Lose the Resume, Land the Job Gary Burnison, 2018-02-13 'Lose the Résumé' breaks down every aspect of job hunting, explaining what matters and what doesn't. – The New York Times Book Review Lose the resume and land that coveted job Gone are the days of polishing up your resume and sending it out at random. At every level today, you need to “lose the resume” in order to land the right job. In other words, you have to learn to tell a story about yourself that speaks to your competencies, purpose, passion, and values. *Lose the Resume, Land the Job* shares the new rules of engagement: How you must think, act, and present yourself so you can win. Based on inner exploration drawn from the IP of the world's largest executive recruiting firm, the book gleans insights and stories (the good, the bad, and sometimes the ugly) from Korn Ferry recruiters across the globe who work with thousands of candidates each day. It helps you gain a deeper perspective on who you are, what you're passionate about, the cultures in which you fit, the kind of bosses you should work for, and where you can bring the most value to organizations. • Includes assessments, questionnaires, and other tools • Candid advice for young professionals through middle managers • Offers trusted guidance from the same firm that has shown 8 million executives how to achieve their career goals, and that puts a professional in new job every three minutes • Helps you build a plan for the future so you can contribute more to the next employer Getting a job and, more importantly, building a career has never been more complex. *Lose the Resume, Land the Job* helps you score the positions that align with your passion and match your attributes — and that will put you on a trajectory toward bigger and better things.

The Resume Design Book Matthew Cross, 2015-04-02 Forget the days of sending out hundreds of resumes, The Resume Design Book focuses on quality, not quantity. Everything the reader needs to feel confident about their resume, starting a new career, or continuing an existing career is right in this book.--amazon.com.

Ask a Manager Alison Green, 2018-05-01 From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager "A must-read for

anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work."—Booklist (starred review) "The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience."—Library Journal (starred review) "I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor."—Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide "Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way."—Erin Lowry, author of Broke Millennial: Stop Scraping By and Get Your Financial Life Together

Abduzeedo Inspiration Guide for Designers Fabio Sasso,2011-05-19 Brazilian designer Fábio Sasso, who has wildly popular design blog Abduzeedo, has created the definitive guide to design. This book features interviews with designers and offers tutorials on various design styles, an extension of what he does with his site abduzeedo.com. Each chapter addresses a particular style, e.g., Vintage, Neo-surrealism, Retro 80s, Light Effects, Collage, Vector, and starts off with an explanation about the style and techniques that go into that style. Next, the Abduzeedo Design Guide shows images from different visual artists illustrating each style. Fábio interviews a master of each style, such as, in the case of Retro Art, James White. Then he wraps up the chapter with a tutorial showing the elements and techniques for creating that style in Photoshop. Meant for beginning to intermediate designers as well as more experienced designers looking for inspiration, the book focuses on styles that can be applied both to web or print.
