Alien RPG Free League Publishing,2019-12-10 Space is vast, dark, and not your friend. Gamma rays and neutrino bursts erupt from dying stars to cook you alive, black holes tear you apart, and the void itself boils your blood and seizes your brain. Try to scream and no one can hear you - hold your breath and you rupture your lungs. Space isn't as empty as you'd think, either - its frontiers are ever expanding. Rival governments wage a cold war of aggression while greedy corporations vie for valuable resources. Colonists reach for the stars and gamble with their lives - each new world tamed is either feast or famine. And there are things lurking in the shadows of every asteroid - things strange and different and deadly. Things alien. This is the official ALIEN tabletop roleplaying game - a universe of body horror and corporate brinkmanship, where synthetic people play god while space truckers and marines serve host to newborn ghoulish creatures. It's a harsh and unforgiving universe and you are nothing if not expendable. Stay alive if you can--Back cover.

Dungeons & Dragons Dungeon Master's Guide (Core Rulebook, D&D Roleplaying Game) Dungeons & Dragons,2014-12-09 Weave legendary stories in the world's greatest roleplaying game. All you need to run a Dungeons & Dragons game is your imagination, some dice, and this book. The Dungeon Master's Guide teaches you how to how to run D&D adventures for your players— how to invent monsters for them to fight, mysteries for them to solve, and fantasy worlds for them to explore. “[The Dungeon Master's Guide is] the one book to rule them all, the most comprehensive and powerful set of resources needed to run a game of D&D. . .” —Charlie Hall,

Polygon.com “D&D acolytes are everywhere...Tech workers from Silicon Valley to Brooklyn have long-running campaigns, and the showrunners and the novelist behind ‘Game of Thrones’ have all been Dungeon Masters.”—Neima Jahromi, The New Yorker • The Dungeon Master’s Guide is one of the three main Dungeons & Dragons books, along with the Player’s Handbook and Monster Manual. It’s a reference used by the Dungeon Master (the game’s narrator) to create adventures—to run Dungeons & Dragons games and fill them with characters and stories. • The Dungeon Master’s Guide (DMG) is full of tools to help you immerse players in the game. What’s the demon lord’s secret weakness? Are the orcish invaders a criminal enterprise, or traitorous allies? Dozens of tables throughout the book help inspire your decisions and keep the game flowing smoothly. • In the Dungeon Master’s Guide (DMG), even the tables tell tales. A legendary sword takes five decades to craft. Who created it, and why? A tavern-crawling gnome has an eye twitch. How did she get it, and when? In every detail is an architecture for narrative—and the Dungeon Master’s Guide has all the tools you need to flesh it out with ease. • In Dungeons & Dragons, you and your friends coauthor your own legend. Guided by a Dungeon Master, you create characters and play their roles in a story, rolling dice and navigating maps as you unfold a tale as limitless as your imagination. • Dungeons & Dragons is the world’s greatest roleplaying game. Created in 1974, D&D transformed gaming culture by blending traditional fantasy with miniatures and wargaming.

Diecraft Shane Windham,2014-08-12 From the mind which brought you Table Games, Humans Against Everything, Pinions, and many more timeless gaming experiences comes Diecraft; a labor of love for fans of both Minecraft and the role-playing genre in general. With a lower learning curve and clearer objectives than the majority of RPG's currently on the market, Diecraft sets out to give users an addictive experience that can be enjoyed by almost anyone. Games which have typically taken entire nights to play can now be enjoyed in a matter of hours. Your characters will level up from one game to the next, their objectives (as well as their starting points) will often change, and the path to winning is unlikely to ever be the same. If you've tried other RPG's and love their basic premise, but sometimes wish for something with more of the focus on destination than it tends to be on dialogue, then this game may just be the one for you. And if you like fun reasons to roll dice, then this game is definitely the one for you! Please note that this product is a guide book more than it is a complete game. The product in question does not include all things required to play Diecraft; namely a set of polyhedral dice, various printed materials, and pencils. What this book aims to do is provide the foundation one would need to play Diecraft once they had the aforementioned gaming essentials.

OSR Solo Peter Rudin-Burgess, 2021-02-23 OSR Solo rules These rules are intended to allow you to play an OSR, in this case meaning OD&D, B/X style games, without a Dungeon Master. game you will get using these rules will be a sandbox-style adventure, you will not need to do any Dungeon Master [DM] style preparation although having a few stock NPCs or appropriate levels would be helpful. No DM? The normal cycle of play is that the DM describes the scene and asks what do you do? The players describe their actions. The DM describes the effects of those actions and the cycle repeats. In solo play there is just the single character and no DM. You start by imagining your character in the game setting and play them through all the social interactions, all the NPCs and events that would normally come up. At some point you will reach a point where you would normally ask your DM for more information. Are there any guards? Are there any ways out? What can you hear? At this point the solo rules come into play. You pitch your question in a Yes/No format. The solo rules will then return an answer to your question much like a Magic 8 Ball toy. It is then down to you and your improv. skills to decide what does this answer mean right now? Often the first thing that comes into your head is the answer to go with. If you just got yes and no answers things would get boring quite quickly. These rules are designed to throw up twists and turns into your character's story. is a perfect way to learn a new game, test your first adventures and going beyond just making characters when you are first getting to know the rules
