Nearly two decades later, Immaculée continues to pray the rosary every day and marvels at how she is constantly renewed and richly rewarded by rejoicing in this glorious prayer. It has helped her in every aspect of her life, from literally saving her life to strengthening her faith, easing sorrows, changing heartache into happiness, healing illnesses in herself and others, solving family problems, landing a dream job, finding long-lost friends, and even locating lost keys! She received so many blessings from the rosary, in fact, that she decided to study its history and origins. She soon discovered that it was not just meant for Catholics, but that the Virgin Mary promised a life filled with blessings to everyone from any religion who faithfully recited the rosary daily . . . and this was such wonderful news that she vowed to share it with as many people as she could. In *The Rosary: The Prayer That Saved My Life*, Immaculée reveals how the rosary's many blessings can be reaped by each and every one of us. In this moving and uplifting book, the New York Times bestselling author recounts her personal experience of discovering the power and the beauty of the ancient beads—and shows all of us how to enrich our own lives by exploring and embracing the mysteries, secrets, and promises of the prayer that became her lifeline to heaven.

In the introduction, author Gary Jansen appeals to the universality of one of the original Christian prayers, Though traditionally considered a Catholic act of devotion, the rosary with its primary focus on the life, death, and resurrection of Christ Jesus, is ultimately a . . . universal prayer—one that can appeal to Christians of all denominations. Written for both Catholic and Protestant Christians, candid explanations on why and how to pray the rosary along with useful instructions on how to get the most out of the meditative and spiritual exercise of repeating prayers are in the first of two sections. Prayers including a visual and spiritual journey that illuminates the teachings of the New Testament follow in the second section.

The Rosary Guide for Priests and People John Procter, 1901

The Holy Rosary, from the Writings of the Fathers of the Church Fr. Mark Higgins, The Fathers of the Church, 2020-12-08 This collection of rosary meditations taken from the writings of the Fathers of the Church allows the reader, for the first time, to bring the insights of Sacred Tradition into the daily recitation of the Holy Rosary. We know well, as true sons and daughters of Holy Mother Church, that the Truths of the Catholic Faith come to us both through Sacred Scripture and Sacred Tradition, indeed, St. Paul writes, “Therefore, brothers, stand firm and cling to the traditions we taught you, whether by speech or by letter” (2 Thess. 2:15). How little time, alas, do we give to the sayings of the ancient fathers, how little attention towards their words of reflection, and yet, what riches can be found in their insights, as they ponder upon the events of salvation history, and share from the Fountain of Wisdom that, in one manner, was so much closer to their lips than it is to ours. Drawing from diverse authors, both those canonically held as ‘Fathers’, but also other ancient writers of the First Millennium of Christianity, this book will serve as a faithful companion to any committed Catholic who is desirous of ‘going deeper’ in contemplation of the Holy Rosary, and to do so in a manner which seeks neither novelty nor the theological fashions of today, but the wisdom of the earliest saints of our Holy Religion. You will find here hundreds of carefully selected paragraphs of meditation, chosen in and through prayer. You will find points for every bead of the traditional rosary, as well as the additional mysteries proposed by Pope John Paul II and The Hopeful Mysteries, introduced in an earlier work by the same author, which bring to the faithful’s consideration events concerning Our Lady and Salvation History prior to the Annunciation. This is a book to be kept alongside your rosary beads, to be brought out at adoration, to be carried on retreat, to be shared with your children in family prayers and to be passed on to those who wish to grow in prayer, and in the greatest of all the prayers of popular piety, the Holy Rosary. “The book is a wonderful composition of devotional meditations that lead the reader through a deeply meaningful and intimate journey in prayer and inspiration”—Holly Rodriguez (Illustrator, poet and founder of Beatific Artworks) About the Author: Fr. Mark Higgins is a priest of the Archdiocese of Southwark, England. He is also the editor of The Holy Rosary, through the Visions of Blessed Anne Catherine Emmerich.

How to Pray the Rosary for Beginners Pablo Claret, This book aims to solve a problem that I had when I was just beginning to know the Catholic Faith. It so happened that I wanted to learn and practice devotions to get closer to the Mother of God, and I was especially curious about the Holy Rosary. But it was difficult for me to understand the manuals with abbreviations that supposed I already knew how to pray. If you feel identified with me, this manual is made for you. No abbreviations, with many images designed to teach in detail how to pray, and with specific instructions step by step. Buy it now!

Amato, 2008 This little booklet gives instruction in how to use passages from Scripture to meditate while saying the Diving Mercy Chaplet, the Franciscan Crown, the Seven Sorrows of Mary, or the Rosary, including the Mysteries of Light. All four of these traditional Catholic devotions can be made using traditional rosary beads. A short history of each of the four devotions is given, followed by detailed instructions on how to say them on the beads of a rosary. The Holy Rosary through the Visions of Blessed Anne Catherine Emmerich Blessed Anne Catherine Emmerich, 2019-06-25 The German Mystic born in the latter part of the Eighteenth Century, Blessed Anne Catherine Emmerich, was privileged by Almighty God with sensory visions disclosing the earthly life of God Incarnate, of His Holy Mother, the Virgin Mary and of the progression of salvation history from Genesis to the Apocalypse. In this short book, the reader will find a carefully collated set of rosary meditations faithfully drawn from the texts of these visions. Meditations taken directly from our saint's writings are provided for every bead of the rosary, allowing you to ponder at greater depth the secrets revealed to Blessed Anne Catherine and enable you to truly immerse yourself in the marvelous historical events which occurred in the life of Our Divine Redeemer and His Holy Mother. This work is a work of prayer and was revised multiple times in order to offer golden nuggets of contemplative material in every bead of Our Lady's Psalter. For the benefit of the reader, meditations have also been offered, once again, drawn entirely from Our Saint's writings, for the Mysteries of Light, which are popular among many Catholics, as well as five additional mysteries, entitled "the Hopeful Mysteries", which cover events in Salvation History and in the life of Our Blessed Mother prior to the Incarnation. Blessed Anne offers a wealth of detail for each of these mysteries and these details have been collated for you in this short volume. "A Retreat in a Book"—Rev. Fr. Daniel Weatherley (Sub Dean of St. George's Cathedral, Southwark) "I was very impressed with Fr Higgins' collation of Blessed Anne's writings, these Rosary Meditations are among the best I have come across, there is often enough contained in one bead's meditation to cover the entire decade, and so it is a book one can return to again and again"—James Stubbs Esq. (Lay leader and Catholic Politician) "A great preaching resource for the Mysteries of the Rosary"—Rev. Fr James Cadman (International speaker and parish mission giver)
