However, the Book of Revelation has existed for almost 2,000 years and is open to countless interpretations. Don't get confused by scholarly analysis and religious dogma! The Complete Idiot's Guide® to the Book of Revelation shows you how so many meanings are derived from the book's text. In this Complete Idiot's Guide®, you get: • Various ways to interpret Revelation and its symbols • A detailed examination of the key elements, including the Seven Seals and the Antichrist • A look at how the Jewish Old Testament and prophecies relate to Revelation

Revelation Bombshell Charles Cooper,2012-12 For I will keep you from the hour of trial that will come upon the whole earth (Rev. 3:10). For the pretrib rapture view, this is the foundational verse that underpins the entire view. But does this verse really teach that the church will be raptured before the great tribulation? If not, what does the removal of this verse from the discussion do to the scholarly support for this widely held view? It devastates it. In these pages, Charles Cooper of The Prewrath Rapture Institute (and author of God's Elect and the Great Tribulation and Fight, Flight, or Faith deep dives this fascinating topic. First, he lays out the importance of Revelation 3:10 in the words of today's most renowned pretribulation proponents. Then he systematically dismantles the argument piece by piece, relying heavily on insights from a little known but critical voice in the rapture debate. In the end, a thorough and honest look at the Scriptures results in a bombshell conclusion that will forever change the way you look at Revelation 3:10 and the timing of the second coming.

The Seven Thunders John Henry Holloway,2011-08-30 DISCOVERING THAT WHICH WAS HIDDEN IN SECRET! In a world wracked with so much uncertainty and fear, man runs to and fro, searching frantically for life's answers. He searches every nook and cranny for the meaning of his existence on earth and yet he has so far found very little that truly satisfies his deep longing to know the truth of his own being and purpose in life. Now, for the first time, The Seven Thunders provides you with insight into the reality and true purpose of your existence which was formulated within the counsels of the Most High before the foundation of the world. It takes you on a spiritual journey into the mind of God to reveal the true you and your purpose in Christ before time began. This way you may come to understand who you really are in Christ Jesus and what God's plan is and has always been for the manifest sons of God as we near the ultimate end of the age and the final revelation of Jesus Christ from heaven! The Seven Thunders unveils that which has been sealed for the past two thousand years and lays bare the thoughts that God has had of mankind before the creation of the world. In this book you will discover why you are on earth and from where you really come. Nothing before has been so revealing! But beware if you dare to enter in, for you will never be the same again. Life as you currently know it will radically change as you discover that what you thought was real, in time, is merely a figment of God's imagination, in eternity!

A Revelation of Jesus Christ J.B. Smith,2004-05-10 From the Introduction by Merrill C. Tenney: This commentary is an attempt to make plain the meaning of Revelation. With commendable reserve, Dr. Smith has restricted himself largely to interpretation by other passages of Scripture which are related to Revelation by actual quotation or by striking parallelism. His painstaking studies of vocabulary and of related ideas make the book valuable to the earnest student of the Bible. Dr. Smith is a futurist and a premillenarian, holding that all of the Book of Revelation beginning with the fourth chapter relates to the future period of judgment known as 'the great tribulation,' which will be followed by the personal return of Christ and by the establishment of His kingdom. In this regard he is in a long line of renowned commentators, including Seiss, Gaebelein, Ottman, and others. The distinguishing feature of this commentary is its use of Biblical statistics and comparisons. The uses of important terms in the Revelation are cataloged, and their interpretation is derived from their context. The appendices contain some extensive studies of individual topics, correlating information not easily obtainable elsewhere. Dr. Smith follows a literal interpretation except where avowed symbolism demands a different procedure. He has sought to make his exposition consistent in method and in results. His use of Greek is apt, and shows a careful investigation of the underlying vocabulary of the Greek text. This commentary will probably be the mainstay of premillennial exposition for some years to come.

