*Ponting* Ricky Ponting, 2013-10-21 The number 1 bestseller in paperback. One of the greatest cricketers of all time, Ricky Ponting boasts more records than any other player in Australian history including the most wins as a player and a captain, as well as being Australia's highest run-scorer in test and ODI cricket. From childhood prodigy to the highs and lows of an extraordinary international career, *At the Close of Play* is the remarkable autobiography of one of the game's greats. But beyond the triumphs and scandals, records and retirement, this is the story of a life lived in cricket and of a life shaped by extraordinary talent and the people who believed in that talent.

*At the Close of Play* Ricky Ponting, 2014-06-05 Love him or loathe him, Ricky Ponting is one of the biggest names in cricket, having been at the heart of so many memorable Ashes and Test encounters over the years. Coinciding with the end of Ponting's spectacular career, Ricky's autobiography lifts the lid on the achievements and incidents which have defined his spell in the game.

**Ricky Ponting's Captain's Diary 2007** Ricky Ponting, 2010-04-01 From facing the old foe, England, to a World Cup campaign, Australia's cricket captain charts his year ... In 2006-07, Ricky Ponting's Australian team achieved the first Ashes clean sweep in 86 years, an experience Ponting described as 'the best of my cricketing life'. It featured stunning performances from men such as Shane Warne, Adam Gilchrist and Andrew Symonds, while the captain himself

drew comparisons with Bradman following his hundreds in the opening two tests. Yet, immediately afterwards, the Australians produced an even more commanding performance at the World Cup in the Caribbean. Not even the bizarre ending to the final against Sri Lanka, in near darkness after officials misinterpreted the playing conditions, could hide the fact that this victory was one of the most dominant in Australian sporting history. It was a season of triumph, but also the last for some of Ponting's great teammates - Warne, Glenn McGrath, Justin Langer and Damien Martyn - and coach John Buchanan, who all announced their retirements. In Captain's Diary 2007, Ponting pays tribute to these men, and in doing so reveals why they, and the team he is privileged to captain, are so special.

Captain's Diary 2008 Ricky Ponting, 2010-07-01 It was one thing for the Aussie cricket team to become world champions; staying No. 1 is a whole new ball game. 'When the Australian team talks about playing aggressively, we are committing ourselves to playing hard. there's nothing given and there's nothing asked to be given.' - RICKY PONTING, OCTOBER 6, 2007 the Australian cricket team's program for 2007-08 was as hectic as ever, featuring the ICC World twenty20 and matches against Sri Lanka, India, New Zealand and the West Indies. As well, many of the Australian players were involved in the inaugural season of the Indian Premier League. Yet when the season began, no one could have imagined it would generate the headlines it did. Much of this coverage came from the acrimonious battles between Australia and India, both in a one-day series in India and then in the tests in Australia that followed. Ricky Ponting was confronted with a series of controversies that none of his predecessors as Australian captain had faced, and now, in Captain's Diary 2008, he explains his side of the story. Many players, including Ponting, who are more used to being treated as heroes, were suddenly cast as villains. Did they really deserve the level of criticism that came their way? the Australian team has changed greatly in the past two years. Having lost a number of champions in 2007, a few more stars - most

notably Adam Gilchrist - retired in 2008, and here Ponting pays tribute. He also traces the astounding rise of twenty20, and offers his view as to where this exciting new form of cricket might take the game he loves.

Wisden Anthology 1978-2006 Stephen Moss, 2006-10-01 A definitive tome, essential to all cricket book collectors and Wisden readers. In the early

1980s Wisden published four anthologies that celebrated the best of Wisden Cricketers' Almanack stretching back to its first edition in 1864. Edited by the respected jazz musician, raconteur and cricket-lover, Benny Green, these volumes proved very popular. Wisden readers have long awaited a fifth, updated volume to cover the intervening period, marked by all-time greats like Viv Richards, Ian Botham, Richard Hadlee, Imran Khan, Sachin Tendulkar, Steve Waugh, Brian Lara and Shane Warne. The Wisden Anthology 1978-2006 meets this demand, though it does not follow the style of the Benny Green volumes. Rather than selecting random highlights, Stephen Moss has edited this anthology with the aim of painting a coherent picture of cricket's evolution over the past 30 years. Quite simply it is a story of revolution, beginning in Test cricket's centenary year when England regained the Ashes, Geoffrey Boycott scored his hundredth hundred, Ian Botham took five for 74 on debut, and Kerry Packer's millions ensured the era of deferential players earning a pittance was over for good. Thirty years on, for better or worse, cricket has changed radically. The top players form a highly paid elite who rarely venture beyond the international arena; television calls the tune; the political balance of power has shifted towards Asia; one-day cricket in coloured clothing is ubiquitous; and run-rates rise inexorably while batsmen tear bowlers to pieces as never before. To the gnarled old pros of the 1950s the game must be unrecognisable. A genuine revolution, charted in 40,000 Wisden pages over the past 30 years, is now distilled into a 1,280-page

anthology that selects the matches, players, events and controversies which ushered the game into a brave new century.

*The Best XI* Geoffrey Boycott, 2009-05-28 Who'd make it into the best England team ever? And you can choose anyone, regardless of when they might have played. Would W.G. Grace be playing alongside Denis Compton and David Gower? Or Kevin Pietersen? The debate could be endless, so who better to make the selection than Geoffrey Boycott, himself one of England's all-time highest scoring Test batsmen and now the game's most forthright, shrewd and iconoclastic commentator. Based on his own fresh analysis and interpretation of the statistics, Boycott has come up with his own, sometimes surprising Best Eleven of all time. And he's not just cast a critical eye over England's finest either. Every other test-playing nation comes under the spotlight. You may not agree - in fact, you're almost certain not to - but each player has been carefully chosen and the case for his inclusion forcefully argued in what is sure to be the most entertaining, thought-provoking and memorable cricket books of the year from one of the game's most outspoken and enduring characters.

Captain's Diary 2009 Ricky Ponting, 2010-06-01 A Season of Tests, Turmoil and Twenty20 Few Australian cricket captains have had a tougher time than that experienced by Ricky Ponting in 2008-09 - a controversial test tour of India, series home and away against South Africa, more than 30 ODIs, the ICC

World twenty20. And, finally, the fight for the Ashes. Ponting began the year with a better winning percentage than any other captain in test history, but this adventure ended in disappointment, as his young side fell just short in England after a typically dramatic confrontation. the task of replacing recently retired champions such as Warne, McGrath, Gilchrist and Hayden is still a work in progress. However, this is a story with many positives, as Ponting's Australians produced a number of impressive performances, most notably in South Africa, when they stunned the home side in consecutive matches, and at Leeds, when they completed one of the most decisive test wins of recent times. the emergence of young guns such as Mitchell Johnson, Ben Hilfenhaus, Phillip Hughes and Peter Siddle points to an exciting future. throughout the period of cricket recalled in Ashes Diary 2009, Ponting played with a steely spirit that impressed many observers, including the Guardian newspaper which, after the final Ashes test, wrote, 'Staring down the barrel of a loss that must have hurt more than any other in his career, Ponting showed what a class act he is.' During the series, he had become Australia's highest test run-scorer. At the end, the crowd at the Oval gave him an extended standing ovation. this insider's account follows the path that led to this increased respect. It had been quite a year ...
