Ronnie O'Sullivan

**Simply the Best** Clive Everton,2018-10-08 Ronnie O'Sullivan's status as one of snooker's all-time greats was cemented in 2017 by adding to his five world titles, a seventh Masters and sixth UK, thus equalling Stephen Hendry's 18 'triple crown' triumphs. Now is the perfect time for his story to be told by Clive Everton - 'The Voice of Snooker'. Simply the Best traces Ronnie's course from carefree junior prodigy to deeply troubled and depressed adult, and so to maturity and self-knowledge. Along the way, he emerges as instinctively warm-hearted, the most loyal of sons and a true sportsman in his acceptance of defeat. Even so, full consideration is given to Ronnie's mistakes in a rounded portrait of one of snooker's most fascinating, complicated and successful characters.

*Ronnie* Ronnie O'Sullivan,2019-11-14 Ronnie is snooker's most written and talked about player, and its greatest showman. His supreme talent and style have made him the People's Champion and, as one commentator put it, 'the question is not how much does Ronnie O'Sullivan need snooker, but how much does snooker need Ronnie O'Sullivan?' A honest and candid account of his extraordinary life, Ronnie tells of the infant who was introduced to legendary snooker clubs at an impossibly early age; of the boy who frightened off the bookies aged just 12; of the teenager whose life was decimated when his father and mentor was sent to prison for life; and of the man dubbed the 'genius' of the modern game who regularly threatened to quit the sport to pursue other interests at the grand old age of 28. 'A fine autobiography ... compelling' - Independent 'O'Sullivan is as frank about his spell in the Priory clinic as he is about his father's murder conviction. His accounts of snooker tournaments and sketches of the sport's personalities will fascinate fans, but even snooker haters will be rooting for Ronnie in the game of life' - OK!

*Running* Ronnie O'Sullivan,2014-10-01 World snooker champion Ronnie O'Sullivan's first volume autobiography RONNIE was a major bestseller, acclaimed for its candour and insight into the life of a top sports star. In his second book, Ronnie reflects on how much of his life has been running away or running towards (often inadvisable) things. When he was young, snooker was a way of running away from school and the expectations of childhood. When he was seventeen, his father and mother ran away from him - his mother was sent to jail for tax evasion, father for murder. At times, Ronnie has escaped from tournaments because his mind was so troubled, and he found release in endless benders. He has literally run away from the troubled relationship with Jo, the mother of two of his children - his hobby is partly responsible for the breakdown of their relationship as it begins to take over his life. And only last year he ran away from the game itself, incredibly and unprecedentedly while still world champion. Ronnie explains how and why he ended up working on a farm in 2012 and 2013 while taking a year's break from the game. His return to the snooker table is arguably the most eagerly awaited in top-class sport. This book shows us why.

*Framed* Ronnie O'Sullivan,2017-11-21 Frankie James is a young man with a lot on his shoulders. His mother disappeared when he was sixteen; his father's in jail for armed robbery; and he owes rent on his Soho snooker club to one of London's toughest gangsters. Things, you'd think, can only get better. Actually, they're about to get a whole lot worse. He always swore to his mum he'd keep his younger, wilder brother out of trouble, but when Jack turns up at the club, covered in someone else's blood, and with the cops hard on his heels, Frankie has no choice but to enter the sordid world of bent coppers, ruthless mobsters and twisted killers he's tried all his life to avoid. But in the dog-eat-dog underworld of 1990s Soho - as a vicious gang war rages between London's two foremost crime families - will Frankie be tough enough, and smart enough to come out on top?

