Commercial Networks in Modern Asia Linda Grove,Shinya Sugiyama,2013-12-19
This volume brings together an international team of scholars who examine the development of commercial networks in Asia from the 18th century to the 20th

century on a stage that stretches from Yokohama and Pusan to Istanbul. The studies, based on extensive archival research, focus on the trading firms and merchant groups that were the chief actors in the creation of the commercial networks that crisscrossed Asia, linking the various Asian economies to each other and to Europe and the Americas. While some of this work has been available in Japanese, Chinese and Dutch, this is the first time that such a broad range of essays has been made available to an English-speaking audience. The thirteen essays can be roughly divided into two groups. The first group includes essays that look at the development of large scale networks and plot the competition between competing indigenous and foreign merchant groups in the trade in such products as sugar and cotton yarn in China, cotton goods in Japan, silk in Iran, Japanese manufactures in Dutch Indonesia and rice and cotton in India. The second group of essays focuses on the activities of specific firms as a way to explore the development of trading networks. This group includes essays that look at the activities of Chinese and Japanese merchants in Korea, at the growth of a commercial empire built on the sale of patent drugs in Southeast Asia and at the activities of European trading firms in Asia. The book should appeal to a wide-range audience. Most directly concerned are economic historians

The Magic Will Herbert Gold, 2018-01-16 In the course of an impressive career as a writer, Herbert Gold has demonstrated many gifts, among them his talent for mak-ing high drama of ordinary events, ordinary people. -Chicago Tribune Book World Gold...has a sharp eye for detail.-The Washington Times Magazine Not just a good book, but a great one.-Daily Mail (London) Herbert

Gold... gives his stories a wry, bright air of wonder...he is a born storyteller.-New York Times One of the most gifted writers in America.-Detroit Times Important writers are expected to gather together collections of their shorter works-the obligatory book of stories or essays. In this collection, Herbert Gold discards convention, and instead combines fiction and non-fiction themes that have been important to him as a writer and social thinker. This interchange between fact and fiction, as Gold writes, presents the picture of an American mind wrestling with the American mentality. And that mind ranges wide: from the miseries of Haiti to the disasters of Biafra; from the new universities and the beatniks and hippies of San Francisco in the 1960s to the literary life and encounters with random violence, love, death, and sexuality in the present. Portions of this book have been published in periodicals as varied as Esquire and Look, Hudson Review, and Tri-Quarterly, and some appear here for the first time. For this edition, Gold bridges the sections with new introductions, which link the specific works, the times, and his life. The book includes the savage and moving story A Death on the East Side, and his meditation on the doom of Biafra and the meaning of its fate. He has added two new essays, King of the Cleveland Beatniks, about his brother, and Quality Time with Sonny Barger, about the former president of the Hell's Angels Oakland Chapter. These show his consistent interest in what many would see as the margins of social life. Of the title, the author writes: The Magic Will seeks to make the real world

unreal and magical, and the unreal and magical world practical and real. Amusing, touching, playful, ultimately deeply serious, this book by Herbert Gold further illuminates the mind and heart of a superb writer. It will be a joy to those interested in the humanities, as well as cultural history and social awareness in the broadest sense. Herbert Gold is a novelist, short story writer, essayist, and occasional journalist, who has made his living as a writer for fifty years.

Six Crimson Cranes Elizabeth Lim, 2021-07-06 NEW YORK TIMES BESTSELLER • A princess in exile, a shapeshifting dragon, six enchanted cranes, and an unspeakable curse... Drawing from fairy tales and East Asian folklore, this original fantasy from the author of *Spin the Dawn* is perfect for fans of *Shadow and Bone*. A dazzling fairytale full of breathtaking storytelling. -- Stephanie Garber, New York Times bestselling author of *Caraval* Shiori'anma, the only princess of Kiata, has a secret. Forbidden magic runs through her veins. Normally she conceals it well, but on the morning of her betrothal ceremony, Shiori loses control. At first, her mistake seems like a stroke of luck, forestalling the wedding she never wanted. But it also catches the attention of Raikama, her stepmother. A sorceress in her own right, Raikama banishes the young princess, turning her brothers into cranes. She warns Shiori that she must speak of it to no one: for with every word that escapes her lips, one of her brothers will die. Penniless, voiceless, and alone, Shiori searches for her brothers, and uncovers a dark conspiracy to seize the

