Bulletin of the Robert Morris Associates Robert Morris Associates,1962

The Financial Audit as Viewed by Bankers, Statement Analysis, Suggested Methods for a Credit Index Robert Morris Associates,1922

R. Edward Freeman's Selected Works on Stakeholder Theory and Business Ethics Sergiy D. Dmytriyev,R. Edward Freeman,2023-09-20 Ed Freeman's influential ideas on stakeholder theory, business ethics, humanities, and capitalism became foundational in the management field and turned around the mainstream thinking about business. Stakeholder theory developed by Freeman and others posits that business is not as much about profits, but rather about creating value for its stakeholders, including employees, customers, communities, financiers, and suppliers. The relationship between a company and its stakeholders is the essence of business and should be of utmost attention to its managers. Managers should avoid resorting to trade-offs by prioritizing one stakeholder group (e.g., shareholders) over the others and strive to run their companies in the interests of all stakeholders. The idea of pursuing the interests of all stakeholders became revolutionary in management and went far beyond the management field, expanding to Law, Health Care, Education, Public Policy and Administration, and Environmental Policy. This book is a collection of Ed Freeman's most influential and important works on stakeholder theory as well as business ethics, humanities, and capitalism.

Rma Annual Statement Studies Robert Morris Associates,2011-12 Includes RMA's Credit and lending dictionary. Contains composite financial data on manufacturing, wholesaling, retailing, services, agriculture, contractors, and other lines of business. Arranged by SIC code, this work makes it possible to compare one company's performance relative to other companies in the same line of business.

Annual Statement Studies 1997 Robert Morris Associates,1997-11-01

RMA Annual Statement Studies, 1999/2000 Robert Morris Associates,1999 Contains composite financial data on manufacturing, wholesaling, retailing, service, and contracting lines of business. Arranged by SIC code, this work makes it possible to compare one company's performance relative to other companies in the same line of business.