**Top of Your Game** Ronnie O'Sullivan,Rhiannon Lambert,2019-05-16 You might be wondering what Ronnie O'Sullivan is doing writing a book like this. What do I know about eating healthy, right? I'm a champion snooker player, not a personal trainer or a chef and although I've always loved running, I've come to realise that any success in sport is directly related to my attitude towards food as well as fitness. Snooker is all about sharpness, focus, and concentration - how can I do any of those things if I'm not eating well and treating my body right? My game is only as good as I am, so making that link between my mental and brain health and my physical fitness was a lightbulb moment for me and I hope this book will be a wake-up call for you too. We hear lots about mindfulness and self-care these days, but really good physical health starts with the best computer any of us could ever hope for - our noggin (aka our brains!). Written with top celebrity nutritionist Rhiannon Lambert, Top of Your Game is about showing you how to eat, think, and work your way to being your very best - and staying there.

*Unbreakable* Ronnie O'Sullivan,2023-05-11 AN INSTANT SUNDAY TIMES BESTSELLER SHORTLISTED FOR THE WILLIAM HILL SPORTS BOOK OF THE YEAR 2023 'Reading this is like watching an O'Sullivan break: hypnotic, dazzling and impossible to tear yourself away from.' - STEPHEN FRY 'Besides quite a few laughs, many readers will find recognition, reassurance, remedy and revelation in O'Sullivan's candid story. I highly recommend it.' - THE TIMES 'Ronnie is searingly honest, candidly funny, and thought provokingly brilliant in Unbreakable. I devoured it.' - NIHAL ARTHANAYAKE --- In a career spanning over three decades, Ronnie O'Sullivan's journey to becoming the greatest snooker player of all time has been filled with extremes. A teenage snooker prodigy, Ronnie turned professional with the highest of expectations. This pressure, together with a challenging personal life, catapulted Ronnie into a life of excess and addiction. He was winning titles - his first within a year of turning professional - but losing himself and his game as he tried to block out the mental pain and misery. Whilst Ronnie appeared at the height of the game to spectators, these were the moments when he felt at his lowest. In the year 2000 Ronnie started rehab and began the journey to get his life back, addressing his demons and working on developing a stronger and more resilient mindset. More than twenty years on, Ronnie is still obsessed with delivering his peak performance and never happier than when in a snooker hall, but success has now taken on a new meaning for the record-equalling world champion. Framed around the many lessons Ronnie has learned from his extraordinary career, Unbreakable takes us beyond the success and record-breaking achievements to share the reality - and brutality - of making it to the very top, whatever your field. Ronnie is the first to say he doesn't have all the answers, but in sharing the experiences that have shaped him and mistakes that have made him, he hopes to help readers navigate their own personal challenges and obstacles, and in turn reach their maximum potential. This is Ronnie O'Sullivan as you've never seen him before, the definitive and unflinching story of a true British icon and a fascinating insight into the mindset of the world's greatest snooker player.

*Running* Ronnie O'Sullivan,2013-10-10 World Snooker Champion Ronnie O'Sullivan's frank and honest account of his astonishingly dramatic life. I used to rely on drugs and alcohol to keep me going, but now I've got the healthiest addiction going - running. This book explains how running has helped me to fight my demons - my addictive personality, depression, my dad's murder conviction, the painful break-up with the mother of my children - and allowed me to win five World Snooker Championships. It is also about all of the great things in my life - my kids, snooker, my dad's release from prison, great mates who have helped me, and the psychiatrist Dr Steve Peters, who has taught me how not to run away when things get tough. Finally, it's about what it's like to get the buzz - from running, from snooker, from life. Because when it comes down to it, everyone needs something to drive them on.

**The Limits of Control** Ryan Diduck,2020-09-22 Ryan Diduck turns his attention to control societies and their protocols in the wake of the global COVID-19 pandemic. What are the political implications of government measures to combat Coronavirus? The end of the world as we know it is no longer imaginary. Severe acute respiratory syndrome Coronavirus 2 (also known as SARS-CoV-2 or COVID-19) is a potent virus that is upturning nearly every aspect of life on earth. But the novel Coronavirus is more than just a virus. It is a marketplace and media event, too, broadcasting at speed, oscillating against the transmission of its mediations. Ultimately, COVID-19 is the pretext upon which nations around the world have enacted social controls of varying severity, strictly limiting the communication, movement, and daily activities of billions of people. This could be a moment of overwhelming consolidation of capital. Or it could further reveal the cracks in a system which has exacerbated the coronavirus pandemic. We are rapidly approaching the limits of control. In the tradition of William S. Burroughs, Naomi Klein, Mark Fisher, and other key theorists of discipline and jurisdiction, The Limits of Control offers a timely new analysis of control societies, and a sibylline roadmap for living together in a hypervirulent world. What we imagine from now on has never mattered more.