throne. Only Shiori can set the kingdom to rights, but to do so she must place her trust in a paper bird, a mercurial dragon, and the very boy she fought so hard not to marry. And she must embrace the magic she's been taught all her life to forswear--no matter what the cost. Weaving together elements of The Wild Swans, Cinderella, the legend of Chang E, and the Tale of the Bamboo Cutter, Elizabeth Lim has crafted a fantasy like no other, and one that will stay with readers long after they've turned the last page. A stunning remake of a fairytale. Six Crimson Cranes is the perfect blend of whimsy and ferociousness, with twists and turns that will tug at your heartstrings. —Chloe Gong, New York Times bestselling author of These Violent Delights Fast-paced excitement is balanced with a satisfyingly intricate plot that weaves in elements from Western fairy tales and East Asian folklore. —SLJ, starred review “A richly imagined landscape . . . vibrant, fast-paced.” —Publishers Weekly, starred review

Rising from the Ashes Dr. Akiko Mikamo,2013-09 This is a true and incredible story of a Japanese adolescent, Shinji Mikamo, who miraculously survived the first atomic bombing of human kinds. He was on top of his house

roof with nothing to shield him at only 3/4 of a mile (1,200m) from the epicenter in Hiroshima on August 6, 1945 toward the end of the World War II. But what made Shinji stand out from most of the survivors of Hiroshima and Nagasaki, or even of many other man-made disasters in our history, he never hated Americans as aggressors. He somehow saw things from a much bigger perspective even in the very strict Japanese military government's mind control of civilians during the war. As one of his three legacy-carrying daughters, Dr. Akiko Mikamo wrote his story to send out the messages of human love and power of forgiveness to remind the world our worst enemies of yesterday could become the best friends of tomorrow.

Sasameke, Vol. 2 Ryuji Gotsubo, 2012-03-30 For once, it looks like the Chikubushima High soccer team might have a shot at the national tournament (provided all their players actually show up to the matches)! Rakuichi may have the raw talent that makes him an INVALUABLE asset to this bizarre team, but his enormous ego interferes with his ability to make good decisions on the field. (Seriously, dude. Just pass the ball.) As Rakuichi continues to irritate the heck out of his teammates, the foundation of the team, Azuchi, is out of commission, and captain Matsuri is losing interest as the power of the principal's bribes wanes. With even tougher opponents to come, will the stars and supporting players of Chikubushima team manage to pull TOGETHER and secure victory?

Shadow's Eye Paul Simanaukas, 2008-03-08 Even in humanity's darkest hour, a

The Question John Ezzy,2016-01-29 Everyone loves Tangerine Clements, but Travis is the man she marries. Tangie could chop your head off with an ax, he often says, and you would finish up blaming the ax itself. When one of Tangies former lovers is found dead, apparently suicide, he leaves a journal that claims she is planning to kill him. His dead body is surrounded by exactly 323 tangerines. The police investigate but find no evidence of anything other than a mentally disturbed man killing himself. Two years pass. Then another dead body is discovered. Again there are 323 tangerines. The game has begun.

How an Average Man Lived an Adventurous Life John Linnemeier,2008 The stories in this book are all true. Its author has been held up at gunpoint at

night on a road in Guatemala and shot with a machine gun in the chest and shoulder in Vietnam. He's come close to dying of thirst in the Sahara and freezing to death in the Himalayas. He's contracted malaria and typhoid fever in Ethiopia and hepatitis in India. There have been accidents involving motorcycles and automobiles. He's had close calls involving lions (twice), elephants (three times) and a rhino (once). He's visited over a hundred countries, seen revolutions, famines, wars, and panty raids, feasted in palaces and fasted in caves. He's discovered paradises, been saved by dolphins, hopped freight trains, danced with an 108-year-old woman, swam with sharks, frequented whore houses and opium dens, and met a man capable of revealing God. In the pages of this book you'll meet the queen of the Ecuadorian prison system, the Dalai Lama, Dick Cheney, a swami from Katmandu who makes his living picking up large stones with his penis, yak herders, tunnel rats, 300 pound go-go girls, deep sea divers, drug dealers, stock car drivers, Indonesian princes, Bolivian miners, beanheads, powder monkeys, hookers and saints. Between the stories the author gives advice to would-be travelers, describes six tropical paradises where you can live comfortably on five hundred dollars a month, and includes his personal lists of the best things in the world. Mr. Linnemeier hails from the Hoosier state. Today he treads the path of moderation, living contentedly in a small town, surrounded by friends and family. He claims to have abandoned most of his previous vices, and has the stated aim of dying peacefully in bed at ninety five. In

his own words, I'm not the kind of person that men automatically defer to. I don't usually make women's hearts beat faster when they see me across a crowded room

