The Murder Code (A Remi Laurent FBI Suspense Thriller–Book 2) Ava Strong,2021-11-03 THE MURDER CODE (A Remi Laurent FBI Suspense Thriller) is book #2 in a new series by mystery and suspense author Ava Strong, which begins with THE DEATH CODE (Book #1). FBI Special Agent Daniel Walker, 40, known for his ability to hunt killers, his street-smarts, and his disobedience, is singled out from the Behavioral Analysis Unit and assigned to the FBI's new Antiquities unit. The unit, formed to hunt down priceless relics in the global world of antiquities, has no idea how to enter the mind of a murderer. Remi Laurent, 34, brilliant history professor at Georgetown, is the world's leading expert in obscure historic artifacts. Shocked when the FBI asks for her help to find a killer, she finds herself reluctantly partnered with this rude American FBI agent. Special Agent Walker and Remi Laurent are an unlikely duo, with his ability to enter killers' minds and her unparalleled scholarship, the only thing they have in common, their determination to decode the clues and stop a killer. A priceless, historic painting is stolen from a museum in Washington, D.C., and a dead body is found along with it. When the trail leads back to Paris and demands a historian's expertise, FBI Special Agent Walker realizes he has no choice but to ask Remi Laurent for her help again. Together, they need to travel to the Louvre, visit the scene of the first murder, decode the message in the stolen paintings, and stop the killer before he strikes again. A global manhunt ensues in a race against time, as Remi races to understand the clues, and quickly learns that this killer is more diabolical than anything she could have ever imagined. An unputdownable crime thriller featuring an unlikely partnership between a jaded FBI agent and a brilliant historian, the REMI LAURENT series is a riveting mystery, grounded in history, and packed with suspense and revelations that will leave you continuously in shock, and flipping pages late into the night. Brought to life by author/illustrator Daniel Kenney, this hilarious second book in the Big Life of Remi Muldoon series is perfect for children ages 7-12 and adults ages 21-100.

Indian Army List January 1919 – Volume 2 Army Headquarters, India,2012-02-03 Volume 2 of 4. The January and July issues of the Indian Army List contain not only the distribution of officers on the active list of the Army in India, including officers of British army regiments, battalions etc stationed in India, but are supplemented by the addition of Orders of Knighthood, Honours and Awards, including Foreign Orders, by the non-effective officer list and the War Services of officers of the Indian Army. Details of each officer include dates of birth (except for wartime commissioned officers), date of first commission, of appointment to the Indian Army and dates of promotion. Officers are grouped according to their rank and by seniority within that rank, and are again shown under their regiments/battalions. In the case of British units, their date of arrival in India is shown, and with Indian units their date of formation and changes in title since, plus details of the backgrounds of men recruited, e.g. Sikhs, Punjabis, Dogras, Rajputs, etc. This army list also includes all native Viceroy Commissioned Officers - Subadar Majors, Subadars and Jemadars - and their war services, Major HQs and their staffs, divisional and brigade commanders and their staffs, schools, colleges, Administrative Departments of the Army are all shown. Non-regular Indian Defence Force units such as 22nd Bengal and North-Western railway Battalion, and the Indian Army Reserve of Officers are all there, along with British Warrant Officers serving in departments of the Indian Army. In 1914 there were 116 Indian and 10 Gurkha Regiments, all with one battalion apart from the cavalry, 32 Indian and one Gurkha regiment had been formed and the majority of the original regiments had raised second and sometimes third battalions. This splendid four-volume work reflects the tremendous contribution made by the Indian Army to the Empire's war effort. A full index is included.

Transformed Remi Adeleke,2019-05-14 What would it take for one young Black man not only to rise above statistics but also become a Navy SEAL, actor, entrepreneur, writer, and successful husband and father? In Transformed, Remi Adeleke takes you back to stories from his childhood, from living as Nigerian royalty to losing his father early in life and being stripped financially of everything by the Nigerian government. Following his father’s death, he and his mother and brother relocated permanently to the Bronx where his single mother struggled to provide for the family. Statistics tell us that African American males who grow up in a single-parent household are nine times more likely to drop out of high school and twenty times more likely to end up in prison than any other demographic. While it would have been easy to believe that he could never beat those odds, Remi Adeleke refused to fall victim to that premise. Sharing his incredible journey through the struggles of his life, Remi doesn’t shy away from his illegal activities as a young man that threatened to derail his future as a Navy SEAL. He shares: How perseverance transformed his life despite all odds How taking ownership of his mistakes and shortcomings led him to success His hard-earned wisdom gained over years of struggle Belief that the adversities, trials, and tribulations he went through were specific moves by God At every turn, including throughout his naval career, Adeleke found a way to overcome the odds, even when it didn’t make sense. Remi Adeleke’s journey of following God’s voice, rising above statistics, and experiencing true personal transformation will inspire and move you.
