

Route 66 Hd

Tim Steil

Motorcycle Guide to Route 66 Kirk G. Woodward,2001-02-01

Traveling Route 66 Nick Freeth,2001 An entertaining travelogue follows the legendary highway over more than two thousand miles of road leading from Chicago to Los Angeles, describes the many landmarks along the way, and discusses the significance of Route 66 in terms of American history and culture. Original.

Motorcycle Party Guide to Route 66 Sam Allen,2014-06-15 A Route 66 guide for grown-up who want to see more than the traditional attractions, preferably on a motorcycle.It is the only Route 66 guide that has turn by turn directions going east and west, a suggested primary route and interesting alternate routes, current and historical information about each town, all the cool attractions, recommended bars and restaurants, classic Route 66 motels, campgrounds, motorcycle shops and state motorcycle helmet laws

Motorcycle Party Guide to Route 66 (B&w Version) Sam Allen,2014-07-02 This is the black and white version of the Motorcycle Party Guide to Route 66. It is identical to the color version except the photographs are in black and white and it is less expensive than the color version. The Motorcycle Party Guide to Route 66 is the most complete one volume guide to the Mother Road. It has a motorcycle theme, but it is the perfect book for adventurers who want to get the most fun and excitement out of their route 66 travels. It is the only Route 66 guide that in a single volume has: Easy to follow turn by turn directions going both east and west. A suggested primary route and interesting alternate routes. Hundreds of photos. Historical information about how Route 66 was created and how it changed over the years. Current and historical information on each town along the route. How to find all the traditional and new Route 66 attractions. Recommended rowdy bars and cool restaurants. A listing of Route 66 museums. A listing of classic Route 66 motels. A listing of casinos along Route 66. A listing of all campgrounds or near route 66. A listing of all the motorcycle shops along route 66 and surrounding towns. Information on state motorcycle helmet laws. Sam Allen, the author of the Motorcycle Party Guide to Route 66, has been traveling the Mother Road for over 25 years, but he had never ridden it from Chicago to Santa Monica in a single trip. In 2011, he found himself with a chunk of free time, so he decided to travel Route 66 from start to finish and to record his adventures along the way. That first trip wound up being the first of 10 that Sam took gather the information and take the photos that appear in the book. During his travels, Sam reviewed many different Route 66 resources. He found that those with the most information about Route 66 often did not have many photos, and when photos were included, they were black-and-white rather than color. Books with color photographs tended to be short on information. Some books were narrowly focused, such as those limited to listings of restaurants and motels. He found only a single guidebook of Route 66 dedicated motorcycle riders, and as useful as it was, it was 10 years out of date. The Motorcycle Party Guide to Route 66 puts all this information in a single volume. But it is more than just a simple directional guide and listing of Route 66 sites. This book is about how to explore the best of what Route 66 has to offer and about having as much fun as possible during that exploration. The book includes Sam's personal experiences in visiting traditional sites as well as his recommendations regarding the sites worth seeing, the sites worth skipping, the bars and restaurants worth visiting and the motels that offer the best Route 66 experience. He gives an honest, rather than romanticized, description of what Route 66 explorers will find today, as well as information on traditional Route 66 icons that have disappeared. He also chronicles many of his Route 66 adventures, like when he was in Joplin, Missouri, on the morning of the 2011 tornado that destroyed several square miles of homes and businesses. There also was the time he accidentally locked himself out of his hotel room in St. Louis dressed only in his birthday suit. If you want to explore Route 66 and party down at the best bars, restaurants and biker joints along the way, this is the book for you. Buy it now, fire up your two-wheeler (or hop in your car) and hit the road today.

Route 66, 75th Anniversary Edition Michael Wallis,2001-06-23 The Definitive book on the most famous road in American history.

On Route 66 for the First Time Marian Pavel,2018-10-20 This detailed guide will perfectly prepare you for the trip of a lifetime along Route 66. You'll learn what to pack, how to negotiate the price for a motorcycle or car rental, how to book accommodation, as well as what travel on Route 66 looks like. Thanks to this book you'll get a full overview of what's ahead of you, including a detailed financial breakdown of costs. The book contains not only advice, but also tips and tricks that'll save you money. From the author who has traveled along Route 66 for more than 18,000 kilometers and still has plenty of reasons to come back to it.

Route 66 Michael Wallis,1990 Tells the story of the legendary road, Route 66, begun in the early 1920s that covered 2400 miles from Chicago to Los Angeles.

