**Rescue Me** Sarra Manning,2021-01-21 Margot doesn't have time for love. Will is afraid to love. And neither of them are expecting to fall in love with Blossom: a gentle Staffy with a tragic past, a belly made for rubbing and a head the size of a football. After their first meeting at the rescue centre, both Margot and Will want to adopt Blossom so reluctantly agree to share custody. But Will's obsession for micro-managing and clear-cut boundaries and Margot's need to smother Blossom with affection, means that soon they have a very confused and badly behaved dog on their hands. Can they put their differences aside to become successful co-pawrents and maybe even friends? And meanwhile, does Blossom have plans of her own?

Rescue Me Gigi Levangie Grazer,2005-08-02 Amanda McHenry had no idea 1985 would be the year she fell in love -- and the year her world would come apart.

**Why We Suck** Denis Leary, 2008-11-18 The New York Times bestseller One of America's most original and biting comic satirists, Denis Leary takes on all the poseurs, politicians, and pop culture icons who have sucked in public for far too long. Sparing no one, Leary zeroes in on the ridiculous wherever he finds it—his Irish Catholic upbringing, the folly of celebrity, the pressures of family life, and the great hypocrisy of politics—with the same bright, savage, and profane insight he brought to his critically acclaimed one-man shows *No Cure for Cancer* *Lock 'n Load*. Proudly Irish-American, defiantly working class, with a reserve of compassion for the underdog and the overlooked, Leary delivers blistering diatribes that are both penetrating social commentary with no holds barred and laugh-out-loud funny. As always, Leary's impassioned comic perspective in *Why We Suck* is right on target. Leary is the star and co-creator of the Emmy-nominated television show *Rescue Me*.

**Rescue Me (Montana Rescue Book #2)** Susan May Warren, 2017-01-31 When Deputy Sam Brooks commits to something, nothing can sway him--not just on the job as liaison between the Mercy Falls sheriff's department and PEAK Rescue, but in his private life. He's the one who stuck around to take care of his mother after his

father's accidental death. And he's the one--perhaps the only one--who believes Sierra Rose is the perfect girl for him. Safe, practical, and organized, she's nothing like her hippie, impulsive, bleeding heart sister, Willow. Willow, however, has been in love with Sam Brooks for as long as she can remember. But she wants her sister to have a happy ending. Besides, Willow has other things to focus on--namely, nabbing the job as youth pastor for her small-town church. Best thing for her to do is to purge Sam from her heart. Neither can predict the events that will bring them together in a fight for their lives in the forbidding wilderness of Glacier National Park. Stranded, injured, and with the winter weather closing in, Sam and Willow will have to work together to save a crew of terrified teenagers. As they fight to survive, they might just discover a new hope for love.

**21st-Century TV Dramas** Amy M. Damico, Sara E.

Quay, 2016-02-12 In its exploration of some of the most influential, popular, or critically acclaimed television dramas since the year 2000, this book documents how modern television dramas reflect our society through their complex narratives about prevailing economic, political, security, and social issues. Television dramas have changed since the turn of the 21st century—for the good, many would say, as a result of changes in technology, the rise of cable networks, and increased creative freedom. This book approaches the new golden age of television dramas by examining the programs that define the first 15 years of the new century through their complex narratives, high production value, star power, popularity, and enthusiastic fan culture. After an introduction that sets the stage for the book's content, thematic sections present concise chapters that explore key connections between television dramas and elements of 21st-century culture. The authors explore *Downton Abbey* as a distraction from

contemporary class struggles, patriarchy and the past in *Game of Thrones* and *Mad Men*, and portrayals of the dark hero protagonist in *The Sopranos*, *Dexter*, and *Breaking Bad*, as a few examples of the book's coverage. With its multidisciplinary perspectives on a variety of themes—terrorism, race/class/gender, family dynamics, and sociopolitical and socioeconomic topics— this book will be relevant across the social sciences and cultural and media studies courses.

**Rescue Me** Christy Reece, 2009-04-28 “Mindful of the quality expected of Cherry Adair and Mariah Stewart, Christy Reece’s first novel is a terrific romantic suspense thriller.”—Harriet Klausner, *Merry Genre Go Round Reviews* A covert operative of Last Chance Rescue (LCR) Enterprises, Eden St. Claire has made secrets her life’s work. Seven years ago, an evening of emotional vulnerability and pure pleasure almost destroyed her. Now Eden wears her beauty like a mask, concealing any hint of vulnerability or the demons of her past. A daring rescue of an innocent girl on a Greek island leads Eden to a new partner. Jordan Montgomery has been looking for Eden—though he knows her by another name, from another time. But his search for her is overshadowed by a case that’s gone international. A powerful, ruthless, organized network is stealing women and children around the world. And a lover, a traitor, and a killer all wait for Eden’s next move. “A sizzling new suspense trilogy bursts onto the scene as Reece invites readers to join the adventures of Last Chance Rescue Enterprises. . . . Plenty of danger and intrigue make this a promising series launch!”—*Romantic Times Magazine* “Rescue Me is an exciting magnetic story. . . . Oh, yes!”—*Fresh Fiction*

**Rescue Me** Michelle L Teichman, 2016-10-05 Life is exciting if you're one of the top RCMP officers in the country. With a few good years under her belt and a promotion so close she can almost touch it,

Staff Sergeant Kristen Bailey of the Royal Canadian Mounted Police has everything figured out. Until she meets Ashleigh Paige. Beautiful, naïve, intelligent, and trusting, Ashleigh is the perfect possible lead for Bailey's case. All she has to do is get close to her. The only problem is Ashleigh's a paramedic, and in Toronto, paramedics and cops don't mix. Undercover and searching for answers as a Toronto police officer, Bailey uses her charm to get Ashleigh to trust her and open up about what she knows surrounding the case of a dead police officer and the paramedics who might have murdered him. The trouble is, the closer she gets to Ashleigh, the more the line between informant and intimate gets blurred.
