

Romeo Mike

James Scott Bell

Romeo's Way (a Mike Romeo Thriller) James Scott Bell,2016-06-03 There's a way that's right and a way that's deadly. Then there's Romeo's way. I don't want anybody bleeding to death, okay? I said. I think your problem is education. There's just no discipline anymore. You have to know there are consequences for bad behavior. Without that, society falls apart. Baton Guy croaked, I can't breathe. You just can't go around doing this sort of thing, I said. It isn't right. Now, one of you is bleeding pretty badly and won't be riding a bike anytime soon. The other one still needs to learn, am I right? Don't kill us, Knife Guy said. Mike Romeo, the former cage fighter living low in L.A., doesn't look for trouble. He doesn't have to. It comes after him. So when he's hired by a California senatorial campaign to do undercover work, Romeo doesn't have any illusions. Especially when his duty takes him to San Francisco. But as Romeo gets closer to solving the mystery of who is behind the hit job on an honorable man, things heat up in the City by the Bay -- and between Mike and a beautiful political operative. Until a bullet nearly takes him out for good. Now all bets are off. Because if there's one thing Romeo wants, it's justice. And he's going to get it--his way.

Romeo's Rules (a Mike Romeo Thriller) James Scott Bell,2015-11-01 An ex-cage fighter living off the grid has a firm set of rules for living and staying alive.

Romeo's Hammer James Scott Bell,2017-04-26 Former cage fighter living low in L.A. Mike Romeo doesn't have to look for trouble: it comes after him! A woman he saved from poisoning disappears and Romeo is hired by her father to find her. He discovers the people in her life were a mix of L.A. weird and downright dangerous: and some people want him dead.

Romeo's Fight (a Mike Romeo Thriller) James Scott Bell,2019-01-06 Mike Romeo finds her in the fog, on the beach, staggering around like a drunk. But it's not alcohol that's in her - it's poison. After getting this mysterious woman to the hospital, Romeo figures that's the end of the matter. But it's only the beginning. When the woman goes missing, Romeo is hired by her father to find her. But the trail grows cold, the circumstances strange. The people involved with her are a mix of L.A. odd and downright dangerous. There's a washed-up Hollywood star hoping for a comeback; hired muscle willing to break bones just for the workout; a fight manager with underworld connections; and a strange cult predicting the return of angels to the earth. And some very bad people who want Romeo dead. From the posh beaches of Malibu to the dark corners of L.A.'s fight game, Romeo's Hammer takes you on another thrill ride in the series that New York Times bestselling author Meg Gardiner calls sharp as a switchblade. -- website.

The Mob in Youngstown Thomas Hunt,James Barber,Justin Cascio,Margaret Janco,Thom L. Jones,Michael A. Tona,Edmond Valin,2022-11-01 Murdertown, Bombtown, Crimetown. Through decades, the City of Youngstown, Ohio, has been branded with such painful nicknames, due in large part to the rackets, violence and corruption of organized crime in the region. The streets of Youngstown and other communities in the Mahoning and Shenango valleys of northeastern Ohio and western Pennsylvania have been bloodied through numerous shootings and stabbings and, during an especially disturbing period, a series of gruesome car-bombings. In too many cases, public officials and officers of the law were complicit in the criminal activity, profiting through bribery and graft. Some authorities who resisted corruption and attempted to perform their public duties found themselves the targets of underworld violence. In this November 2022 issue of *Informer: The History of American Crime and Law Enforcement*, we tackle the history of organized crime in Youngstown region, from the earliest reports of the 1890s through the apparent dissolution of the Mob presence more than a century later. It is a complex subject, as elements of at least four regional Mafia organizations and a persistent non-Mafia Calabrian organization, in addition to other criminal elements, all collided, cooperated, combined and clashed with each other at different times. This resulted in a wealth of interesting but often uncoordinated stories and personalities. Our strategy for dealing with the subject is to present a number of individual standalone articles on the more interesting of these stories, bringing to light the significant personalities, groups, areas and eras. The effort might be compared to the photographic "stitching" of a collection of images into a panorama. Readers will discover the secret criminal organizations behind names like Society of Honor, Sacred Circle and Society of the Banana and will encounter such characters as Fats Aiello, Ernie Biondillo, Frank Cammarata, Cadillac Charlie Cavallaro, Joe Cutrone, Tony Dope Delsanter, Vince DeNiro, Wolf DiCarlo, Big Jim Falcone, Mike Farah, Red Giordano, Big Dom Mallamo, Dominick Moio, Two-Gun Jimmy Prato, Rocco Racco, Rocco Strange, Lenny Strollo, Zebo Zottola, along with the Barber brothers, the Carabbia brothers, the Naples brothers, the Romeo brothers and many more. While it is our hope that a coherent image of the history of Youngstown-area organized crime (and its connections to criminal entities outside the region) will emerge, we are concerned by the fact that some of our individual historical "snapshots" do not overlap with or even touch each other while others may overlap quite a bit. We hope that the obvious voids and repetitions will not be a great distraction and that, with some patience, our readers will be able to "get the picture." Contributors to this *Informer* issue: James Barber, Justin Cascio, Margaret Janco, Thom L. Jones, Michael A. Tona, Edmond Valin and Thomas Hunt

