Edith Wharton,Ogden Codman

The Decoration of Houses Edith Wharton, Ogden Codman, 2015-04-15 This Dover edition, first published by Dover Publications, Inc., in 2015, is an unabridged republication of the work originally published by Charles Scribner's Sons, New York, in 1914.

Classic Florida Style William Taylor, Phyllis Taylor, Beth Dunlop, 2014-04-01 The Miami Beach-based architecture and interior design firm presents luxurious private residences from Orlando to Key West, reinterpreting Florida styles from Mediterranean to Art Deco. Though the husband-and-wife team of Taylor & Taylor travel widely to find design inspiration in the U.S., Europe, South and Central America, and the Caribbean—they always retain their first love: the historic architecture of Florida itself and its blend of rustic and romantic, from Italianate palazzos to Art Deco hotels and Key West's bungalows. *Classic Florida Style* presents ten coastal residences in resplendent photography to match the tropical hues and lush natural surroundings of the sunshine state. Design lovers will see not only homes that integrate orange groves and sunsets reflecting off Biscayne Bay, but also gorgeous interiors that take full advantage of Florida's crystalline light—superbly crafted spaces in which the ocean breezes can almost be felt ruffling the curtains. Locales range from a private island near Key West, to Coral Gables, Fisher Island, and Lake Thonotosassa, northeast of Tampa—even the South Carolina home of one Florida-minded football giant, a former quarterback for the Miami Dolphins. Whether drawing on the architecture of British Colonial Bermuda, or the Spanish-inspired designs of George Washington Smith and Wallace Neff in California, each home

takes full advantage of glamorous indoor-outdoor living and a seamless blend of native Florida materials and singular antiques.

The Decoration of Houses ,2020-04-29 Thousands of books on interior design have come and gone since the 1897 publication of this pioneering manual, but *The Decoration of Houses* remains, thanks to the insightful and inspiring advice of its co-authors. Before she became the Pulitzer Prize-winning author of *The Age of Innocence*, Edith Wharton was a society matron, remodeling a summer home in Newport, Rhode Island. With the able assistance of architect Ogden Codman, Jr., Wharton assembled this corrective to the rampant vulgarity of her nouveau riche neighbors. Wharton and Codman defied the excesses of the Gilded Age, counseling readers to reject the popular penchant for clutter in favor of simplicity and balance. More than an engaging item of period charm, this historic guide offers examples of design rooted in architectural principles. Black-and-white photographs illustrate the authors' ideals of classic beauty, depicting grand ballrooms and spacious boudoirs as well as the elements common to homes of every size and era: doors and windows, walls and ceilings, floors, halls, and stairs. One of the genre's most important and influential titles, this volume sparked a Renaissance in American interior design, and its sound advice and practical approach remain forever in style.

The Decoration of Houses Edith Wharton,1897 *The Decoration of Houses*, a manual of interior design written by Edith Wharton with architect Ogden Codman, was first published in 1897. In the book, the authors denounce Victorian-style interior decoration and interior design, especially rooms decorated with heavy window curtains, Victorian bric-a-brac and overstuffed furniture. They argue that such rooms emphasize upholstery at the expense of proper space planning and architectural design and are, therefore, uncomfortable and rarely used. Wharton and Codman advocated the

creation of houses with rooms decorated with strong architectural wall and ceiling treatments, accentuated by well-suited furniture, rooms based on simple, classical design principles such as symmetry and proportion and a sense of architectural balance. The Decoration of Houses is considered a seminal work and its success led to the emergence of professional decorators working in the manner advocated by its authors, most notably Elsie de Wolfe. The book was reprinted by The Mount and Rizzoli and in a hardcover facsimile in 2007.

Coastal Modern Tim Clarke, Jake Townsend, 2012-04-03 The beach house is more than just a place to live—it is a symbol of a life well lived. —from the Introduction Coastal homes capture our imagination because they hold the promise of freedom, escape, and pure relaxation. Celebrity decorator Tim Clarke is acclaimed for creating residences that are deep reflections of the people who live in them, as well as of the gorgeous natural environments that surround them. In these luscious pages, you will be transported to fifteen of the most extraordinary homes inspired by the essence of the coast—every one a unique blend of beauty and comfort. In a style Tim identifies as Scandia surf, white paneling, blue-gray hand-blocked curtains, and timeworn driftwood side tables offer a quiet retreat from the owners' busy lives. Tim's native woods aesthetic plays out in a sprawling outdoor living room with a reed ceiling and a Balinese light fixture; lush foliage planted around the perimeter lends an exotic ambience. And in a refined beach classic home, where nothing is too precious for the everyday and where flip-flops are welcome, furniture made from weatherproof fabrics and vintage nautical objects make the rooms feel as timeless as khakis and a white shirt. Noted photographer Noah Webb captures the warmth and elegance of these seamlessly connected interiors and exteriors. Paired with Tim's unique insights into sophisticated yet undeniably fresh design, this beautiful volume will inspire you to channel all that you love about the shore into a truly

livable modern home.

Innovative Student Residences Avi Friedman, The Images Publishing Group, 2016-03-29 Current design modes of student residences are facing challenges of both philosophy and form. Past approaches no longer sustain new demands and require innovative thinking. The need for a new outlook is propelled by fundamental changes that touch upon environmental, economic, and social factors. Thinking innovatively about university accommodation led to the idea to write *Innovative Student Residences*. The author offer a fascinating insight into contemporary design concepts and illustrates them with outstanding examples, showcased by full-color photography and detailed plans.

New York Design at Home Anthony Iannacci, 2019-03-26 A photographic tour through designers'

own spaces, from a Greenwich Village town home to a Park Slope brownstone and beyond. Designers' homes often serve as laboratories where they are free to experiment. These spaces are filled with the designer's most personal and cherished objects, furnishings, and artwork that are concentrated expressions of their style and interests. New York Design at Home profiles 27 homes and looks at how these creative professionals—among them David Gresham, Ellen Hanson, Benjamin Pardo, Ariel Ashe, and many more—approach design in their personal space. Like most New York City residents, they are decorating with much smaller budgets than they have on their work projects, but they find creative ways to deal with tiny bathrooms, awkward and unusable kitchens, and shared living spaces. Photographed by Noe DeWitt, New York Design at Home highlights the carefully considered details within each interior—the Pablo Picasso painting reproduced as wallpaper, the kitchen utensils on display, textiles that provide pops of color in an otherwise monochromatic space—and captures the creative essence of these homes with new, never-before-published images.
