**Journey Towards Early Retirement Through Real Estate Investing** Michael Steven, 2020-12-18 How to make enough passive income from your properties to retire in 10 years, even if you have zero investments today Do you want to shorten your years working a 9-to-5 job and increase the years you'll spend doing what you love, while you can still do it? Traditional wisdom advises us to keep toiling, scrimping, and saving until we finally reach the retirement age of 60, after which we can live off what we've saved and hope we die before it runs out. But what if you can hustle more today so you don't have to wait until you're a senior citizen to enjoy life's freedoms? What if you can continue making money in retirement so that you can afford to leave a significant nest egg to your children? Real estate is lauded by many financial experts as a key to building wealth. It's a reliable means of beating inflation, a tangible investment that can be leveraged and can exponentially increase its value through capital appreciation. One of the best benefits of real estate is its income-producing opportunities. There are a lot of ways real estate can make you money, from flipping, rentals, and more. You can take advantage of these opportunities to build a regular pension that will provide a steady source of income -- and replace your day job -- way sooner than it would take with stock investments. If you're willing to put in the research and the leg work, retirement can come sooner rather than later by investing smartly in real estate. Get to know the fundamentals and processes involved in starting a real estate portfolio for retirement income in this handy guide to real estate investing. In Journey Towards Early Retirement Through Real Estate Investing, you will discover: How to determine exactly how much you need in order to retire (it might not be as much as you think!) How to buy your first investment property with limited funds and minimal experience The indispensable step you should never skip when selecting an investment property, which will save you time and money down the road How you can live in your property for free while easing into the world of real estate rentals How taking out a loan and paying interest can help you save money and earn a higher return on investment How you can upgrade to a bigger and more profitable property without having to pay additional taxes 5 resourceful value-adding ideas to add significant dollars to your rental income without having to shell out more money How to shorten your mortgage by as much as 13 years, while continuing to invest in more properties And much more. Nothing worthwhile will come without some effort and commitment. Even though early retirement doesn't seem like an achievable goal right now, if you're truly serious about changing your life's trajectory, you can make it happen. There will be some lifestyle changes involved, a lot of hard work to be done, and a huge amount of patience required. But in the end, all that will be worth it to live the life you've always wanted. **Rental Property Strategies** Michael Steven, 2021-07-16 Before you start investing in rentals, you should know what you're getting into. If you're looking to become financially free before you reach your sixties, investing in real estate is a blueprint that's been proven to work. In the past 50 years, over 70% of American taxpayers declaring more than a million dollars on their income tax returns have invested in real estate, according to the IRS. And it's not hard to see why. From fighting off inflation and generating cash flow to property appreciation and tax benefits, real estate gives investors multiple ways to build and keep wealth. And while there are several ways to invest in real estate, investing in rental properties is an ideal starting point for beginners, even those without any real estate background. Unlike flipping or wholesaling, rental properties are simple enough to understand, and with the right knowledge and research, strategies to make money off them are not difficult to implement. However, just because it's simple doesn't mean it's something you can just get into without proper education and preparation. You have a wide range of options you need to consider when investing in rental properties-from location, type of property, type of rental arrangement, financing, and investment strategy. Ultimately, the decisions will be up to you, but before you can make the right one, you need to have all the information you need. In Rental Property Strategies, you'll find valuable knowledge and helpful advice based on years of experience in real estate. Inside, here is just a fraction of what you will discover: How to get other people to pay for your mortgage, while you continue to stay in your own house The simple method to figure out how many rental properties you need to invest in to achieve financial freedom Why you should never buy a rental property based on its potential for appreciation How to grow your portfolio from one rental property to six in less than 10 years, while keeping your debt obligations down How to peacefully and compassionately deal with tenants who fail to pay rent on

time How to legally defer paying taxes on your investment property when you upgrade your investment Quick and easy ways to increase your rental income without any additional effort or expenditure The must-have back-up for every rental property to ensure you can continue your mortgage payments, no matter the economic situation And much more. Although real estate can be very lucrative, there are still quite a number of real estate investors who lose money in their investments. Whether it's taking on too much risk, getting into more than they can manage, or not studying the market beforehand, there's a lot that can go wrong when you are ill-prepared to take on a big investment. By equipping yourself with the right knowledge and surrounding yourself with the right people, you can protect yourself from losses and set yourself up for financial independence, sooner rather than later. If you want to build up your rental property portfolio in a sustainable and profitable way, then scroll up and click the Add to Cart button right now.

**The Book on Rental Property Investing** Brandon Turner,2015-10-28 With more than 350,000 units sold worldwide, this fan-favorite will show you every strategy, tool, tip, and technique you need to become a millionaire rental property investor.

**Passive Income Playbook** Jim Sheils,Jamie Sheils,2023-11-05 What if you had a proven playbook to leverage real estate investments to buy back your time and create a legendary family life? Sadly, most people believe they must settle for working long hours and trading time for money. They have little margin and are missing out on the magic moments they'll never get back. With Passive Income Playbook, you'll gain more than wealth; you'll learn how to create a reservoir of time-your most valuable asset-to spend on the family experiences you've always desired. This is more than an investment guide; it's a blueprint for a balanced life, rich with financial success through Build-To-Rent real estate and deep family connections. Jim and Jamie Sheils can relate. They have walked the same road, trying to discern which risks to take, unsure of how to create passive income streams while also being present and playful with their family. Everything changed when they discovered 10 powerful principles that reshaped their family life, including the amount of time spent at the office and how they created wealth. Everything became clear when they aligned and utilized the 10 powerful principles of Build-To-Rent real estate. In this book, you'll discover how you can: Generate sustainable wealth without sacrificing your time. Invest with confidence. Experience a better quality of life with more predictability and less risk. Fund your legendary family life starting today.
