My Memory-Jogging Phone Conversation Book

Unforgettable Unforgettable Notes,2020-05-17 Enjoy the confidence of knowing you're on the top of the news from family and friends! Phone calls leave no record, and these days we have SO much to remember, especially if you're in isolation or lockdown. Two weeks after a long call, you could easily be hazy on the finer details. What was the date of your friend's planned hospital admission, or the name of your sister-in-law's new business? These could be things that mean a lot to the people you love, or could be things you want to share with others. It's so annoying when you can't quite recall... Solution: use this personal Phone Conversation Book to jot down key news like events, names, dates, or concerns. Next time you call, or another friend asks you for an update, you'll have those details at your fingertips. It's more than a notebook. In this book you'll find: ♦

Space to record 188 conversations (two per page), with name, date, key news, and a place for follow-up things to do, or notes for next time you talk. ♦ Friendship Tracker: When did we last catch up? to keep track of how often you get in touch with family and friends, so you never leave it too long. ♦ Special Occasions calendar pages, to record birthdays, anniversaries or important events. ♦ Things to Remember pages, to note down general things about family and friends that you want to remember: things they can't eat, names of pets, notes on new extended or blended family... My Memory-Jogging Phone Conversation Book is an 8 x 10 paperback, with 120 pages. Choose from a range of bright eye-catching covers, to make it easy to find on your desk. I hope keeping phone conversation notes will be as useful for you as it has been for me! NOTE: Just to be clear, this is not a business 'phone message' book. It's a personal record and log book, though of course you could also use it for calling colleagues or business contacts.