The Limits Nell Freudenberger, 2024-04-09 The most thrilling work yet from the best-selling, prize-winning author of *The Newlyweds* and *Lost and Wanted*, a stunning new novel set in French Polynesia and New York City about three characters who undergo massive transformations over the course of a single year. From Mo'orea, a tiny volcanic island off the coast of Tahiti, a French biologist obsessed with saving Polynesia's imperiled coral reefs sends her teenage daughter to live with her ex-husband in New York. By the time fifteen-year-old Pia arrives at her father Stephen's luxury apartment in Manhattan and meets his new, younger wife, Kate, she has been shuttled between her parents' disparate lives—her father's consuming work as a surgeon at an overwhelmed New York hospital, her mother's relentless drive against a ticking ecological clock—for most of her life. Fluent in French, intellectually precocious, moving between cultures with seeming ease, Pia arrives in New York poised for a rebellion, just as COVID sends her and her stepmother together into near total isolation. A New York City schoolteacher, Kate struggles to connect with a teenager whose capacity for destruction seems exceeded only by her privilege. Even as Kate fails to parent Pia—and questions her own ability to become a mother—one of her sixteen-year-old students is already caring for a toddler full time. Athyna's love for her

nephew, Marcus, is a burden that becomes heavier as she struggles to finish her senior year online. Juggling her manifold responsibilities, Athyna finds herself more and more anxious every time she leaves the house. Just as her fear of what is waiting for her outside her Staten Island community feels insupportable, an incident at home makes her desperate to leave. When their lives collide, Pia and Athyna spiral toward parallel but inescapably different tragedies. Moving from a South Pacific “paradise,” where rage still simmers against the colonial government and its devastating nuclear tests, to the extreme inequalities of twenty-first century New York City, *The Limits* is an unforgettably moving novel about nation, race, class, and family. Heart-wrenching and humane, a profound work from one of America’s most prodigiously gifted novelists.

Humpty Dumpty Was Pushed Bruce Lord, Elisabeth Richards, 2008-11-18 What would you do if you suspect your best friend, who happens to be a giant egg, was killed but everyone else thinks it was an accident? *Humpty Dumpty Was Pushed*, a collection of twenty-two short fairy tale-like stories, tackles that question and many more. In this collection's title story, Chicken Little is certain his friend did not fall from the ledge, and he intends to prove there is a conspiracy. Will he discover the truth before it's too late? Filled with interesting and delightful characters, these short stories ask questions not raised before. Can a reverse vampire find true love? Can the

World Nose Hair champion really make the world a better place? Is it ever wise to stick cheese noodles in your nose? Can one live their life squeezing other people's ears in peace? If a whale and a tiger had a fight who would win? Incorporating familiar characters in children's literature and folklore, Humpty Dumpty Was Pushed tells a series of tales with surprises to keep you guessing. Each story asks a different question, and each story offers a different, strange answer.

Twelve Nick McDonell, 2010-07-06 New York Times Notable Book: "An exceptional, assured debut [that] captures the zeitgeist of confused adolescents and a sick culture post-Columbine."—Hartford Courant A national bestseller that inspired a major motion picture, this chilling novel follows prep school dropout White Mike through the week between Christmas and New Year's 1999, as he deals an alluring new drug to his privileged peers on Manhattan's Upper East Side. The kids of *Twelve* have it all; Chris and Claude and Hunter and Laura have the best, and most, of everything, but are constantly looking for something more exotic, and more dangerous. But *Twelve* is not a coming-of-age story, because these kids never had a childhood—their parents are off on holiday in Bali or business in Brussels, leaving hired help to look the other way as the kids stay home alone in their multimillion-dollar town houses, partying, surrounded by drugs and sex—and, in the end, much worse. "Renders Manhattan's cosseted Upper East Side with both the casual authority of an insider and the wry distance of an

observer...impressive.”—Jennifer Egan, The New York Times Book Review “Riveting in its no-holds-barred depiction of teenage nihilism.”—Jon Land, Providence Journal