**Double Kiss** Ronnie O'Sullivan,2017-11-16 Double Kiss is the fast-paced, thrilling sequel to Framed, by snooker champion Ronnie O'Sullivan The race is on. The stakes are high. Frankie James thought his troubles were behind him. He's busy running his Soho Club, and his brother's finally out of prison. But when a postcard arrives from Mallorca, he's stopped in his tracks . . . Is it from his mother - the woman who's been missing for eight years? When the goddaughter of London's fiercest gangster, Tommy Riley, goes missing in Ibiza, Tommy knows there's one man for the job - Frankie James. Just when Frankie was on the straight and narrow, he's now faced with an impossible choice. If he agrees to help find Tanya, he'll be thrown into a world of danger. If he doesn't, Tommy could destroy him. For Frankie James, old habits die hard. One thing's for sure, playing with this gang is no game. But with everything at stake, how can Frankie say no?

**Snooker Legends** Jason Francis,2018-07 Jason Francis is the man who created the Snooker Legends Tour and who's been at Ronnie O'Sullivan's side on tour for the past 6 years. This is his story, sharing tales on the road with the Rocket and some of the game's greatest ever snooker legends like Jimmy White and Stephen Hendry. From his initial idea, to meeting and staging the last ever snooker show with Alex Hurricane Higgins to taking over the World Seniors Tour, Jason reveals what he learnt about the players themselves and also the sport as it developed over the years under the guidance of Barry Hearn. Through his tour, Jason was at the center of it all, able to bring the former players together again to renew old rivalries and create new memories. He struggled against those in the game who didn't want him to succeed but never gave up. This is his story, a snooker fan's story.

**Me and the Table - My Autobiography** Stephen Hendry,2018-09-06 STEPHEN HENDRY became the youngest professional snooker player in 1985 aged 16 and, in 1990, he was the youngest ever snooker World Champion, at the age of 21. Widely regarded by fans and pundits alike as one of the greatest players of all time in the sport, over a 27-year career, Hendry went on to win the World Championship seven times, and was snooker's world number one for eight consecutive seasons between 1990 and 1998. Hendry retired in 2012 with a record-breaking seven World Champion titles under his belt, a record that remains to this day. He's now ready to tell his life story for the first time - from a childhood spent climbing the ranks of the sport, through the highs of the '90s and lows of the 2000s, to his life now as a sports pundit and commentator. With an insight into the world of the man behind the cue, and what made him such a top-class player, this is the definitive autobiography of the legend that is Stephen Hendry.

**The Break** Ronnie O'Sullivan,2018-11-15 The Break explodes into the gangland world of 90s Soho, by snooker world champion and national superstar, Ronnie O'Sullivan. It's 1997 and Cool Britannia's in full swing. Oasis and Blur are top of the pops and it feels like the whole country's sorted out for E's and wizz. But it's not just UK plc that's on a high. Life's looking up for Frankie James too. He's paid off his debts to London's fiercest gang lord, Tommy Riley. His Soho Open snooker tournament is about to kick off at his club. The future looks bright. But then Frankie finds himself being blackmailed by a face from his past. They want him to steal something worth millions. It's enough to get him killed. Or banged up for life if he says no. Frankie's going to need every ounce of luck and guile that he's got if he's going to pull off the heist of the century and get out of this in one piece. The Break is the third, fast-paced Soho Nights thriller, by snooker champion Ronnie O'Sullivan.

