**Rescue Me** Dawn Williams, 2022-08-01 Sibella My wedding to the son of an influential Texas family was within a month and my psychology practice was thriving. My life looked picturesque, but I was good at putting on a brave face when in fact, I was miserable. The stress of my job was literally killing me, a faceless stalker was threatening my life, and trouble was brewing with my fiancé. When beautiful and brave Kyle Benson came to my rescue, I recognized something in him I needed. I needed him as surely as I needed to breathe my next breath. Kyle A cruel twist of fate changed my life irreparably. I resolved to deny my emotions and desires forever taking refuge in my career as a Navy SEAL sniper. On one extraordinary night, the unthinkable happened. An intoxicatingly beautiful woman stirred the intense hunger within me that I swore to resist yet, at every turn, fate placed Sibella Shay in my path. She's a distraction I cannot afford, but I've come to quickly realize I can't live without her and I'll stop at nothing to protect her.

*Nobody's Dream (Rescue Me Saga #6)* Kallypso Masters, 2015-03-31 One broken heart. One battered soul. No one said life would be fair or easy. Quiet, Peruvian-born artist Cassie Lopez learned this the hard way. Betrayed by the man she planned to marry, she shut herself off as far away from all but her closest friend from college... Until the night Luke Denton came crashing into her Colorado mountain sanctuary with a vengeance. Confused by her heart's response to this kind and gentle man, Cassie pushes herself to help the cowboy recover quickly so she can send him on his way. But Luke's patience and understanding threaten to break down the very defenses she needs to survive in this world after he's gone. Search-and-Rescue worker Luke, who lost his wife and unborn child in a tragic accident, also knows firsthand of the unfairness of life. He keeps his own nightmares at bay by focusing on his rescue activities, most recently adopting and working with abused and neglected horses. Can two wounded people find trust and love together? Do nightmares end where dreams come true? SPECIAL NOTE: This book contains a number of chapters that focus on the continuing journey of Adam and Karla Montague.

Rather than publish it as a separate short novel, Kallypso Masters chose to incorporate them into Luke and Cassie's story. But it's a bonus for readers who get an enormous book—for a much longer Rescue Me Saga visit with some of the couples you love!

**Rescue Me** Margret Grebowicz, 2022-08-16 What exactly is it we want from dogs today? This is a little book about the oldest relationship we humans have cultivated with another large animal—in something like the original interspecies space, as old or older than any other practice that might be called human. But it's also about the role of this relationship in the attrition of life—especially social life—in late capitalism. As we become more and more obsessed with imagining ourselves as benevolent rescuers of dogs, it is increasingly clear that it is dogs who are rescuing us. But from what? And toward what? Exploring adoption, work, food, and training, this book considers the social as fundamentally more-than-human and argues that the future belongs to dogs—and the humans they are pulling along.
