Proceedings of the American Dental Convention, the Southern Dental Association, and the Dental Association of the State of Maryland and the District of Columbia, in United Meeting American Dental Convention,2018-01-12 Excerpt from Proceedings of the American Dental Convention, the Southern Dental Association, and the Dental Association of the State of Maryland and the District of Columbia, in United Meeting: Held in Oakland, Garrett County, Maryland, August 14, 15, 16 and 17, 1877 Association last year, by the earnest desire of the most earnest and illuminated minds, to reorganize in one oint that associa tion. That committee was Dr. R. Finley unt, Of Washing. Ton, Dr. Wm. H. Morgan, of Tennessee, and myself. The Chairman sent me a draft of report and resolutions to be pre sented to the American Dental Association at its meeting this year, from which I am just returned. The report was accepted, and there was a motion made and adopted to add seven more members, so that the Committee should be ten, and that Committee has in charge the question of organizing the association into permanent sections the individual members of the association to be required to do work in one or more of the sections. We want it to go on harmoniously we want to come to the sepulchre of the truth we desire to get together earnest workers that would be judges of the work they were doing. The subject of the formation of a National Representative Association of the Dentists of the whole country was also referred to this Committee. We do hope and confidently believe that that Committee will so work as to accomplish what was intended years ago, that is, to have an organization made up of representatives from all State societies. And then, what is the missionary work to be done, and by whom can it be done best? N o doubt it can be done best by men from all localities. Then they will get into working order, and men will learn that Dental Associations are necos sary, and this getting together to wrench unclean money from their patients will be stopped. Thus I have given you a succinct account, arriving at much that may be important to the status of our profession today. There was much opposition at Chica 0 when the report was read that was penned by our beloved rother Hunt. 1 was enabled to make it so clear that the vote was unanimous to accept that report. The Rocky Mountain Heiress Collection Kathleen Y'Barbo,2012-12-04 Take a trip back to the nineteenth-century Wild West in these three inspirational romance novels, attractively priced and packaged as an eBook omnibus. Kathleen Y'Barbo's The Rocky Mountain Heiress Collection includes the rollicking romances of three amazing young women; an adventure-seeking heiress pretending to be a governess to go west, a feisty well-to-do society girl longing to become a journalist and chase the story of a lifetime, and the millionaire's daughter who is being asked to marry for the good of the family business . Fans of westerns will find themselves transported to frontier Colorado, and into stories with independent heroines, adventure, love, and ambition. ABOUT The Confidential Life of Eugenia Cooper Roman Holiday meets Mary Poppins in this Gilded Age tale of Eugenia Gennie Cooper, a New York socialite who takes advantage of a rare opportunity to step into the world of the dime novels she secretly loves. From the splendor of Fifth Avenue's mansions to the gilded homes of Denver silver barons and the rugged Leadville mines, Gennie's adventure as a governess soon becomes a love story despite the rocky start she has with widower Daniel Beck and his daughter Charlotte. ABOUT Anna Finch and the Hired Gun Anna Finch's father desperately wants to marry her off, but Anna's not having much success, mostly because she's much better at the written word than the spoken word. When she's around an eligible man, she becomes completely tongue-tied. It doesn't help that the awful man at the newspaper taunts her with constant mentions in his Perish the Thought gossip column. When Anna encounters the infamous lawman and outlaw Wyatt Earp, she sees her chance to finally achieve her dream of becoming a reporter. In this capacity, she finds love and trouble in equal measure when she convinces the dying gunfighter Doc Holliday to tell her his story. Her freedom to meet with Holliday is hampered, however, by Pinkerton agent Jeb Sanders, who's been hired to keep an eye on her--and keep her away from nobleman and notorious playboy Edwin Beck. Once Jeb realizes what Anna's up to, his annoyance at being forced to babysit a rich girl is swamped by his need to exact revenge on Doc Holliday. As the reporter and the detective get more tangled in Doc Holliday's story and each other, will their opposing goals tear them apart--or bring them together? ABOUT The Inconvenient Marriage of Charlotte Beck Charlotte Beck wants to go to college, but her father would rather she get married and spend her days painting. Alex Hambly's aristocratic family is in financial straits, and he has two options: either sell off the family's Colorado silver mine or marry a rich, American heiress. Charlotte's father makes them a deal: he'll allow Charlotte to go to college and be the instrument of Alex's financial salvation on one condition--that they agree to get married. Seeing no way out, Charlotte and Alex find themselves engaged. They agree that they'll have the marriage annulled as soon as possible and go back to their own lives. Except Alex isn't sure he wants the annulment. He sets out to woo his wife for real, and Charlotte suddenly finds that her marriage has become very inconvenient indeed.
