

# Ride Alaska

Julie and Miki Collins

**Ride Guide to the Historic Alaska Railroad** Anita Williams,Linda Ewers,2003

**A Bicycle Journey to the Bottom of the Americas** George J. Hawkins,2000-10-24 Remember when you were a kid and you got your first bicycle? After a few weeks of mastering the dynamics of balancing, steering, and pedaling, all at the same time hopefully, your father released his protective, steadying grip on the seat and you went wobbling off on your own. It was probably your very first taste of independence and freedom and you knew you liked that feeling very much. Few things in life have ever compared to that first solo ride. Almost 40 years after my first solo bike ride, I was able to recapture the excitement and passion of that momentous occasion when I pedaled out of Anchorage, Alaska bound for Tierra del Fuego-the very tip of South America. No matter that it was 17,500 miles distant and would take 3 years to get there I vowed I would achieve that goal if it took the rest of my life.

**Ride Guide to the Historic Alaska Railroad** Laura Zahn,Anita Williams,1987

*Riding the Wild Side of Denali* Julie Collins,2017-08-15 Identical twins Miki and Julie Collins trap, hunt, fish, and garden in Alaska's wilderness just north of Denali National Park in Alaska's vast interior. Whether taking a 1,900-mile excursion around Alaska by dog sled, defending their huskies from a charging grizzly, or dealing with a panicked horse in an airborne plane, the Collins sisters offer a new perspective on life in the northland. Theirs is an unusual lifestyle even by Alaska standards.

**Motorcycle Dream Ride** David Mixson,2021-11-21 When Mike mentioned the idea of riding our motorcycles from Alabama to Alaska,

I laughed. Three days later, I told him that I thought we should do it.

- David Mixson Why is it that we make lame excuses of why we can't live our BIG DREAMS? Our journey from Alabama to Alaska was less about making it there-and more about discovering things about ourselves we didn't know. It was about uncovering goodness that often goes unnoticed. It was about doing what we weren't sure was possible. It was about overcoming FEAR. Here's what one reader said: Wow! You were in Hyder, Alaska before I put the book down the first time! Your narrative made me feel like I was almost there with you. I really appreciate the insights during the prep, the ride, and in hindsight. The best part is that you've made me excited about pursuing my own BIG DREAM. I would definitely recommend this book to anyone that has a dream or who enjoys riding. Thank you for sharing your adventure! - Lisa (a reader in Birmingham) I wrote ride reports at the end of each day and posted them online for friends and family to read. But I only told part of the story. This book peels back the layers and describes what was really going through my head before, during, and after our ride. This book took me over five years to finish. In many ways, that's a blessing because it allowed me to remember the adventure at a pace I could appreciate and honor. - David Mixson Motorcycle Dream Ride is the second book in the Motorcycle Smarts book series.

**The Ride** William G. Gisel, Jr.,2010-10-05 Foreword by Mike Fraysse, Founder of America's Cycling Team (ACT)In my own experiences, I have found that there is nothing as rewarding as taking on a challenge and seeing your team through. Gisel's story is a fine example of how with enough hard work and commitment, no goal is insurmountable. The lessons we learn along the way are priceless.- Marv Levy, Coach, Buffalo Bills (1986-97)NFL Pro Football Hall of

Fame (Class of 2001) This book inspired me through its description of a physical and emotional venture. As an athlete and competitor, I can appreciate the difficulties that he faced in his undertaking. As a son whose mother, like Bill's, was a patient at Roswell Park, I especially admire his dedication to supporting Roswell and the many families it helps in our community.-Baby Joe Mesi, Undefeated

Heavyweight Not only bicycle enthusiasts, but anyone with an interest in journeys of self-discovery will enjoy Bill Gisel's engrossing narrative of preparing for and finally completing the ride of a lifetime—a six-day, 500-mile bike trip from Fairbanks to Anchorage, Alaska, to raise funds for AIDS vaccine research. By weaving together a series of captivating anecdotes full of colorful characters, bicycle mishaps, and both poignant and exhilarating moments, Gisel allows the reader to participate in the highs and lows of this unique experience. His description of discovering the world of bicycling will resonate with experienced riders and will tempt many other casual riders to haul their old bikes out of the garage. The Ride is also a refreshing story of commitment, friendship, and the desire of a few individuals to help make a difference in a war against a ravaging disease. For those plagued by the too much to do, too little time syndrome, it is also a reminder that, no matter how busy, we can all commit to an important cause. More Praise for The Ride: The Ride is a wonderful adventure book that tells an important story in a poignant and self-effacing way. Bill Gisel's narrative of his biking trip in Alaska made me feel that I was along for the ride and left me hoping he would take us out again soon for another adventure in humanity.-Robert E. Rich Jr., President, Rich Products Corporation When Bill Gisel agrees to a lifelong friend's challenge of a five-hundred-mile bike ride across Alaska to raise money for AIDS research, fear fills him.

