**Your Graduates and You** Helen Connor,Wendy Hirsh,L. Barber,2003 How are employers developing graduate strategies in the light of current labour market and business trends? This research builds on the model of the IES Graduate Value Chain, linking the supply of graduates to the attraction and selection process, into training, retention and career development.

**The Graduate Recruitment Manual** R. S. Kandola,2001 There is so much more to recruiting talented graduates than meets the eye, from projecting the right corporate image, defining the competencies required, through to advertising, selection and finally induction and retention. This is the first book to bring together all these crucial elements to enable employers to understand what it is they need, how graduate expectations are changing, and be able to think through their strategy and put it into practice.This is the most comprehensive book on the subject; it contains best practice standards and a wealth of hints and tips.

**Recruiting the Recent College Grad: Best Practices for Long-term Employment Success** Kimberly Wylie,2009-06 Seminar paper from the year 2003 in the subject Economics / Business: Business Management, Corporate Governance, University of Phoenix, 20 entries in the bibliography, language: English, abstract: This paper discusses the recruiting and retaining recent college graduates. The unique benefits of recent college graduates are explored, as well as the best ways to recruit this specific demographic of candidates. In addition, how to retain these valuable employees, once they have been brought on board is also discussed. As the marketplace becomes ever more competitive, it becomes increasingly important for companies to hire and retain the best candidates possible. By efficiently and effectively attracting and retaining recent college graduates, organizations can be one step closer to ensuring their success within the industry.
