**Right Before Sleep** Miro Tartan,2020-12-02 The little ones will have so much fun listening and reading this funny rhyme story that takes place right before sleep. Milo and Cat have a very effective sleep routine, but this night, it just doesn't work! They even know a few tricks that helped them quickly fall asleep before. When these tricks won't work - at least not for Milo - it takes a lot of creativity, Cat's magic whiskers, the Know It All book, and a drop of exaggeration to lead Milo to dreamland. ★ Who's going to fall asleep first? Milo, Cat or you? ★ Short extract from the story It was right before sleep, it was already night, But for Milo and Cat, something wasn't quite right! ... We tried counting sheep and we counted the stars, We even tried counting the distance to Mars. ... We'll be sleeping in no time; without any doubt. Trust my whiskers, said Cat. We will figure it out! ... This should have some clues, so let's go have a look There's always advice in the KNOW IT ALL book. ...

She lives in Frome, Somerset with her husband, son and daughter. Visit her at [www.michellerobinson.co.uk](http://www.michellerobinson.co.uk). Nick East has been working as a museum designer for the past 16 years but has always been a storyteller, whether as a child, filling sketchbooks with quirky characters, or as a designer displaying a collection of ancient artifacts. The sleepy town of Blexford, England, isn't exactly brimming with prospects, and anyway, Kate's found fulfillment in her career as a designer, and in her delicious side job baking for her old friend Matt's neighborhood café. But then her best friend signs her up for a dating agency that promises to help singles find love before the holidays. Twenty-three days until Christmas. Twelve dates with twelve different men. The odds must finally be in her favor . . . right? Yet with each new date more disastrous than the one before--and the whole town keeping tabs on her misadventures--Kate must remind herself that sometimes love, like mistletoe, shows up where it's least expected. And maybe, just maybe, it's been right under her nose all along. . . .

**An Index to Articles Published in The Etude Magazine, 1883-1957, Part 1** Pamela Richardson Dennis,2011-01-01 As America's geography and societal demands expanded, the topics in The Etude magazine (first published in 1883) took on such important issues as women in music; immigration; transportation; Native American and African American composers and their music; World War I and II; public schools; new technologies (sound recordings, radio, and television); and modern music (jazz, gospel, blues, early 20th century composers) in addition to regular book reviews, teaching advice, interviews, biographies, and advertisements. Though a valued source particularly for private music teachers, with the de-emphasis on the professional elite and the decline in salon music, the magazine ceased publication in 1957. This Index to the articles in The Etude serves as a companion to E. Douglas Bomberger's 2004 publication on the music in The Etude. Published a little over fifty years after the final issue reached the public, this Index chronicles vocal and instrumental technique, composer biographies, position openings, department store orchestras, the design of a successful music studio, how to play an accordion, recital programs in music schools, and much more. The Index is a valuable tool for research, particularly in the music culture of American in the late nineteenth and early twentieth centuries. With titles of these articles available, the doors are now open for further research in the years to come. The Index is published in two parts and sold as a set for \$250.00.