**The Crucible's Greatest Matches** Hector Nunns,2017 Since 1977, Sheffield's Crucible Theatre has staged the snooker World Championship and is one of sport's most iconic venues. The Crucible's Greatest Matches features the greatest matches played there, including classic encounters involving Ronnie O'Sullivan, Stephen Hendry, Jimmy White, Alex Higgins, and the 1985 final between Dennis Taylor and Steve Davis.

*The Chimp Paradox* Steve Peters,2013-05-30 Your inner Chimp can be your best friend or your worst enemy...this is the Chimp Paradox Do you sabotage your own happiness and success? Are you struggling to make sense of yourself? Do your emotions sometimes dictate your life? Dr. Steve Peters explains that we all have a being within our minds that can wreak havoc on every aspect of our lives—be it business or personal. He calls this being the chimp, and it can work either for you or against you. The challenge comes when we try to tame the chimp, and persuade it to do our bidding. The Chimp Paradox contains an incredibly powerful mind management model that can help you be happier and healthier, increase your confidence, and become a more successful person. This book will help you to: —Recognize how your mind is working —Understand and manage your emotions and thoughts —Manage yourself and become the person you would like to be Dr. Peters explains the struggle that takes place within your mind and then shows you how to apply this understanding. Once you're armed with this new knowledge, you will be able to utilize your chimp for good, rather than letting your chimp run rampant with its own agenda.

**Zippy and Me** Ronnie Le Drew,Duncan Barrett,Nuala Calvi,2019-07-25 Over the course of almost half a century, puppeteer Ronnie Le Drew has worked with the greats - from David Bowie in Labyrinth to Michael Caine in The Muppet Christmas Carol. But the role that defined his career was Rainbow's Zippy, who he operated for more than twenty years. Zippy and Me is the first time a Rainbow insider has told the true story of what went on under the counter and inside the suits: the petty squabbles between performers, wrangling with TV executives, and scandals such as the 'love triangle' between musicians Rod, Jane and Freddy. Not to mention the now infamous X-rated episode shot for an ITV Christmas party, which subsequently found its way to the Sun. Interweaved with the dirt on what really went on behind the scenes is the story of Rainbow's heyday in the 1970s and 80s, when its stars found themselves catapulted into an exciting showbiz world - scooping a BAFTA award and even performing for the queen - and the story of a young lad from a south London council estate who defied his parents' protests to become one of the most respected puppeteers of all time.

**Black Farce and Cue Ball Wizards** Clive Everton,2011-12-02 Throughout its chequered history, snooker has had more than its fair share of heroes and villains, champions and chumps, rascals and rip-off artists. In the last 20 years, every sleazy scandal imaginable has attached itself to this raffish sport: corruption, match fixing, bribery, sex, recreational drugs, performance-enhancing drugs, ballot rigging, fraud, theft, domestic violence, common-or-garden violence, paranoid politicking, dirty tricks - all against a background of inept petty tsars fixated on the pursuit, retention and abuse of power. In Black Farce and Cue Ball Wizards, Clive Everton recounts the glory and despair, the dreams and disillusion, and the treachery and greed that have characterised the game since it was invented as an innocent diversion by British Army officers in India in the nineteenth century. He tells the true and unexpurgated tale of snooker's transformation into a television success story second only to football and exposes how its potential has been shamefully squandered.

Cvesport Book of Professional Snooker Eric Norman Hayton,2004-09

**John Virgo: Say Goodnight, JV - My Autobiography** John Virgo,2017-11-02 Famous for his hilarious impersonations of snooker's biggest stars, JV is a household name thanks to his razor-sharp BBC Snooker commentary and the much-loved quiz show Big Break. A fascinating insight into British sporting life, taking readers from John's childhood in Salford, through smoky snooker dens, to tournaments and championships all over the world, as he relives travelling on Concorde, rubbing shoulders with royalty and much more. Admiringly nicknamed 'Mr Perfection', John tells how he overcame adversity to become UK champion, yet also reveals how gambling wrecked his dreams of becoming World Champion, and almost bankrupted him. An affectionate reminder of a time when Britain - and sport - took themselves a little less seriously.
