**The Intelligent REIT Investor** Stephanie Krewson-Kelly,R. Brad Thomas,2016 The go-to guide for smart REIT investing The Intelligent REIT Investor is the definitive guide to real estate investment trusts, providing a clear, concise resource for individual investors, financial planners, and analysts--anyone who prioritizes dividend income and risk management as major components to wealth-building. The REIT industry experienced a watershed event when Standard & Poors created a new Global Industry Classification Standard (GICS) sector called Real Estate. Publicly traded equity REITs have been removed from Financials, where they have been classified since their creation in 1960, and have begun trading as their own S&P Sector. This separation from banks and financial institutions has attracted new investors, but REITs require an industry-specific knowledge that is neither intuitive nor readily accessible to newcomers--until now. Using straightforward language and simple example to illustrate important concepts, this book will enable any reader to quickly learn and understand the lexicon and valuation techniques used in REIT investing, providing a wealth of practical resources that streamline the learning process. The discussion explains terminology, metrics, and other key points, while examples illustrate the calculations used to evaluate opportunities. A comprehensive list of publicly-traded REITs provides key reference, giving you access to an important resource most investors and stockbrokers lack. REITs are companies that own or finance commercial rental properties, such as malls and apartment buildings. Despite historically high total returns relative to other investments, such as the Nasdaq or S&P 500 index, most investors are unfamiliar with the REIT industry, and wary of investing without adequate background. This book gets you up to speed on the essentials of REIT investing so you can make more informed--and profitable--decisions. Understand REITs processes, mechanisms, and industry Calculate key metrics to identify suitable companies Access historical performance tables and industry-specific terminology Identify publicly-traded REITs quickly and easily REITs have consistently outperformed many more widely known investments. Over the past 15-year period, for example, REITs returned an average of 11% per year, better than all other asset classes. Since 2009, REITs have enjoyed positive returns; large cap stocks and cash are the only other classes that paralleled that record. Even in 2015, a 'year of fear' related to rising rates, REITs returned 2.4%, beating most all other asset classes. REITs have a long history (over fifty years) of performance, and have entered the big leagues. If you feel like you've been missing out, don't keep missing out. Prepare yourself, and your portfolio, to benefit from the demand for REITs that have followed the creation of a Real Estate GICS sector. The Intelligent REIT Investor gives you the information you need to invest wisely and manage your real estate risk effectively. By maintaining a tactical exposure in the brick and mortar asset class, investors should benefit from the information contained in The Intelligent REIT Investor. Join the REIT world and look forward to owning stocks that will help you to sleep well at night.

**Wealth Habits** Candy Valentino,2022-11-15 You don't have to be educated or connected to be wealthy How do wealthy people do it? Are they geniuses? Lucky? We tend to think something special must be going on because it looks like magic. But nothing could be further from the truth. Wealthy people have simply adopted six key, yet ordinary, habits ... and they do them extraordinarily well. Candy Valentino opened her first brick-and-mortar store at 19—no college, no connections, no money—and built it into a seven-figure business before most of her friends graduated college. Over two decades of success as a serial entrepreneur and real estate investor, she has labored relentlessly to crack the code of the super-wealthy, and in doing so, has unearthed six simple habits that directly contribute to those who become part of the self-made millionaire class. In Wealth Habits, Valentino reveals all six habits, and shows you how you can put them to work for you: Long-term investing strategies How to recession-proof your business Ways to keep money out of the IRS' hands What to teach your children about money How to establish financial protection and security The secrets to keep more of the money you make (so you can invest more) “Think and get rich” will only get you so far. It's time to do and become wealthy... and set yourself up for a lifetime of true financial freedom.

*Long-Distance Real Estate Investing* David Greene,2017-12-14 Live where you want, and invest anywhere it makes sense. It is a common misperception in real estate investing that you should buy only where you live. David Greene has put that myth to rest... This is a must-read for investors who want to expand their real estate empire nationwide. --David Osborn, bestselling author of Wealth Can't Wait Are you interested in real estate investing, but you live in a hot market that is not suited for buy and hold investing? Do you want to take advantage of wealth-building opportunities, but that seems impossible until the next market crash? Real estate investing is one of the greatest vehicles to build wealth, but it doesn't make sense in every market. Some locations provide incredible returns, while others make it almost impossible to find a single property that profits. Traditionally, investing out of state has been considered risky and unwise. But the rules, technology, and markets have changed: No longer are you forced to invest only in your backyard! In his book, real estate investor and police officer David Greene shows you exactly how he's built a multi-million dollar portfolio through buying, managing, and flipping out-of-state properties, often without ever even seeing the properties in person. David shares every tip, trick, and system he has put in place for over twenty rental properties, so you can avoid making mistakes and shorten your learning curve immensely! What's inside: How to assemble an all-star team to handle each aspect of a deal from A-Z. How to find great deals in any state, regardless of where you live. How to rehab a project from thousands of miles away without worry or complication. How to speak the language of the agents, contractors, lenders, and property managers you will use. How to quickly and easily know which neighborhoods to buy, and which to pass in. How to choose the best materials for your rehab projects and pay the least amount of money. ...And more! Don't let your location dictate your financial freedom. Get the inside scoop to invest--and succeed--anywhere!

