Road Rage Drac Von Stoller, Martin Baxter always had a need for speed on the highway. He drove a black Chevelle SS he called "The Black Racer" and was always up for a challenge. Finally, Martin got tired of just asking other drivers to race him, so he decided to up the ante by playing chicken, which turned into road rage for the drivers he was pissing off. When Martin got off work he was constantly tailgating other drivers, but one of the drivers he provoked thought he could teach him a lesson Martin was too crazy and the driver would lose in the end. The driver came alongside Martin's car, rolled his driver-side window down shouted obscenities at Martin, and told him to pull over and settle it with fists, not cars. But that just pissed off Martin even more, which didn't take much. As the driver motioned for Martin to pull over, Martin pulled out his 357 magnum and shot the driver in the head. "Nobody messes with The Black Racer!" Martin said laughing. Martin sped off down the road to his cabin in the woods. He couldn't wait to see the evening news to hear about the road rage incident. After watching the news and hearing about the other driver dying at the scene, Martin just laughed and said as he chased down a can of beer, "Wow, I'm going to be famous! Can't wait to piss off another driver and blow out his brains."

In a wild and lawless future, where life is cheap and survival is hard, eighteen-year-old Saba lives with her father, her twin brother Lugh, her young sister Emmi and her pet crow Nero. Theirs is a hard and lonely life. The family resides in a secluded shed, their nearest neighbour living many miles away and the lake, their only source of water and main provider of food, gradually dying from the lack of rain.

But Saba's father refuses to leave the place where he buried his beloved wife, Allis, nine years ago. Allis died giving birth to Emmi, and Saba has never forgiven her sister for their mother's death. But while she despises Emmi, Saba adores her twin brother Lugh. Golden-haired and blue-eyed, loving and good, he seems the complete opposite to dark-haired Saba, who is full of anger and driven by a ruthless survival instinct. To Saba, Lugh is her light and she is his shadow, he is the day, she is the nighttime, he is beautiful, she is ugly, he is good, she is bad. So Saba's small world is brutally torn apart, when a group of armed riders arrives five day's after the twin's eighteenth birthday snatch Lugh away. Saba's rage is so wild, that she manages to drive the men away, but not before they have captured Lugh and killed their father. And here begins Saba's epic quest to rescue Lugh, during which she is tested by trials she could not have imagined, and one that takes the reader on breathtaking ride full of romance, physical adventure and unforgettably vivid characters, making this a truly sensational YA debut novel.
