**If..., Volume 3** Evelyn McFarlane, James Saywell, 2007-12-18 From the Introduction: "Love. Romance. Sex. From the imaginative lover to the imaginary one, our imaginations play central role in our love lives. Pity the person who believes there exists no connection between the heart and the imagination, or pity their lover, anyway. From the first time we begin to discover there's a thing called love—tumultuous,

chaotic, confusing, frightfully powerful, and stunningly joyous—we begin to imagine what might be if . . . And as long as we are able to love (in other words, as long as we are alive), our imaginations help us through it, fill in the gaps, make us hopeful, steel our nerves, augment our romantic ideas, protect our humility, guide our actions, and help keep things interesting. Would we dare enter into love otherwise? Yet as wonderful and wrenching as romantic love can be, it remains startlingly incomprehensible, and the mysteries of our own hearts tantalize us. Can we know more? Are we meant to? Ask yourself some of these questions, and ask those you love, or would like to. Where will they take you? What will they reveal? Do you have the courage to answer? Be prepared for anything. And always, always, treasure the game of love. We would like to add that some of the following questions are rather direct, and personal, and not everyone will choose to ponder them, but in no case do we intend offense.”

**Gamers in Love: A Relationship Guide for Couples Who Game Together** Dr. Ed Orin ,2023-09-21

Structured as a series of leveling-up stages, the book delves into crucial topics like communication, emotional intelligence, and personal boundaries, adapting general relationship advice into the specific context of gamer couples. **Love-Lust-Friendship-Or Games** Empress, 2016-08-18 This is a work of non-fiction inspired by my own life and the lives of others that have touched mine. This book is about love and romance and the many games people sometimes play to perfection with their playground being your life, their toys being your time and emotions. Sadly, when involved in relationships, many are cataloged and categorized by their loved ones without realizing so. This book will help you to know or somewhat allow you to be cognizant of your relationship with your significant other if it is love or if he or she has simply categorized whatever you have as something other than love. This book will relate to you true stories of games played upon the hearts of the ones love once claimed as many sometimes are perplexed when it comes to their true feelings towards their other half. This book will tell you signs of when love is part of your relationship when it is absent from your relationship, and when it may be time to walk away from it all. All names and locations in this work have been falsified to protect the identities of all parties involved, but the stories and events are true.
