William Royce Stewart

The Regulations of Hong Kong Hong Kong,1981

OF PAPERS AND PROTESTS: HONG KONG RESPONDS TO OCCUPY CENTRAL VOLUME 1 Guy Breshears,2016-02-25 When China issued its paper on how the next Chief Executive of Hong Kong would be selected they decided what they thought was best for Hong Kong since its return and incorporation into China. However, the reaction to China's decision was probably not expected nor were the events that followed. With the protests the Hong Kong government had to react and when Occupy Central actually took place their reaction had to be stronger. This book deals with the government reactions to the protests. It shows various government public announcements, of the events, as they unfolded as they tried to find an end to the protests.

Singapore's Fiscal Strategies for Growth Kok Fatt Lee,2017-11-29 Singapore's fiscal strategies have helped sustain the country's growth as a small and open economy. This book is a pioneering effort in terms of providing a non-technical, holistic view of Singapore's strategies. The author, formerly Director of Fiscal Policy in Singapore's Ministry of Finance and the Principal Private Secretary to the President of Singapore, provides an insider's bird's eye view of how Singapore's fiscal strategies support monetary and economic policies, and address the needs of Singaporeans. The book is structured to explain how the various aspects of Singapore's fiscal policies inter-relate and work together as a functioning system, enabling the small city-state to prosper and progress since its independence in 1965. Besides providing a documentation of the development of Singapore's fiscal strategies over the years, the current and impending national challenges to be addressed by fiscal strategies are also discussed. The author also addresses the importance of culture to a nation's success, and highlights the impact of fiscal policy in this regard.