The Obsidian Circle Zeenith Lakhi, Discover the heart of Chicago, a city resonating with power, where an insidious force lurks within the shadows. Embark on a chilling journey through *The Obsidian Circle: Shadows of Influence*. At the core of Chicago's mysteries lies *The Obsidian Circle*, a covert society draped in unparalleled influence. Leading the charge is the unyielding FBI agent Samantha Ryan, accompanied by her steadfast partner Jeff. Their pursuit of justice becomes an electrifying odyssey intricately entwined with Daniel, an unparalleled symbolologist and cryptologist. The shocking murder of financial magnate Mark Davidson unravels a cryptic note, propelling Samantha onto a perilous path that delves deep into malevolence. She races against adversaries whose sinister motives transcend reality. Centuries-old secrets emerge as Samantha's relentless pursuit unveils the ancient enigmas binding *The Obsidian Circle*. In this gripping thriller, reality and conspiracy blur, leaving readers to ponder who truly wields power in this shadowy realm. As secrets unravel and loyalties shift, betrayals cut deep, marking this compelling narrative as the prelude to the epic saga of *Elysium Odyssey*. Explore the genesis of darkness and brace for an adventure where nothing is what it seems. Join Samantha, Jeff, and Daniel as they navigate a web of deceit and peril. Witness the extraordinary love story between Samantha and the brilliant symbolologist Daniel. Their inexplicable connection unveils *The Obsidian Circle* as more than a clandestine society—it's a branch of the Council of Shadows, driven by insatiable ambitions for control. Amidst the unfolding murder investigation, webs of deception extend into the darkest corners of Chicago. Unveil a world of masonic rings, clandestine gatherings, and boundless financial support from the city's elite. Brave the treacherous labyrinth alongside Samantha, Jeff, and Daniel. *The Obsidian*

Circle: Shadows of Influence reveals the inner workings of a cryptic brotherhood that grants entry with ease but offers departure only through death's embrace. The pursuit of truth and justice exacts an unfathomable cost, leaving readers captivated by the mysteries yet to unfold. Embark on an exhilarating journey—a prologue to the grand saga of 'Elysium Odyssey.' Discover the intricate bonds that intertwine these compelling narratives. 'Elysium Odyssey' interweaves ambition, power, and the timeless quest for a new world order, delivering an enthralling experience teeming with heroes and villains operating beyond time and imagination's farthest reaches. Witness a monumental showdown as Syed, the beacon of inspiration, confronts Voidguard's malevolent forces, setting the stage for the thrilling adventure awaiting in 'Elysium Odyssey.'

Rain of Love River of Tears Jean Phenson Fleury,Sidon Joseph,2019-06-06 This is a story of two brilliant students, Michael and Romeo, who met in high school and were mocked by their fellow students as two best friends. They discovered their flair for music through an amazing musical performance at their prom party. Despite offers from the top universities, they chose music as their career path. Their career started in a piano bar where every performance of theirs was unique. There, Michael met Hilda, who bore him a child and died right after giving birth. Michael named his son Fleury, who was dying to find someone to call “Mom.” Later on, Fleury and Michael—while playing in a park—found Melody to complete their family. But soon after, Michael was innocently thrown in jail for trying to save a life, and Melody was taken away from Fleury due to a terrible accident. Meanwhile, Fleury, a master brain who became a lawyer, salvaged his father.

Modern African Wars (3) Helmoed-Romer Heitman,2011-07-20 From the days of its occupation by South African forces under the Mandate System, to its first election in 1989, South-West Africa was a hotbed of revolutionary activity. The establishment of SWAPO (South-West African People's Organization) in 1960, sparked decades of guerilla warfare, mostly aimed at the South African military. This book examines modern African wars between 1964 and 1989, and includes detailed descriptions of the South African Defence Force, Angolan Forces, SWAPO, and the major units involved in the counter-insurgency campaigns. The text is enhanced by colour plates, maps, and numerous photographs.