*Profit First for Real Estate Investing* David Richter,2021-12-03 It's time to stop living deal to deal. Real estate investors have systems for almost everything-to make the phone ring, to find deals, and to fix, rent, and sell their properties. What they don't have is a system for their finances that ensures positive cash flow and profitability. This is why many investors end up scrambling to cover payroll, taxes, and even their own bills. In Profit First for Real Estate Investing, real estate finance expert, David Richter, reveals his simple cash flow system that not only makes pay yourself first possible; it makes it easy. Built on the proven Profit First method created by Mike Michalowicz, this system is tailored to the unique realities for real estate investors. Designed to help you reduce stress and build a healthy and profitable real estate company, this step-by-step guide will even show you how to get more deals using the Profit First System. Starting today.

**Buy It, Rent It, Profit! (Updated Edition)** Bryan M. Chavis,2017-01-03 Long time real estate investor John Lee reveals a little known, unique strategy of how to turn Landlord Pennies to Banker Dollars. Lee shares the system he created on how to invest in real estate without most of the stress involved with being a landlord. John's technique includes 7 Simple Steps to Fire the Landlord and Hire the Banker in You! These are very easy to implement steps for the new or the seasoned investor. The myth is Landlords collect easy passive income. The truth is Landlords work hard for their income. Bankers collect easily without all the hassles of Toilets, Trash & Tenants. Lee remains a firm believer in education that does not break the bank and he again does not disappoint. An easy read to change your income to as close to passive as possible. You can start to easily collect today.--Amazon

**The White Coat Investor** James M. Dahle,2014-01 Written by a practicing emergency physician, The White Coat Investor is a high-yield manual that specifically deals with the financial issues facing medical students, residents, physicians, dentists, and similar high-income professionals. Doctors are highly-educated and extensively trained at making difficult diagnoses and performing life saving procedures. However, they receive little to no training in business, personal finance, investing, insurance, taxes, estate planning, and asset protection. This book fills in the gaps and will teach you to use your high income to escape from your student loans, provide for your family, build wealth, and stop getting ripped off by unscrupulous financial professionals. Straight talk and clear explanations allow the book to be easily digested by a novice to the subject matter yet the book also contains advanced concepts specific to physicians you won't find in other financial books. This book will teach you how to: Graduate from medical school with as little debt as possible Escape from student loans within two to five years of residency graduation Purchase the right types and amounts of insurance Decide when to buy a house and how much to spend on it Learn to invest in a sensible, low-cost and effective manner with or without the assistance of an advisor Avoid investments which are designed to be sold, not bought Select advisors who give great service and advice at a fair price Become a millionaire within five to ten years of residency graduation Use a Backdoor Roth IRA and Stealth IRA to boost your retirement funds and decrease your taxes Protect your hard-won assets from professional and personal lawsuits Avoid estate taxes, avoid probate, and ensure your children and your money go where you want when you die Minimize your tax burden, keeping more of your hard-earned money Decide between an employee job and an independent contractor job Choose between sole proprietorship, Limited Liability Company, S Corporation, and C Corporation Take a look at the first pages of the book by clicking on the Look Inside feature Praise For The White Coat Investor Much of my financial planning practice is helping doctors to correct mistakes that reading this book would have avoided in the first place. - Allan S. Roth, MBA, CPA, CFP(R), Author of How a Second Grader Beats Wall Street Jim Dahle has done a lot of thinking about the peculiar financial problems facing physicians, and you, lucky reader, are about to reap the bounty of both his experience and his research. - William J. Bernstein, MD, Author of The Investor's Manifesto and seven other investing books This book should be in every career counselor's office and delivered with every medical degree. - Rick Van Ness, Author of Common Sense Investing The White Coat Investor provides an expert consult for your finances. I now feel confident I can be a millionaire at 40 without feeling like a jerk. - Joe Jones, DO Jim Dahle has done for physician financial illiteracy what penicillin did for neurosyphilis. - Dennis Bethel, MD An excellent practical personal finance guide for physicians in training and in practice from a non biased source we can actually trust. - Greg E Wilde, M.D Scroll up, click the buy button, and get started today!
