**Surrounded by Bad Bosses (And Lazy Employees)** Thomas Erikson, 2021-08-17 Part of the bestselling Surrounded by Idiots series! Internationally bestselling author Thomas Erikson has helped changed how the world thinks about behavior using a simple 4-color behavior analysis system. In Surrounded by Bad Bosses he applies that same system to revolutionize the workplace. Everyone has had a bad boss. You might have one right now. You might even be one. Bad bosses are a fact of the workplace, whether they're short-tempered, unclear about expectations, or too disorganized to manage so much as a stapler. But how do you not only survive a difficult boss, but help your career thrive despite them? By identifying your boss's behavior profile you'll be better able to interact with them no matter what the situation. Erikson offers example stories and concrete steps to help you thrive in any work situation. Of course, much as we love to blame our bosses, sometimes management isn't the problem at all. For every bad boss there is also a lazy employee, so Erikson also looks at the issue from a completely different perspective—employees themselves— and explores why some colleagues frequently underachieve, and what you can do to change this if you're the boss. Written with Erikson's signature humor and warmth, Surrounded by Bad Bosses (And Lazy Employees) will help you deal with the most hopeless managers and employees you can imagine—and keep you entertained along the way.

**The Christ Chaplain** Andrew J Weaver, 2012-12-06 Use centering prayer to deal with the demands of hospital ministry The Christ Chaplain: The Way to a Deeper, More Effective Hospital Ministry is an instructive guidebook for health care chaplains who struggle with the high levels of stress that have become commonplace in modern medicine as they work longer hours for lower wages yet get to spend less time with patients. The final book from Father M. Basil (Robert) Pennington, who passed away in 2005, cuts to the real heart of the matter—job burnout—by emphasizing not what a chaplain does, but what a chaplain is. This unique book teaches chaplains how to achieve better spiritual health by practicing spiritual self-care through centering prayer. The Christ Chaplain was written for hospital chaplains who find themselves at the limits of what they can do and what they can endure in living out their calling. Father Pennington ministers to the ministers, helping them to deepen their spiritual lives so they can better provide comfort to the sick and the dying. The book guides hospital chaplains through the Christian mystical tradition via lectio and centering prayer, a method of contemplative prayer rooted in silence that encourages a person to pay attention to God dwelling in the center of his or her being. Topics discussed in The Christ Chaplain include: the sacred text lectio divina the third step life as a school of love the ministry of presence the power of sacrament sharing the word resting in the presence and much more The Christ Chaplain also includes appendixes that offer sacred reading, a prayer for the hospital, and suggested readings. This powerful book is an invaluable, how-to guide to better spiritual health for hospital chaplains and other religious personnel, including those working in pastoral care departments of seminaries.

In doing so, we drain ourselves of energy. We live for family, work, and other people; so much so that we forget about ourselves. God is calling us to come to him, fellowship together, and bring our burdens to him. A refreshing time with God contains 365 days of devotions and inspiration that help you discover your unique self. Opening your Bible daily with this guide helps you understand that God has created you to make a difference. It allows you to discover your power of dominion and take back control.