Route 66 Susan Croce Kelly,1990 U.S. Highway 66 was always different from other roads. During the decades it served American travelers, Route 66 became the subject of a world-famous novel, an Oscar-winning film, a hit song, and a long running television program. The 2,000 mile concrete slab also became a seven-year obsession for Susan Croce Kelly and Quinta Scott. They traveled Route 66, photographing buildings, knocking on doors, and interviewing the people who had built the buildings and run the businesses along the highway. Drawing on the oral tradition of those rural Americans who populated the edge of old Route 66, Scott and Kelly have pieced together the story of a highway that was conceived in Tulsa, Oklahoma; linked Chicago to Los Angeles; and played a role in the great social changes of the early twentieth century. Using the words of the people themselves and documents they left behind, Kelly describes the life changes of Route 66 from the dirt-and-gravel days until the time when new technology and different life-styles decreed that it be abandoned to the small towns it had nurtured over the course of thirty years. Scott's photographic essay shows the faces of those 66 people and gives a feeling of what can be seen along the old highway today, from the seminal highway architecture to the grainfields of the Illinois prairie, the windbent trees of western Oklahoma, the emptiness of New Mexico, and the bustling pier where the highway ends on the edge of the Pacific Ocean. Route 66 uses oral history and photography as the basis for a human study of this country's most famous road. Historic times, dates, places, and events are described in the words of men and women who were there: driving the highway, cooking hamburgers, creating pottery, and pumping gas. As much as the concrete, gravel, and tar spread in a sweeping arc from Chicago to Santa Monica, those people are Route 66. Their stories and portraits are the biography of the highway.

Hip to the Trip Peter B. Dedek,2007-04-16 Dedek paints a complex portrait of America's most famous highway.

Route 66 in Springfield Cheryl Jett,2010 From 1926 through 1977, Route 66 carried millions of travelers from the shores of Lake Michigan to the Pacific Coast.

Americans fell in love with the automobile and made a family tradition of the road trip. On its three different alignments through the capital city of Springfield, Route 66 took motorists around the Illinois State Fairgrounds, past the state capitol, and through Abraham Lincoln's neighborhood. Mom-and-pop motels, gas stations, and eateries opened along the highway and became familiar landmarks to travelers in the Land of Lincoln. In Springfield, the horseshoe and the cozy dog became popular local foods, and one of the first drive-up window restaurants opened. A man spent 40 years on Route 66 operating his gas station before transforming it into an internationally known museum. Meet the proprietors of these businesses, witness the growth of the highway, and enjoy a generous dose of nostalgia.

Route 66 David Knudson, 2012-10-10 Begun in 1926 to connect Chicago to Los Angeles, Route 66 was the country's first major east-west thoroughfare. By 1930 it was an important route for both truckers and travellers alike, and in 1939 it became known as 'The Mother Road' thanks to John Steinbeck's classic *The Grapes of Wrath*. Over the years, hundreds of thousands of Americans travelled this great road from those heading west during the Great Depression to postwar families taking road trips across the country – but by the 1970s four-lane highways, expressways, and tollways had largely supplanted it, and Route 66 fell into disrepair. In this book, author David Knudson traces the fascinating story of The Mother Road from origins to decline, including the roadside attractions and cottage industries it spawned and the efforts to save and restore it.

Route 66 in California Glen Duncan, 2005 The Mother Road hauled it all, traversing the American West from Chicago to Santa Monica Beach, the last 350 miles through Southern California. For settlers, Depression-era Okies and Arkies, and post-World War II families bound for suburbia, Route 66 was a migration funnel for generations. Wending through the mountains and badlands of San Bernardino County into Los Angeles County, Route 66 became a state of mind and a catchphrase for travelers everywhere, especially after singer Bobby Troupe popularized the hit song (Get Your Kicks on) Route 66 and actors Martin Milner and George Maharis hit the road with the ragtop down and the shades on in the namesake television series that seemed to go anywhere every week. The shield of the Route 66 sign has become iconography for the growth of Southern California's economy, population, popularity, and folklore.

Route 66 in Illinois Joe Sonderman and Cheryl Eichar Jett, 2014 Between the great cities of Chicago and St. Louis, there are 300 miles of adventure, history, culinary delights, and quirky attractions. The carefully selected images included in this book reveal the life and times of another era along the Illinois stretch of Route 66.

