Columbus Pizza: A Slice of History Jim Ellison,2020 For nearly a century Columbus, Ohio pizza parlors have served up delicious meals by the tray and by the slice. This history goes back to the 1930s, when TAT Ristorante began serving pizza. Today, it is the oldest family-owned restaurant in the city. Over the years, a specific style evolved guided by the experiences and culinary interpretations of local pizza pioneers like Jimmy Massey, Romeo Sirij, Tommy Iacono, Joe Gatto, Cosmo Leonardo, Pat Orecchio, Reuben Cohen, Guido Casa and Richie DiPaolo. The years of experimentation and refinement culminated in Columbus being crowned the pizza capital of the USA in the 1990s. Author and founder of the city's first pizza tour Jim Ellison chronicles one of the city's favorite foods.

There's No Clock In the Forest, a Comedy In Two Parts Julian Scutts,2015-11-08 The setting of this play is projected into the near future when we might envisage a global pilot scheme to establish an ideal campus. But what could that be? In German there is a saying Unter den Talaren ist der Muff von Tausend Jahren. Under the scholar's gown is the stale fluff of a thousand years. Can the new age campus retain the best of ancient tradition and liberate itself from much in that tradition which is in dire need of reform? The clash of personalities coincides with a clash of attitudes and philosophies. On a more personal level two ambitious members of the academic faculty contend for the hand of a young student, who happens to be the daughter of the Head of the English department. The student body is enraged by the imposition of a video-controlled surveillance system known as the BEAST, and, taking a lead from Shakespeare, they retreat to the green wood.

THE CORNER Xiaolu,2023-12-12 There are a total of 30 short stories in this collection, divided into three parts. The first part is named after my early award-winning novel, Lao Han's Pizzeria. The stories in this part are generally about the lives of new and old Chinese immigrants and students in the United States, which may be joyful, sad, or satirical. The second part is basically the work I wrote after I became a lawyer, with the part title "Prison Visitation. The stories in this part are mainly based on the people and matters I have represented as a lawyer (of course, the names are all fictitious). These stories mainly write about some Chinese new immigrants' struggles, legal troubles, confusion, and helplessness in the U.S. The third part is a group of mini fictions with my award-winning work Age Issue as the part title. The mini fictions in this part are mostly humorous or satirical descriptions of the life dilemmas of new and old Chinese immigrants in the new cultural environment. There are no heroes, no gladiators, no politicians, and no celebrities. What you will read here is about the people we meet, the things we witness, and the emotions we experience every day in this country as immigrants.

The Woes of a Ginger Named Red--Book 1: The Big Move Andrea Witt,2019-01-06 Nine-year-old Ginger has a mild seizure disorder. Although her seizures don't happen very often, they are huge to her. Because of the seizures, Ginger is on medications that stunt her growth and make her feel like an outsider. When her mom announces that they're going to move to a new home in the country, Ginger starts to panic about facing new bullies at her new school. Will Ginger crumble under the pressure of the move, or will she manage to flourish instead?

Nostradamus Reveals Lewis Philips,2018-08-16 From the octagon tower, a story unfolds about a group of surfers gathering for adventure, friendship, and adrenaline. Bear, LP, Mason, Brownie, George and their friends, a testosterone-amped community of surfers and bikers, live on the dangerous side of the law, both by choice and by necessity. But what happens the next day has nothing to do with surfing. A chance discovery is about to change their lives... and end a few of them. At the Bora Ring, an ancient Aboriginal ceremonial site in Outback Queensland, a Scroll awaits to be found. In the discovery, each man faces his own curiosity. Has the Dreamtime seeped into the world? Can they trust Tibrogargan, Brownie's folklore ancestor? What messages are the women trying to share, and are the women real? That night, the men find more questions than answers. Their quest for understanding takes them on a journey spanning over forty years and venturing around the world. Mysticism, spiritualism, drugs, love, and violence are but distractions to save and deliver the Scroll. In the year 2010, the Scroll will give up one of its many secrets, and when one of the men realises a quatrain from Nostradamus foretold his participation in the journey, they'll learn that their adventure is far from over.

The Nine Weeks Miracle Maryanne Shaw,2013-04-01 The Nine-Week Miracle not only tells of one man's fight for his life after a critical burn covering 46% of his body, it teaches the rest of us how to deal with the hardships we face throughout our own life's journey. The seven life lessons that emerged from this experience can help anyone, anywhere going through tumultuous times. From dealing with the pent-up frustration through the final important act of forgiveness, the seven life lessons apply to all of us.

