gerhard Kemp, Mark Webster, 2023-06-15 This book addresses potential avenues of criminal liability for public health crisis management in the context of the COVID-19 pandemic, under national and international criminal law, especially for causing death and bodily harm. The national case studies are geographically representative and follow a common research grid. Each national case study is prefaced by an overview of the detection and subsequent spread of the pandemic in the country concerned. The relevant legal and constitutional frameworks that governed the government and corporate conduct in the face of the pandemic are also discussed, followed by the consideration of forms of criminal liability. Government responses to the COVID-19 pandemic differed vastly in terms of both the choice of strategies adopted (herd immunity, test-and-trace, lockdown, etc) and the quality and speed of government implementation of those strategies and associated interventions. Both factors impacted the number of infections and casualties. It is therefore appropriate to consider forms of criminal liability for failure of individual members of government, including specific public authorities, to act to the best of their abilities, as timely as possible, and in accordance with expert advice.

Reckless Cecily von Ziegesar, 2008-08-01 When Jenny Humphrey arrived at Waverly Academy, the student body immediately started buzzing about her and her body. She quickly caught the eye of three of the hottest guys on campus, kissed two of them, and made one her boyfriend: the adorable Easy Walsh. Too bad Easy just happened to belong to somebody else - Jenny's roommate, Callie Vernon. It didn't take long for powerful Tinsley Carmichael to tell Callie their sweet-faced new roommate was really a manipulative skank. So what if Tinsley herself stole a guy out from under their other roommate Brett Messerschmidt's perky little nose? Then Callie and Tinsley threw Jenny and Brett out of their ultra-exclusive club. And just like that, it was war. Now the four roommates have been split up across enemy lines - Jenny and Callie are living together in Dumbarton 303, and Brett and Tinsley are seemingly miles away downstairs. What will happen when Easy sneaks in to see Jenny . . . but finds Callie instead? And what if Brett discovers the one secret Tinsley's kept hidden for years? Everyone at Waverly is watching and whispering. With girls this wild, anything can happen, but only one can be it.

Reckless Road Marc Canter, Jason Porath, 2008 (Music Sales America). When teenager and amateur photographer Marc Canter set out to document his best friend Saul Hudson's rise as a rock guitarist in 1982, he never imagined he was documenting the genesis of the next great rock 'n' roll band.
