Five for Sorrow, Ten for Joy J. Neville Ward, 2005-09 Since earliest times Christians have used pebbles, a string of knots, or beads on a cord to keep track of their prayers, and prayer beads can be found in virtually every major religious tradition in the world. Anglicans and other Protestants have also begun to use the rosary to help refresh a life of prayer--it creates a rhythm that helps wean us from our distractions and focus our attention so that we can more readily move into God's presence. As the beads and prayers recede into the background, the mysteries that make up the rosary come into our minds and hearts like religious pictures or icons. First published in 1975, J. Neville Ward's unusual collection of meditations offer an entirely new approach to the rosary for all Christians. He begins with its traditional use and then offers fifteen insights into the life of Jesus and his mother Mary that can speak to us today. Thus a meditation on the sorrowful themes reminds us of the suffering

that is so much a part of our own lives, while the joyful and glorious mysteries speak of the desire for faith, hope, and love that will heal them. These reflections serve up a rich spiritual repast for Christians seeking new contemplative practices and learning to pray with the rosary.

Pray the Rosary J. M. Lelen, 2023-12-25 Pray the Rosary is a captivating book on Holy Rosary with vivid illustrations and calming reflections. It is an excellent guide for praying the Rosary for beginners offering three different ways to pray the mysteries of the Rosary. The author, J. M. Lelen, sets a theme for each mystery and presents a prayer based on that theme. In addition, he includes prayers for before and after the Rosary, advice on when and how many times one should say it, and interesting explanations of how the Rosary was founded. The illustrations in this incredible book are colorful and detailed, which keeps the readers focused. This well-written work is a concise yet inspiring read for anyone who wants to find their spiritual path and is a blessing to someone who wants to pray the Rosary or is curious about it.

**The Rosary for the Holy Souls in Purgatory** Susan Tassone, 2002-09-08 A new way to pray for the Holy Souls in Purgatory Giving the Holy Souls in Purgatory an indulgence is the highest act of

supernatural charity, says Pope Saint John Paul II. What better way to pray for them than by adapting our favorite devotional tradition - the Rosary? This little book slips easily into your pocket, so it can go with you anywhere you have time to pray. Susan Tassone points out the Scripture passages that relate to those awaiting their release into heaven. As you pray, you'll come to a deeper understanding of Purgatory. There's simply nothing else like this book. Make praying for the Holy Souls a regular part of your devotional life.

Five for sorrow, ten for joy Joseph Neville Ward, 2007 Christians of many different traditions use the Rosary to help refresh their prayer lives. This work presents a collection of meditations that offers a fresh approach to the rosary for Christians. It begins with its traditional use and then offers fifteen insights into the life of Jesus and his mother Mary that can speak to us.

**No Turning Back** Donald H. Calloway, MIC, 2019-06-27 For the past 10 years, the story of Donald Calloway's journey from runaway teen to Marian priest has touched the hearts and changed the lives of thousands of people. Now, in this 10th anniversary edition of *No Turning Back*, the Very Rev. Fr. Donald Calloway, MIC, looks back on the past decade in a new introduction to this Christian classic, a perennially powerful witness to the transforming grace of God and the Blessed Mother's love for her children. His witness proves a key truth of our faith: Between Jesus, the Divine Mercy, and Mary, the Mother of Mercy, there's no reason to give up hope on anyone, no matter how far they are from God.

*The Holy Rosary through the Visions of Blessed Anne Catherine Emmerich* Blessed Anne Catherine

Emmerich,2019-06-25 The German Mystic born in the latter part of the Eighteenth Century, Blessed Anne Catherine Emmerich, was privileged by Almighty God with sensory visions disclosing the earthly life of God Incarnate, of His Holy Mother, the Virgin Mary and of the progression of salvation history from Genesis to the Apocalypse. In this short book, the reader will find a carefully collated set of rosary meditations faithfully drawn from the texts of these visions. Meditations taken directly from our saint's writings are provided for every bead of the rosary, allowing you to ponder at greater depth the secrets revealed to Blessed Anne Catherine and enable you to truly immerse yourself in the marvelous historical events which occurred in the life of Our Divine Redeemer and His Holy Mother. This work is a work of prayer and was revised multiple times in order to offer golden nuggets of contemplative material in every bead of Our Lady's Psalter. For the benefit of the reader, meditations have also been offered, once again, drawn entirely from Our Saint's writings, for the Mysteries of Light, which are popular among many Catholics, as well as five additional mysteries, entitled "the Hopeful Mysteries", which cover events in Salvation History and in the life of Our Blessed Mother prior to the Incarnation. Blessed Anne offers a wealth of detail for each of these mysteries and these details have been collated for you in this short volume. "A Retreat in a Book"—Rev. Fr. Daniel Weatherley (Sub Dean of St. George's Cathedral, Southwark) "I was very impressed with Fr Higgins' collation of Blessed Anne's writings, these Rosary Meditations are among the best I have come across, there is often enough contained in one bead's meditation to cover the entire decade, and so it is a book one can return to again and again"—James Stubbs Esq. (Lay leader and Catholic Politician) "A great preaching resource for the Mysteries of the Rosary"—Rev. Fr James Cadman (International speaker and parish mission giver)