The Big Truck War Maxwell Perry,2008-08-01 In Big Truck War I (Jarhead) Jeffery Maxwell with five compatriots using all their fellow drivers blockade the ports, international crossings, local highways, freeways across the nation. Then Head does something radical, it starts The Big Truck War. This story is 21,958 words. In Big Truck War II (Revenge) Jarhead sees the hell-fire missile fired from underneath the Cobra Attack Helicopter. He knew instinctively what it was. He dives into his giant buddy's Hoss side sending them both off the charging speedboat into the cold waters of Baja, Mexico. After reviving Hoss the guys grab some wreckage floating up the coast. It's weighing heavily on Maxwell; his two men killed by the rocket. And he knows an attack on a Government instillation is suicide, but no one has ever accused Head of good judgment. This story is 28,716. In King Nicotine Lucky Mahorn with his babe Ace Kami Spade along with sidekick Joe Rambo bring the outlawed tobacco into the states. It's year 2103; a new four month yearly calendar is introduced, along with a new pro racing motor track. A very violent new game called Crunch is featured. This story is 12,538 words. The last story I'd like the title to read Nuclear Animal. It features Joe Mama with Maximum Hassle and the final games & meals, songs. The games are ICBM-Darts, Cruise Missile Horseshoes, Stealth Bomber Hide & Seek. And Mutant hunting, these apply we say if some mutated humans actually live. This story is 8,430 words.

Ferocity Summer Alissa Grosso,2012-05-08 Scilla Davis must soon stand trial for her involvement in a deadly speedboat accident. With the possibility of conviction looming, life seems utterly hopeless. An FBI agent—eager to crack down on a dangerous new drug sweeping the nation—offers her a way out of this nightmare. Can Scilla betray her drug-dealing boyfriend to save herself?

I Am the One Lewis Philips,2014-04 In 1973, on a remote beach in Australia, a group of surfers gather for another day of adventure, friendship, and adrenaline. Bear, LP, Mason, Brownie, and George and their friends, a testosterone-amped community of surfers and bikers, live on the dangerous side of the law, both by choice and by necessity. But what happens that day has nothing to do with surfing. A chance discovery is about to change their lives--and end a few of them. At a bora ring, an ancient Aboriginal ceremonial site in outback Queensland, an artefact waits to be found. Perhaps the Scroll even waits for them to find it. But in the discovery, each man faces his own curiosity. Has the Dreamtime seeped into the world? Can they trust Tibrogargan, Brownie's ancient Dreamtime ancestor? What messages are the women trying to share, and are the women even real?

That night, the men find more questions than answers. Their quest for understanding takes them on a four-decade journey of exploration around the world. Mysticism, spiritualism, drugs, sex, and violence are but distractions in their quest to save the Scroll. In the year 2010, the Scroll will give up one of its many secrets--and when one of the men realizes that his participation in this quest was foretold by Nostradamus himself, they will all learn that their adventure is far from over.

The Survival Guide to British Columbia Ian Ferguson, 2019-10-15 A completely satirical yet oddly practical guide to surviving and thriving in Canada's westernmost province. So you've arrived in British Columbia. Perhaps you're just passing through; perhaps you want to stay a while. You may even be contemplating making British Columbia your home. What you need is a well-researched, clearly written, and comprehensive guide to living and even prospering in Canada's westernmost province. This isn't it. However, the information contained in this book will allow you to experience British Columbia with minimal damage to your health and well being. Having lived in nearly every province in the country before settling in BC, Ian Ferguson can say with great authority that things work differently here. So differently, in fact, that visitors and newcomers from other parts of Canada may put themselves in physical (or social) peril if they try to dress, act, drive, work, vote, or socialize in the same ways as they would in Ontario, New Brunswick, or (god forbid) Alberta. With practical advice, little-known facts, and personal anecdotes, Ferguson tackles everything from how to recognize a local (and differentiate the various types of facial hair that delineate the male British Columbian) to how to survive both natural and unnatural disasters (whether it's a light dusting of snow on the southern tip of Vancouver Island or a full-blown hockey riot) to how BC has been governed through the ages (like the time a bootlegger was put in charge of prohibition). Illuminating, hilarious, and only mildly offensive (if you have no sense of humour), *The Survival Guide to British Columbia* will make you question why you ever came here in the first place.

The Fourth Watch Ed Attella, 2021-06-16 When the body of eccentric billionaire Malcolm "Red" Whorley is found floating in the swimming pool on his lavish estate, a worldwide media frenzy ensues. He controlled a vast empire that traded in exotic merchandise. Under pressure, the police quickly concluded their investigation, making a determination of accidental drowning. Tormented by grief, Whorley's daughter seeks the advice of an attorney, Michael Knight. Knight reluctantly agrees to meet with Whorley's daughter, a decision that would lead him into a world of unrelenting evil. As Knight begins his investigation, he quickly realizes that nothing is as it seems. To get to the truth, he must follow a dark trail back through time. From the jungles of Southeast Asia, to Los Angeles's Chinatown and barrios, to the shipping ports of Long Beach and Seattle, he discovers stunning revelations of corruption and greed. Long buried secrets are exposed, and brutal factions within a criminal organization turn on one another to survive. No one is safe. 1