Revelation in Aztlán Jacqueline M. Hidalgo,2016-08-31 Bridging the fields of Religion and Latina/o Studies, this book fills a gap by examining the "spiritual" rhetoric and practices of the Chicano movement. Bringing new theoretical life to biblical studies and Chicana/o writings from the 1960s, such as El Plan Espiritual de Aztlán and El Plan de Santa Barbara, Jacqueline M. Hidalgo boldly makes the case that peoples, for whom historical memories of displacement loom large, engage scriptures in order to make and contest homes. Movement literature drew upon and defied the scriptural legacies of Revelation, a Christian scriptural text that also carries a displaced homing dream. Through the slipperiness of utopian imaginations, these texts become places of belonging for those whose belonging has otherwise been questioned. Hidalgo's elegant comparative study articulates as never before how Aztlán and the new Jerusalem's imaginative power rest in their ambiguities, their ambivalence, and the significance that people ascribe to them.

Revelation ,1999-01-01 The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the Beast will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

A Commentary on the Revelation of John George Eldon Ladd,1972-01-10 In this widely praised exposition of Revelation, George Eldon Ladd treats the Apocalypse as a true prophecy--one that reflects the situation of the church when the book was written as well as the situation the church will face at the time of the consummation of God's redemptive plan.

Prosperity, Wealth, and Abundance Earl E. Thomas,2023-03-30 It's God's Idea is a Holy Spirit inspiration on one of the most controversial topics in the body of Christ today. This book is a word-based study on what God has to say on the topic, his purposes and plans for creating wealth and the deceptions from the enemy to try to keep it out of the hands of the body of Christ. After hearing many other views on the topic such as radio, the internet, personal conversation, and many preachers. God's idea is revealed for us to follow. In this book, you will learn the following: God's idea for wealth in the earth and in heaven. The many patriarchs in the Old Testament who God made enormously wealthy. God's intended purpose and power for wealth. God's two covenants of wealth in scripture. Jesus Christ the greatest prosperity preacher ever in the history of mankind. How God said we should take care of our priest and pastors. God's view on poverty, debt, and lack, and the lies, tricks, and deceptions of our enemy about wealth and why he tries to keep it from the body of Christ. How Scripture says God gets joy, pleasure, and honor and how he is magnified and acknowledged by seeing his children prosper and the revelation the world gets from God through our wealth.

Revelations of a Melchizedek Initiate Joshua David Stone,1998-12-01 This book traces the author's journey of ascension through the seven levels of initiation, through the process of anchoring and activating his fifty chakras, expanding to a 99-percent light quotient, then on to anchoring and fully activating all twelve bodies, which include the five higher bodies. Exactly how this is done is shared, and in-depth information is given on the workings of the inner-plane ashram under the guidance of Djwhal Khul, Lord Maitreya and Lord Melchizedek. You are invited to journey with him as he unfolds the process of his initiations, beginning at the sixth, moving through the equivalent of the tenth initiation and into the beginning of the eleventh. Written as a personal log, this book shares, in an open and candid manner, dreams, meditations, conversations with the masters, spiritual background, thoughts and reflections and actual ascension experiences.

Revelation's Great Love Story Larry L. Lichtenwalter,2008 The Book of Revelation. The Apocalypse. Words that often call to mind bizarre creatures, strange seals, dreadful plagues, and a slew of other mystifying symbols. Most of us approach this last book of the Bible with forebodings rather than hope. To us John's vision seems more like a nightmare. But the elderly apostle begins with a statement that doesn't seem to fit the rest of the book: "The revelation of Jesus Christ." Apparently he intends to unveil something tremendously important about Jesus. Something life-changing. Something we can't afford to miss. Larry Lichtenwalter explores a side of Revelation seldom portrayed: Christ's passionate love for humanity. This recurring theme subtly appears in the imagery and symbolism throughout John's vision. The slain Lamb. The divine protective sealing. The blood-bleached-white robes. The heart-wrenching prayer of the saints. Without Christ's love, these scenes and symbols would mean nothing. Ultimately John's vision reveals the extraordinary love of our Savior for His rebellious, undeserving children and the incredible reasons we can love Him in return.