Though he's a savvy businessman at the head of a \$2 billion-a-year company, Gisel realizes he's a babe-in-the-woods when it comes to cycling and training for endurance sports. Told in a relaxed letter-to-a-friend style, Gisel's story unfolds to show how a bike ride can broaden your world.-Alan Coté, Contributing Writer, *Bicycling* William G. Gisel Jr. (Buffalo, NY) is the Chief Operating Officer of Rich Products Corporation. Royalties from this book benefit cancer research at Roswell Park Cancer Institute

**Downhills Don't Come Free** Jerry Holl, 2017-06-27 Biking from Alaska to Mexico solo is hard enough. But when you throw in bad weather, flat tires, hair-raising roadways, and unpredictable grizzly bears, only a fool would keep going. Fortunately, Jerry Holl was just the fool for this particular two-wheeled odyssey. Coming off a lifetime of corporate positions, he wasn't exactly prepared—his most trusted companion on the trip was a bike he didn't know how to fix. But inexperience and lack of a concrete plan didn't stop him. For fifty-one days, Holl pedaled his way across two countries, encountering everything weird and wondrous North America had to offer. *Downhills Don't Come Free* takes you through the ups and downs (literal and figurative) of Holl's ride. By turns amusing and reflective, self-deprecating and self-assured, it chronicles every aspect of the journey, from the breathtaking vastness of the Alaskan-Canadian wilderness to the fortitude, generosity, and eccentricity of the people he met along the way.

**Alaska Adventure Guide** Melissa DeVaughn, 2011-01-15 The author has worked to answer all your questions about travel and recreation in a state so remote. This guide attempts to target your interests and save you time, money, and effort so that nothing is wasted during your trip. Because Alaska is so big and your options so

varied, the guide is organized so you can zero in on the activity or activities that appeal to you most. Thirteen chapters focus solely on adventure travel, each devoted to a single activity. The five regional chapters that follow focus primarily on the basics in a given area of the state: getting around, shopping, lodging, dining, and entertainment. Once you've chosen the adventure of your dreams, you can go to the appropriate regional chapter to get the scoop on the best places in the vicinity to stay, eat, buy gear, rent a car, and learn about local culture and history. Outdoor travelers also are likely independent travelers. A multitude of companies offer exciting-sounding jaunts to scenic places all over the state, but many of these outfits work only with tour providers, such as cruise-ship operators, to obtain large numbers of clients per trip--thus excluding people who wish to travel on their own. In this guide, all our listings are available to independent travelers as well as those in tour groups. The objective is not to provide the most information about destinations or attractions, but, rather, the most useful information. The guide is opinionated, and for good reason. Any destination or outfitter listed here has made the cut by proving itself a wonderful place to visit or a reliable company with which to do business. If, for example, you want to learn more about sea kayaking in Alaska, you will not be supplied with every operation in the business--and believe us, there are many of them competing for your dollars. What you will get is a select assortment of those we consider best, and why. After all, isn't the point of a guidebook to help you make the most informed choices?

### **The Adventurous Motorcyclists's Guide to Alaska** Lee

Klancher, Phil Freeman, 2012-07 This colourful guide lists all the road routes in Alaska with recommended dirt road excursions past mines, mountains and streams. The book includes ideal itineraries, the most

interesting side roads, and great places to sleep, eat, and get off your bike to sightsee.

**Picturesque Alaska** Abby Johnson Woodman, 1889 Account of author's journey through the inside passage to Alaska in 1888.

The Unofficial Guide to Adventure Travel in Alaska Melissa DeVaughn, 2008-03-04 From the publishers of The Unofficial Guide to Walt Disney World A Tourist's Best Friend! --Chicago Sun-Times Indispensable --The New York Times Four Great Features and Benefits offered ONLY by The Unofficial Guide: \* Lodging and dining rated for quality and value \* Great ideas for family travel \* An insider's guide to the top outfitters for every activity \* Complete planning information for escorted tours or travel on your own

Joy Ride: A Bike Odyssey from Alaska to Argentina Kristen Jokinen, 2023-05-02 Explorers Kristen and Ville Jokinen met scuba diving in Vietnam and fell in love. She was a real estate agent from Oregon, and he a financial analyst for Toyota in his native Finland. After hiking the Pacific Crest Trail from the border of Mexico to Canada they decided their next adventure would be a two year cycling trip covering 18,000 miles from Prudoe Bay, Alaska, to Ushuaia, Argentina, despite never having cycled other than around the block. Only their starting and ending points were planned, in between was navigated daily by their sense of adventure and intuition. Locals in Mexico, Central America, and South America allowed them to camp in their fields and farms, invited them into their homes and families and acted as tour guides. Kristen and Ville held babies, attended quinceaneras, drank pulque, played soccer, and visited schools. They persevered unrelenting, punishing rain and wind, altitude sickness, dog attacks, bike accidents, and countless flat tires to cycle between the ends of the earth. Ville and Kristen Jokinen

move through the world with a sense of curiosity and belief that kindness connects us to our shared humanity. Well-timed following a global pandemic, Joy Ride reconnects us to hope and the inspiration to pursue our wildest dreams. Kristen and Ville are love on wheels.

