Together with his bumbling crew of misfits, including Engineer Cliff Clewless and Science Officer Doctor Mel Practice, Brewster encounters a constantly challenging set of interplanetary anomalies that push the limits of space, time, and humor continuums.

**Scratching the Surface** Dr Adam de Paor-Evans, 2023-03-10 *Scratching the Surface: Hip Hop, Remoteness, and Everyday Life* presents the encounters of a young, rural teenager growing up in Devon, in the south-west corner of the UK as he engages with the evolution of hip hop, told through 28 particular and detailed memories drawn from the experience of the author. The book is divided into four parts, and situated between 1983 and 1986, explores the emotional growth, contextual questioning, and at times, naïve journey of the protagonist as he reflects on such minutiae as the price tags on record sleeves, the LED display on cassette players, and the zips on tracksuit tops. The author of *Provincial Headz: British Hip Hop and Critical Regionalism* returns with a quirky contextual novella which unearths a less canonical hip hop history of the 1980s and expresses the innocence and obsessions of an only child growing up in the sticks, as he strives to make sense of his personal history, identity, and place in the world, through the often dialectic relationship between Devonian life and hip hop culture. This is the first publication in the new *Rhythm Obscura/Headz Projects* series which seeks to uncover the hidden histories of music cultures in Britain. Adam de Paor-Evans is an independent creative practitioner, ethnomusicologist and spatio-cultural theorist and was previously Reader in Ethnomusicology at University of Central Lancashire, UK. His research is focused on the relationship of the non-obvious, societal and regional-rural phenomena within music cultures. He leads the scholarly research project 'Rhythm Obscura: Revealing Hidden Histories Through Ethnomusicology, Practice Research and Material Culture' and has been an actively involved in British hip hop culture since 1983. Between 1989-1992 he was a member of pioneering Devon hip hop crew Def Defiance as Project Cee. He also performs original 45-only DJ shows under the pseudonym RARE~GRILLS.

*Heroes of the Metal Underground* Alexandros Anesiadis, Yiannis Scarpelos, 2023-08-29 The only

encyclopedic and definitive book on American indie metal! If all you know about metal music was what was heard on commercial radio, then you don't know metal at all. *Heroes of the Underground* profiles 600 American bands from every town and city in the United States who ever released a record. Metal bands exploded during the 1980s. Influenced by the heavy sounds coming out of Britain via Judas Priest and Iron Maiden, young guitar shredders turned the amps up and played harder and faster. American record companies scooped up a few bands and signed them to major label recording deals (Metallica, Slayer, Anthrax), but that left hundreds of bands—and their fans—trying to get their songs heard. These intrepid metal bands borrowed a page from punk's DIY handbook and did it themselves. Regional favorites. Hometown heroes. Tour van veterans. Bands who invested their life savings into recording and pressing their songs onto albums for a shot at immortality on vinyl. Fans remember these bands with joy. Collectors seek these records like the Holy Grail. And in *Heroes of the Metal Underground*, author Alex Anesiadis compiles the details of these bands and their records. Whether you're a true or baby metalhead, *Heroes of the Metal Underground* will become your guide to all things metal.

*Rock-It* Jane Beethoven, Carman Moore, A total teaching package for junior high general music classes that traces the history of American popular music. The material accommodates any course from six weeks to a full semester.
