How to Help a Cupid Sue Fliess,2022-01-04 Valentine's Day is all about showing kindness to the most important people in your life—and if you're caring and thoughtful, you can help Cupid spread love and happiness, too! Will you spot a Cupid this Valentine's day? If you do, will you be ready to

help him spread love and kindness? By being observant, helpful, and friendly, you can lend Cupid a hand, and together you can make special cards and gifts to show all your favorite people how much they mean to you. So, grab some supplies—stickers, markers, crayons, colored paper, glue, and whatever else you like (it's the thought that counts on Valentine's Day!)—and think of heartfelt messages to share with your loved ones. Then be ready to meet Cupid and work together to spread cheer and happiness! Sue Fliess's poetic read-aloud text and Simona Sanfilippo's vibrant, whimsical illustrations will provide joy for young readers eager to help Cupid share the love! Also included are guides for teachers and parents about how to engage children in making Valentine's Day cards and how to interest them in the history of the holiday, the mythology behind the winged messenger Cupid, and the value of being thoughtful and kind to everyone.

My Money My Way Kumiko Love, 2022-02-01 Does fear and insecurity keep you from looking at your bank account? Is your financial anxiety holding you captive? You don't have to stress about money anymore. YOU can take back control. As a newly divorced single mom making \$24,000 per year and facing down \$77,000 in debt, Kumiko Love worried constantly about money. She saw what other moms had—vacations, birthday parties, a house full of furniture—and felt ashamed that she and her son lived in a small apartment and ate dinner on the floor. Worse, when her feelings began to exhaust her, she binge-shopped, reasoning that she'd feel better after a trip to the mall. On the day she needed to pay for a McDonald's ice cream cone without her credit card, she had an epiphany: Money is not the problem. Self-Doubt is the problem. Shame is the problem. Guilt is the problem. Society's expectations for her are the problem. She is the solution. Once she reversed the negative thinking patterns pushing her toward decisions that didn't serve her values or goals, her financial plan wrote itself. Now, she's not only living debt-free in her dream home, which she paid for in cash, but

she has spread her teachings around the world and helped countless women envision better lives for themselves and their families. Now, building on the lessons she's taught millions as the founder of The Budget Mom, she shares a step by step plan for taking control back over your financial life—regardless of your level of income or your credit card balance. Through stories from navigating divorce to helping clients thrive through recessions, depression, eviction, layoffs and so much more, you will learn foundational practices such as: How to use your emotions to your financial advantage, instead of letting them control you How to create a budget based on your real life, not a life of self-denial How to create a motivating debt pay-off plan that makes you excited about your future, instead of fearing it My Money My Way will give you the tools to align your emotional health with your financial health—to let go of deprivation and embrace desire. Love's paradigm-shifting system will teach you how to honor your unique personal values, driving emotions, and particular needs so that you can stop worrying about money and start living a financially fulfilled life.

Every Day Should be Valentine's Day Jennifer Basye Sander, 2020-02-04 Amp up the love, romance, and beauty in your life! Rest assured this is not a book about how to buy your way to a more romantic life. Money stress is anti-romance. Instead, we are here to help you create a more romantic life and make the most of what you already have. The ideas and suggestions collected here are not always about dewy-eyed romance, but also about compromise, and having positive experiences that bond you as a couple. A few examples include: Your Turn to Choose—do something your partner loves, even if you aren't as enthusiastic about it. Maybe you can attend a musical one night, and visit a brewery the next. Mix it up! Pick-a-Date—using small scraps of paper, each of you should write out twenty ideas on how to spend a day, an evening, or even an hour. Ideas could include “pack a picnic and go to the park,” or “go to that restaurant we've been wanting to try,” or even “have a movie marathon at home.” Fill a jar with the pieces of paper, shake it up, and pull out an idea when it's time for a date! Get a Smaller Bed—lounging on a huge, king-size bed might seem like an ultimate couples' goal, but in any kind of small space you need to work things out and come to an agreement faster than if there was room to spread out and get away from each other. Though Valentine's Day has been around for centuries, it's become so commercialized it can be easy to feel wiped out after the onslaught of advertisements. So hey, take back your power—celebrate every day instead! This book will offer fresh ideas and inspire you to see the romance in everyday life.
