The Annotated Innocence of Father Brown G. K.

Chesterton,2012-04-26 Father Brown, an ordinary priest whose unremarkable exterior conceals extraordinary crime-solving ability, is celebrated for his solutions to metaphysical mysteries, a genre perfected by his creator, G. K. Chesterton. More than lighthearted comedies built around puzzling crimes, these superbly written tales contain deeply perceptive philosophical reflections. The Innocence of Father Brown (1911) was the first collection of stories featuring the ecclesiastical sleuth and is widely considered the best. In this annotated edition of the collection, the Chesterton scholar Martin Gardner provides detailed notes and background information on various aspects of such stories as The Blue Cross, The Secret Garden, The Invisible Man, The Hammer of God, The Eye of Apollo, and seven more, as well as an informative introduction and an extensive bibliography. Included also are eight illustrations reproduced from the first edition. The result is an indispensable companion for all Chesterton enthusiasts and a perfect introduction for anyone who has yet to meet the incomparable Father Brown.

A Status Report on the San Felipe Division, Central Valley Project, California ,1981

Ptolemy the second Philadelphus and his world Paul R. McKechnie,Philippe Guillaume,2008 Ptolemy II Philadelphus, second Macedonian king of Egypt (282-246BC), captured intellectual high ground by founding the Alexandrian Library and Museum, and cemented celebrity status by bankrolling his courtesans' endeavours in Olympic chariot-racing. In this book scholars analyse a range of key aspects of Philadelphus' world.