Legendary Route 66 Michael Karl Witzel, Gyvel Young-Witzel, 2007 It started in the heartland and originally ended in Los Angeles (not, contrary to myth, at the ocean). It carried truckers crossing the country, Okies fleeing the Dust Bowl, vacationers seeking the sun. It was America's Main Street, the Mother Road, the Will Rogers Highway, and, at its dangerous curves, Bloody 66. Get your kicks on Route 66 with this wonderfully illustrated tribute to the best-loved highway in this car-loving nation. Michael Witzel shares his expertise and wealth of personal, archive, collector, and contributing photographer images in these pages, offering a nostalgic tour of the charms and oddities of this road through American cultural history. Starting in Chicago and running to Santa Monica, this book highlights the sights along the highway with historic and current photos in then-and-now pairings, and includes Route 66 postcards, road signs, trinkets, maps, brochures, and advertisements. Here we see Route 66 as it was in its heyday and as it is now, the neon glamour of yesterday versus the ghost towns of today. Witzel and his wife, Gyvel Young-Witzel, recount the highways history, its role in popular culture, and its demise, as well as the individual stories of famous sights. Several profiles of those with close ties to the Mother Road, including the woman who played Ruthie Joad in the *The Grapes of Wrath* film, are included.

Travel Route 66 Jim Hinckley, 2014-03-15 A guide to destinations and sights along historic Route 66, with historical background and travel tips--

Route 66 in Chicago David G. Clark, 2007 Uses images from postcards and vintage and modern photographs to present a pictorial tour of Chicago's section of America's Mother Road, Route 66.

The Route 66 Encyclopedia Jim Hinckley, 2012-11-15 An encyclopedia with a twist, *The Route 66 Encyclopedia* presents alphabetical entries on Route 66 history, landmarks, personalities, and culture, from Bobby Troup's anthem "Route 66" to *The Grapes of Wrath* to the Wigwam Motel, illustrated with over 1,000 old and new, color and black-and-white photos and memorabilia. You'll learn about Jack Rittenhouse and Will Rogers as well as the contributions of lesser-known figures like Arthur Nelson and Angel Delgadillo. With references to the old (including the history of the U Drop Inn Café in Texas) and new (including a section about the recent *Cars* movie), *The Route 66 Encyclopedia* provides a sweeping look at a highway that has become more than just a road. These pages cover the history of Route 66 and the people who played a role in its transformation from highway to icon between 1926 and the present, but like the highway itself, this work does not fit within the traditional confines of generalities or terminology. Yes, this is an encyclopedia, a reference book for all things Route 66. However, it is also a time capsule, a travel guide, a history book, a memorial, a testimonial, and a chronicle of almost a century of societal evolution.

Route 66 William Kaszynski, 2015-05-07 Route 66 is a fixture of American culture. For the truckers, salesmen and vacationers who have traveled it and for the people who live along it, the road is a reminder of the bygone days of American motoring. Despite time, neglect and progress, Route 66 endures. Almost all of its 2,448 miles are still intact and drivable. Travel from Chicago to Los Angeles and experience Route 66 through this richly illustrated book, with pictures of many of the historic landmarks and longtime businesses that have become roadside institutions to several generations of Route 66 travelers, plus some that are relatively unknown. Nearly all of the places shown can be visited today. The book is also a salute to those who supported the highway over the years, including Cyrus Avery, Jack Cuthbert ("Mr. 66"), Lucille Hamon and Campbell's 66 Express.

Route 66 Tim Steil, More than three decades after Route 66 went by the wayside, so to speak, it remains a nostalgic signifier of a 50-year period when cross-country travel was synonymous with meeting interesting characters, absorbing marvelous new sights, and stopping to check the oil along the way. In this colorful biopic of the Mother Road, author Tim Steil retraces the wandering path of Route 66 from Chicago to Santa Monica, returning home with a scrapbook of new color photography and evocative period imagery profiling businesses and attractions that continue to operate alongside Route 66 despite the demise of the legendary two-lane. The result is a unique look at motels, service stations, restaurants, truck stops, and museums, and the colorful folks who continue to whittle out a livelihood along Route 66

despite the death of the road trip as spelled out by the vapor trails overhead.

Route 66 in Oklahoma Joe Sonderman, Jim Ross, 2011 Oklahoma is where East and West collide on Route 66, where the rolling hills that reach across its borders from Missouri and Arkansas give way to red earth and Big Sky Country. It is a land of agriculture, oil, and Native America. Route 66 stamped itself into the landscape here in 1926, extending from the state's northeast corner through Tulsa and Oklahoma City to the Texas Panhandle in the west. It was Oklahoma Highway commissioner Cyrus Avery, now known as the Father of Route 66, who originally championed a major route stretching from Chicago to Los Angeles. Today, its pathway in Oklahoma is rich with small-town ambiance and landmarks, including many of the route's most popular attractions. From the magnificent Coleman Theatre in Miami to the Oklahoma Route 66 Museum in Clinton, the Mother Road across the Sooner State is an explorer's feast.
