Jessica Stone

Andrew Johnson Kate Havelin,2004-09-01 Follows the life and career of the statesman who, after the assassination of Abraham Lincoln, became the seventeenth president of the United States.

The Behavior Code Companion Jessica Minahan,2014-12-01 Since its publication in 2012, *The Behavior Code: A Practical Guide to Understanding and Teaching the Most Challenging Students* has helped countless classroom teachers, special educators, and others implement an effective, new approach to teaching focused on skill-building, practical interventions, and purposeful, positive interactions with students who have mental health disorders. Based on the success of the previous book, author Jessica Minahan has written this companion guide for educators seeking additional guidance for creating and implementing successful behavior intervention plans (“FAIR Plans”) for the students teachers worry about the most: those with anxiety-related or oppositional behaviors. Minahan takes readers step-by-step through the process of understanding and practicing the components of a FAIR behavior intervention plan so that they or a team can immediately customize it and put it to work in classrooms. Additional tips on creating interventions, as well as checklists to help with implementation and monitoring progress, are also included. Packed with brainstorming and reflection exercises, planning activities, templates, case studies, recommended apps, and other technology resources, *The Behavior Code Companion* will help educators create optimal classroom environments for all students.

The Heart to Start David Kadavy,2017-12-03 It’s a terrible feeling. To know you have a gift for the world. But to be utterly paralyzed every time you try to discover what that gift is. Stop procrastinating and start creating! In *The Heart to Start*, blogger, podcaster, and award-winning designer David Kadavy takes you on his journey from Nebraska-based cubicle dweller to jet-setting bestselling author, showing you how to stop procrastinating, and start creating. The original and battle-tested tactics in *The Heart to Start* eliminate fear in your present self, so you can finally become your future self: Tap into the innate power of curiosity. Find the fuel to propel you through resistance. Catch yourself “Inflating The Investment.” Prevent self-destructive time sucks and find the time to follow your art, even if you feel like you have no time at all. Bust through “The Linear Work Distortion.” Inspire action that harnesses your natural creative style. Supercharge your progress with “Motivational Judo.” Lay perfectionism on its back while propelling your projects forward. Inspiring stories weave these techniques into your memory. From Maya Angelou to Seth Godin. From J. K. Rowling to Steven Pressfield. You'll hear from a Hollywood screenwriter, a chef, and even a creator of a hit board game. Whether you’re writing a novel, starting a business, or picking up a paintbrush for the first time in years, *The Heart to Start* will upgrade your mental operating system with unforgettable tactics for ending procrastination before it starts, so you can make your creative dreams a reality. Take your first step and click the buy button. Download *The Heart to Start*, and unlock your inner creative genius today!

Digital Play Therapy Jessica Stone,2021-12-28 The newly updated *Digital Play Therapy* focuses on the responsible integration of technology into play therapy during and after the COVID-19 pandemic. With respect for the many different modalities and approaches under the play therapy umbrella, this book incorporates therapist fundamentals, play therapy tenets, and practical information for the responsible integration of digital tools into play therapy treatment. All chapters have been updated, and new chapters discuss strategies for using teletherapy effectively during and beyond the pandemic. This revised edition provides a solid grounding both for clinicians who are brand new to the incorporation of digital tools as well as for those who have already begun to witness digital play therapy’s power.

The Fourth Trimester Companion Cynthia Gabriel,2017-12-26 A well-cared-for baby is a baby whose mother is taking care of herself. With this truth at its core, *The Fourth Trimester Companion* supports your transition to motherhood. You have probably already read multiple books on pregnancy, childbirth, and infant care as you prepare to become a mother, but have you considered how you are going to care for yourself after your baby is born? With so much focus on the birthing process and the new baby, your own birth as a mother is often overlooked. Doctors, nurses, midwives, and others involved in providing baby care agree that your own transition deserves equal attention, because taking good care of yourself in the first three months of your new baby’s life—the fourth trimester—brings crucial benefits for you, for your baby, and for your partner and family. With this important book, you (as well as your partner and other caregivers, whether lay or professional) now have the resources to have an ideal fourth trimester experience. Cynthia Gabriel, a doula and the author of the best-selling book *Natural Hospital Birth*, delivers all the information, guidance, and encouragement you need as a new mother to take care of your body, mind, and spirit during the vital months of the fourth trimester—so that you feel your best and so your baby has the best possible chance to thrive. Find tips, strategies, and advice for: Coping with the physical and emotional challenges in the first days and weeks post-partum Sleep challenges and solutions for both you and baby Self-care, infant care, and infant feeding, including breastfeeding and going back to work Navigating your changing relationships with your immediate family, partner, children, parents, in-laws, and pets Finding your new, postpartum sex life Emotional well-being, including postpartum depression and PTSD Appreciate the wondrous moments as a new mother and feel less alone with the challenging ones with *The Fourth Trimester Companion*.

The Impeachment of Andrew Johnson Chester G. Hearn,2015-08-13 While it is commonly known that Andrew Johnson was the first president to be impeached, less well known are the circumstances that led to the unsuccessful campaign to remove him from office. This account of Johnson’s political life in Washington (including brief coverage of his early career in Tennessee) focuses on his conflict with the Radical Republicans, a group of fanatical abolitionists who, after Lincoln’s assassination, sought to dominate American government and punish the South as harshly as possible. Johnson's focus on healing the nation and his refusal to submit to the Radicals’ demands led to his impeachment. Though Johnson was acquitted, his impeachment clearly illustrates the danger when one branch of government tries to dominate the others. This chronicle of the first U.S. presidential impeachment covers in detail the political forces that nearly removed him from office. Numerous illustrations, a bibliography and an index are included.