Shore Duty Stewart M. Harris,2009-09-18 An account of the author's service as a senior advisor to Coastal Group 16, Quang Ngai Province, Vietnam, from 1968-1969.

Yes, My Accent Is Real Kunal Nayyar,2016-07-26 In the spirit of Mindy Kaling's bestseller Is Everyone Hanging Out Without Me? or Judd Apatow's Sick in the Head, a collection of humorous, autobiographical essays from Kunal Nayyar, best known as Raj on CBS's #1 hit comedy The Big Bang Theory. Of all the charming misfits on television, there's no doubt Raj from The Big Bang Theory—the sincere yet incurably geeky Indian astrophysicist—ranks among the misfittingest. Now, we meet the actor who is every bit as loveable as the character he plays on TV. In this revealing collection of essays written in his irreverent, hilarious, and self-deprecating voice, Kunal Nayyar traces his journey from a little boy in New Delhi who mistakes an awkward first kiss for a sacred commitment, gets nosebleeds chugging Coca-Cola to impress other students, and excels in the sport of badminton, to the confident, successful actor on the set of TV's most-watched sitcom since Friends. Going behind the scenes of The Big Bang Theory and into his personal experiences, Kunal introduces readers to the people who helped him grow, such as his James Bond-loving, mustachioed father. Kunal also walks us through his college years in Portland, where he takes his first sips of alcohol and learns to let loose with his French, 6'8" gentle-giant roommate, works his first-ever job for the university's housekeeping department cleaning toilets for minimum wage, and begins a series of romantic exploits that go just about as well as they would for Raj. (That is, until he meets and marries a former Miss India in an elaborate seven-day event that we get to experience in a chapter titled “My Big Fat Indian Wedding.”) Full of heart, but never taking itself too seriously, this witty collection of underdog tales follows a young man as he traverses two continents in search of a dream, along the way transcending culture and language (and many, many embarrassing incidents) to somehow miraculously land the role of a lifetime.

Romeo's Stand James Scott Bell,2020-06-29 We were an hour from Vegas when the plane began to shake. Something is rotten in the little town of Dillard, NV. And Mike Romeo is right in the middle of it. After the plane he's on has to land in the desert, Romeo tries to check on the woman who was sitting next to him. But the hospital gives him a strange runaround. A local tough tries to lean on him. Then he runs afoul of the sheriff. That's when things turn ugly. Which is the wrong way to turn things on Mike Romeo. Because when he's pushed, he takes a stand. And that means some very bad people are going to have to take a fall. Another entry in the International Thriller Writers Award-winning series that is sharp as a switchblade. (Meg Gardiner).

Killed in Action-struck by Lightning John William Bennett,2009-07

South African Armour of the Border War 1975–89 Kyle Harmse,Simon Dunstan,2017-02-23 The Border War saw the biggest armoured battles in Africa since World War II. Starting as a counter-insurgency operation by the South African Defence Force (SADF) against the South West Africa People's Organisation, South Africa became embroiled in the complex Angolan Civil War, where they came up against enemies well supplied with equipment and armoured vehicles from the Soviet Union. With the aid of stunning illustrations and photographs, this study details the characteristics, capabilities and performance of the wide variety of armoured vehicles deployed by the SADF, from the Eland armoured car to the Ratel infantry combat vehicle and the Olifant tank. Designed for the unique conditions of the region, South Africa's armour was distinctive and innovative, and has influenced the design of counterinsurgency armoured vehicles around the world. Frequently requested by Osprey readers, and written by two renowned experts on armoured vehicles, this will appeal to all those interested in modern armour and the Cold War proxy wars.

A Breed Apart Johan Raath,2022-08-17 Over the years, many have signed up for the South African Special Forces selection course but only a select few have ever passed. The gruelling course pushes recruits to their physical and mental limits. Those who make it through selection still have to complete a demanding year-long training cycle before they can join the ranks of this elite unit. In A Breed Apart, former Special Forces operator Johan Raath offers a rare insider's view on the training he and other young soldiers received in the mid-1980s. Drawing on the reminiscences of his fellow Recces, he describes the phases of selection and training, and offers valuable insights into what makes a successful operator. The courses in the training cycle show the range and standard of Special Forces training, including weapons handling, bushcraft/survival, parachuting, demolitions and urban warfare, as well as seaborne and riverine operations. For Raath and his cycle buddies, the training cycle culminated in an operation in southern Angola where the young Recces saw action for the first time. Much of what Raath underwent still

forms part of present-day Special Forces training. Comprehensive and revealing, this book shows why these soldiers truly are a breed apart.