"You Can't Ride a Bicycle to Alaska. It's an Island!" Mickey Thomas, 2020-08-18 You'll never make it! With encouragement like that, novice bicycle tourist Mickey Thomas, in a fit of youthful testosterone, and meticulous inattention to detail, embarked on a one-in-a-lifetime 3,400 mile bicycle trip from Montana to Alaska. While navigating knee problems, homesickness, bad weather, and the mental and physical endurance required to finish the trip, Mickey and his group rode over some of the roughest roads and most beautifully desolate scenery in North America. Along the way, he discovers an inner strength he never knew he had. The book is laugh-out-loud funny, as well as an affirmation of the human spirit on the way to the last great North American wilderness. Mickey Thomas lives in North Carolina with his wife Jennifer. He still rides... though not as far...

Alaska by Motorcycle Gregory W. Frazier, 1996-06-01

*Gray Matters* Cherime MacFarlane, 2014-06-16 A novella about motorcycle riding in Alaska. A second chance romance. For the first time in fifteen years, he won't have a child to look after. After a long motorcycle ride and several straight shots of tequila, he's feeling no pain. But what will he do without his daughter over the winter? She went searching for adventure after raising three kids to adulthood. The trip to Alaska is a dream fulfilled. In a lodge several hundred miles from the big city, these two people begin a conversation. He has an empty passenger seat; she's ready to ride. Do they have a future beyond this chance encounter?

*Riding the Wild Side of Denali* Julie and Miki Collins, 2017-08-15

Identical twins Miki and Julie Collins trap, hunt, fish, and garden in Alaska's wilderness just north of Denali National Park in Alaska's vast interior. Whether taking a 1,900-mile excursion around Alaska by dog sled or dealing with a panicked horse in an airborne plane, theirs is an unusual lifestyle even by Alaska standards.

**100 Things to Do in Alaska Before You Die** Fran Golden, Midgi Moore, 2021-03-01 The 49th state is home to magnificent mountains, immense glaciers, and massive stretches of wilderness. Alaska is a unique place where people live in close proximity to the natural world, and where humans and wildlife coexist, albeit very carefully. In *100 Things to Do in Alaska Before You Die*, readers will find inspiration for experiences that will draw you to the Last Frontier. Watch a glacier calve thunderously into the sea in Glacier Bay National Park and Preserve. Spy moose in Denali National Park and Preserve, or trek on sand dunes in Kobuk Valley National Park. Whether your activity of choice is paddling through the quiet, riding a dogsled on top of a glacier, reeling in a trophy halibut, snorkeling, or yoga with reindeer, Alaska is always ready for the adventurous in heart and spirit. Local travel enthusiasts Fran Golden and Midgi Moore consider this their love letter to Alaska. Come along with them for inspiration for dining, imbibing, and otherwise having a good time in their favorite state.

**You Can't Ride a Bike to Alaska** Mickey Thomas, 2009-06-01

Mickey Thomas and his friends take you on a 3,400 mile bicycle ride from Montana to Alaska. While riding through knee problems, illness, homesickness, infatuation, bad weather, and meeting a host of quirky and hilarious characters, Mickey and his group ride over some of the roughest roads and most desolate scenery in North America. Along

the way, he discovers an inner strength as well as a new physical stamina he never had. --P. [4] of cover of iUniverse edition.

### **A Trip to Wonderful Alaska** Alaska Steamship Co,1906

Alaska on the Go Erin Kirkland,2014-03-15 Alaska is a wonderful place to visit with children. From coastal communities to far-northern tundra, exploring the forty-ninth state has never been more accessible, provided parents are equipped with the right tools. Author Erin Kirkland details how to explore nearly every corner of our nation's largest state. Enjoy insider advice for fabulous kid-friendly destinations and attractions, trip planning to maximize time and budget, and interesting facts about Alaska's unique landscape and people. An honest, four-season representation of Alaska, this book provides readers with a practical guide to indoor and outdoor experiences that teach, engage, and delight kids of all ages and stages. Fresh, witty, and fun to read, *Alaska On the Go: Exploring the 49th State with Children* is the only family travel guide written by an Alaska-resident journalist who also happens to be the mom of two boys.

### Adopting the Track of Term: An Emotional Symphony within **Ride Alaska**

In a world used by monitors and the ceaseless chatter of instantaneous communication, the melodic elegance and emotional symphony developed by the prepared term often diminish into the backdrop, eclipsed by the relentless noise and disruptions that permeate our lives. But, nestled within the pages of **Ride Alaska** a marvelous fictional value overflowing with raw thoughts, lies an immersive

symphony waiting to be embraced. Constructed by an elegant musician of language, this captivating masterpiece conducts viewers on a psychological trip, skillfully unraveling the hidden tunes and profound influence resonating within each carefully constructed phrase. Within the depths of this touching analysis, we can examine the book's central harmonies, analyze its enthralling publishing design, and submit ourselves to the profound resonance that echoes in the depths of readers' souls.
