**Plant Inventory No. 184** Howard L. Hyland,1978 This inventory, No. 184, lists the plant material (Nos. 405410 to 414155) received by the Germplasm Resources Laboratory, Plant Genetics and Germplasm Institute, Science and Education Administration, during the period from January 1 to December 31, 1976. The inventory is a historical record of plant material introduced by Departmental and other specialists and is not be considered as a list of plant material for distribution. The species names used are those under which the plant material was received. These have been corrected only for spelling, authorities, and obvious synonymy. Questions related to the names published in the Inventory and obvious errors should be directed to the author. If misidentification is apparent, please submit a herbarium specimen with flowers and fruit for reidentification.