The Ultimate Interactive Basic Training Workbook Michael Volkin,2007 The Ultimate Interactive Basic Training Workbook is a comprehensive interactive guide crafted especially for today's computer-savvy recruit. When used together with Volkin's original guidebook, the Workbook provides every recruit with the inside knowledge of basic training he/she needs to not only survive, but thrive in the military. This remarkabl

Heaven Empire Ladell Parks,2020-11-10 My name is Rose and I’m a guardian. A guardian is a god like being like myself. I'm here to protect the earth but someone's out there is making my job harder then what it's supposed to be and his name is Lucky. He's also a guardian who went rogue and he’s filled with evil in his heart and is trying to take down the Heaven's Empire also known as the Spirit World my world. I can't let that happen.

Codes & Cheats Spring 2008 Edition ,

42 Douglas Adams,2023-08-24 When Douglas Adams died in 2001, he left behind 60 boxes full of notebooks, letters, scripts, jokes, speeches and even poems. In 42, compiled by Douglas’s long-time collaborator Kevin Jon Davies, hundreds of these personal artefacts appear in print for the very first time. Douglas was as much a thinker as he was a writer, and his artefacts reveal how his deep fascination with technology led to ideas which were far ahead of their time: a convention speech envisioning the modern smartphone, with all the information in the world living at our fingertips; sheets of notes predicting the advent of electronic books; journal entries from his forays into home computing – it is a matter of legend that Douglas bought the very first Mac in the UK; musings on how the internet would disrupt the CD-Rom industry, among others. 42 also features archival material charting Douglas’s school days through Cambridge, Footlights, collaborations with Graham Chapman, and early scribbles from the development of Doctor Who, Hitchhiker’s and Dirk Gently. Alongside details of his most celebrated works are projects that never came to fruition, including the pilot for radio programme They’ll Never Play That on the Radio and a space-inspired theme park ride. Douglas’s personal papers prove that the greatest ideas come from the fleeting thoughts that collide in our own imagination, and offer a captivating insight into the mind of one of the twentieth century’s greatest thinkers and most enduring storytellers.

Bushmen Soldiers Ian Uys,2014-07-19 The Bushman soldiers were the most outstanding all-round fighters of the Border War. As the first of the indigenous population to take up arms on South Africa's behalf, they were among the last to lay them down. The border's oldest and most bush-wise people, they became feared as relentless trackers and dedicated soldiers. Coming from a primitive hunter/gatherer culture, they responded well to a crash course in modern warfare. Their use of automatic weapons and mortars, coupled with their phenomenal tracking abilities, made them a formidable fighting force. During Operation Savannah they were deployed in a conventional role as Battle-Group Alpha, part of Task Force Zulu, and advanced approximately 2,000 kilometers in a month. Afterwards, some of the Bushmen were trained as parachutists and served as Recces behind enemy lines. Others were attached to various units as trackers and guides. Their loyalty and bravery was recognized in the award of Honoris Crux decorations to members and former members of this elite corps. Controversy followed the battalion to South Africa after the war. Persecuted for centuries, the Bushmen have displayed an uncanny ability to survive and have adapted remarkably well to the modern world. Their transition from the Stone Age in less than 20 years is a story, which will never be forgotten. Hailed as the 'Gurkhas of Africa' the Bushmen have proved themselves second to none. This is an exceptional record of 31 and 201 Battalions and their remarkable personnel, fully illustrated with many photographs.

The Omega Operative Rick Barba,2007-08-21 Four youths who lead dull lives in the suburbs find excitement when they discover a warehouse full of high-tech surveillance and spying equipment.

Romeo Mike Book Review: Unveiling the Magic of Language

In a digital era where connections and knowledge reign supreme, the enchanting power of language has become more apparent than ever. Its ability to stir emotions, provoke thought, and instigate transformation is actually remarkable. This extraordinary book, aptly titled "**Romeo Mike**," compiled by a very acclaimed author, immerses readers in a captivating exploration of the significance of language and its profound effect on our existence. Throughout this critique, we shall delve into the book is central themes, evaluate its unique writing style, and assess its overall influence on its readership.

Romeo Mike Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Romeo Mike PDF books and manuals is the internets largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this

platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Romeo Mike PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Romeo Mike free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Romeo Mike Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities,

enhancing the reader engagement and providing a more immersive learning experience. Romeo Mike is one of the best book in our library for free trial. We provide copy of Romeo Mike in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Romeo Mike. Where to download Romeo Mike online for free? Are you looking for Romeo Mike PDF? This is definitely going to save you time and cash in something you should think about.
